Special Considerations (Required if Third Party Partners Involved) *[If not applicable, this section can be removed to help conform to the 2 page limit]*

Third Party Partners: If third party partners are present in the off-campus or off-site working environment, they:

- Will follow their entities’ related codes of conduct and reporting structures;
- May report incidences to the PI listed above;
- May report incidences when a USC partner, staff member, student employee, or faculty member is alleged to have engaged in behavior in violation of [USC Policy](#) and to NSF’s OECR at programcomplaints@nsf.gov.

Other:

[Detail Special circumstances that necessitate special plans (e.g., participants are at sea without ability to make contact with land; local transportation to a safe space is not available; variance in cultural norms might necessitate advance awareness training)]

Plan Dissemination (Required)

The plan will be disseminated to individuals participating in the off-campus or off-site research prior to departure as follows.

[Detail who the plan will be disseminated to (include subrecipient or collaborative individuals participating in off-campus/off-site research), method and timeline for dissemination. The disseminated plan must include active links.]

PI Certification (Required)

As PI of subject project, I understand that it is my responsibility to implement this plan and to uphold the University of South Carolina’s related policies. Should reports need to be made to the NSF according to their [reporting requirements](#), this plan may be used as part of NSF’s investigation and decision to continue funding of this project.
