SPONSORSHIP GUIDE

ABOUT THE DIVISION

The University of South Carolina Division of Student Affairs and Academic Support connects students with experiences and resources that will help them achieve a lifetime of meaningful leadership, service, employment and continued learning.

Every student comes to the university with unique circumstances: academic, cultural, physical and emotional. Our initiatives are designed to provide essential resources to support the individual needs of our students throughout their time at South Carolina.

Our services and programs are accessed online and at several campus locations. Altogether, the division is responsible for more than 30 university offices and manages dozens of facilities across campus.

PARTNER WITH US

Your support continues to make a real difference for our students.

The Gamecock CommUnity Shop ensures that all USC students have access to free food, clothing, school supplies and everyday essentials they need to feel confident, prepared and supported. By providing a welcoming, judgment-free space, the Gamecock CommUnity Shop empowers students to focus on their goals rather than the challenges they may face outside the classroom.

Demand is surging. In fiscal year 2025, there were over 12,000 visits to the shop, an increase of more than 300% over fiscal year 2024.
