## **EDUCATIONAL TALENT SEARCH**

**Application** 

#### Dear Parent/Guardian:

This application is for participation in the Educational Talent Search Program (ETS) sponsored by the University of South Carolina. Your student was recommended by their guidance department to participate in this Program. The Educational Talent Search Program is college guidance and information service for youths aged 11-18. Talent Search counselors work with both students and parents to provide guidance on the completion of high school requirements, assistance with financial aid and scholarships, and admissions applications. The Program also offers grade-specific services that include study skills development, mentoring, tutoring, college visits, cultural activities, and workshops for parents. All services are FREE to Talent Search participants. Sessions are held in the school during school hours.

Before we can provide these services, we must be certain that your student meets eligibility requirements that are based on family income and the educational levels of parents. All information we collect about students and their families is held in the strictest confidence and is protected by the Privacy Act.

In order for students to receive the maximum benefits of participating in Educational Talent Search, a cooperative relationship with parents must be established. It is important that parents/guardians are actively involved in student development and the college enrollment process. If you are interested in this Program and would like for your student to participate, please complete the attached Educational Talent Search enrollment application and return the form to the guidance office at your student's school. We will notify you if your student is accepted into the program. Space is limited, so please return these forms as soon as possible. We must have the application on file before we can provide services for your student.

If you have any questions about this Program, please do not hesitate to contact the Talent Search Counselor assigned to your school or our office at (803) 777-5127.

Sincerely yours,

Regina Hailey Omith

Regina Hailey Smith, Coordinator

**Educational Talent Search Program** 

Participation in this program does not require enrollment at The University of South Carolina
