

Poster Resources

Poster Planning

- Discover USC: Tips for Successful Posters by University of South Carolina Office of Undergraduate Research http://www.sc.edu/about/annual_events/discover/usc/documents/tips_for_successful_posters.pdf
- Creating Effective Poster Presentations by George Hess, Kathryn Tosney, Leon Liegel <http://www.ncsu.edu/project/posters/>
- How to Write a Research Poster by Lorrie Faith Cranor <http://xrds.acm.org/resources/how-to-write-research-poster.cfm>
- Building Your Presentation Poster by Dr. Linda Vick http://www.npuphysics.org/resources/comp/building_your_poster.pdf
- Poster Design Resources: Design & Presentation by UNC Health Sciences Library http://guides.lib.unc.edu/poster_design

Poster Creation: PowerPoint

- Designing Effective Posters by UNC Health Sciences Library (includes instructions for multiple platforms and versions of ppt) <http://guides.lib.unc.edu/posters>
- Poster-making 101 by Brian Pfohl and Greg Anderson, Bates College <http://abacus.bates.edu/~bpfohl/posters/>
- How to make a poster using PowerPoint by University of South Carolina Office of Undergraduate Research http://www.sc.edu/our/doc/Poster_by_powerpoint.pdf
- How to print a full-sized draft of your poster through tiled printing by University of South Carolina Office of Undergraduate Research http://www.sc.edu/our/doc/Poster_tile%20printing.pdf

Poster Creation: PowerPoint (YouTube videos)

- Lots of options!

Poster Creation: Adobe InDesign

- Designing Effective Posters and how to use InDesign by UNC Health Sciences Library <http://guides.lib.unc.edu/c.php?g=8592&p=44028>

Poster Presenting:

- Creating Effective Poster Presentations: Present Your Poster by George Hess, Kathryn Tosney, Leon Liegel <http://www.ncsu.edu/project/posters/PresentPoster.html> and <https://www.youtube.com/watch?v=vMSaFUrK-FA> (this is great, but long)
- A Guide to Presenting a Poster by the Cain Project in Engineering and Professional Communication <http://www.owl.net.rice.edu/~cainproj/presenting.html>
- Tips for presenting your poster or display by University of South Carolina Office of Undergraduate Research http://www.sc.edu/our/doc/Poster_presenting.pdf

Poster Printing

- Available for ALL campuses:
 - USC Printing Services 1600 Hampton Street, Columbia; <http://printing.sc.edu/>; Contact Tricia Petty (803-777-4194, tricia@printing.sc.edu) Costs: Vinyl is usually the cheapest option – ASK! Coupons may be available! Check www.sc.edu/DiscoverUSC, in the “For Presenters” section
- In COLUMBIA: Be sure to compare pricing!
 - USC Printing Services – see above
 - CAS computing center lower level of Gambrell Hall: You MUST call 777-7840 before printing. Check pricing. NOTE: payment info AND one side must be less than 41.5". More info: <http://artsandsciences.sc.edu/technology/printing>
 - School of Medicine Instrumentation Resource Facility (Building 1 Room B60): Talk to your mentor FIRST and then contact Anna Harper (803-216-3858 or anna.harper@uscmed.sc.edu) with questions. (Confirm costs)
 - Marine Science research mentor: Ask the department
 - Engineering and Computing: Ask Student Services or the Computing Center
 - Honors fellowship recipient: Contact Dr. Susan Alexander
 - FedEx <http://www.fedex.com/us/office/poster-printing.html>
 - Staples <https://www.staples.com/sbd/content/copyandprint/banners.html>
- For AIKEN: There are three poster printers on campus available for students - ask your mentor which to use and compare costs:
 - Biology/Geology department
 - USCA Operations
 - Instructional Services department
- For UPSTATE: Contact Adrian Hayes (ahayes@uscupstate.edu) for options
