

## On-Campus USCL Dual Enrollment Agreement

A current high school student taking courses with USC Lancaster is classified as a “Dual Enrollment Student”. Dual Enrollment students are charged a different tuition and fee rate and can qualify for Lottery Tuition Assistance, but no other forms of financial aid. Dual Enrollment Students taking courses on USCL’s campus need to be aware of the following:

- ❖ Dual Enrollment Students are expected to abide by the University of South Carolina’s Academic Integrity Policy and should be aware of all other university policies that apply to regularly admitted students. Our policies can be found [Here](#) or by visiting our website at [usclancaster.sc.edu](http://usclancaster.sc.edu).
- ❖ No course additions will be allowed after the deadline. \_\_\_\_\_\\_\_\_\_\_
- ❖ No registrations will be made without both the completed Registration Request form and the signed Enrollment Agreement form.
- ❖ If you need a list of courses that will count for both college and high school credit, you will need to check with your guidance counselor before making your selections. You are ultimately responsible for making sure that you have enough high school credits to graduate.
- ❖ You are eligible to register for any course USCL offers as long as you meet any required pre-requisites. Pre-requisites can be found by clicking on ‘View Catalog Entry’ under the course description.
- ❖ If you choose to withdraw from a class, this must be done by using the same registration form that you submitted to enroll in the course(s). Please be aware of the institution’s academic calendar when making your decision to withdraw from a course.
- ❖ On Campus Dual Enrollment students follow the same Academic Calendar as traditional USCL students, including all add/drop/withdraw dates listed. The Academic Calendar for each semester can be found by clicking [Here](#) or visiting our website at [usclancaster.sc.edu](http://usclancaster.sc.edu).
- ❖ Dual Enrollment Students are responsible for the full cost of tuition and fees for courses they take while attending the university. Dual Enrollment students are charged a lower rate for Dual Enrollment Classes. Some students may qualify for Lottery Tuition Assistance Program (LTAP) funding to help meet this expense. If you are not eligible for LTAP funding, be sure to let the Admissions Office know so they may continue processing your application.

Payments for courses is due on the 1<sup>st</sup> day of classes for each semester.

- Dual Enrollment students are responsible for the costs of Books and Supplies required for each class. Lottery Tuition Assistance does not cover this expense.
- Lottery Tuition Assistance caps at 12 hours per semester. Students taking Dual Enrollment Courses over and above 12 hours should be prepared to pay that remaining cost.
- *Cost per credit hour are subject to change per academic year. LTAP does not cover any fees. For a list of costs, please click [Tuition and Fees](#) or visit our website at [usclancaster.sc.edu](http://usclancaster.sc.edu).*
- ❖ In order to receive LTAP funding to cover the cost of tuition, you must meet all eligibility requirements (a SC Resident, a US Citizen or eligible non-citizen, etc...) and you must be enrolled in at least **6 or more hours per semester. Otherwise, you are responsible for the balance.**
  - If you decide to drop a course, and that places you below 6 hours, you will NO LONGER be eligible for LTAP and you will owe a balance at that time.
  - A grade of W (withdrawn) does not cancel the tuition and fee charge.
  - Adding a courses in later parts of term can increase tuition and fees but may not increase LTAP (depending on funding availability).
