*A minimum of 120 hours is required for degree completion***RETENTION & PROGRESSION IN THE NURSING MAJOR**

Admission to the baccalaureate degree in nursing major does not guarantee admission to the upper division. Admission to the upper division is a competitive process and the meeting of minimum admission criteria (GPA of 3.000) does not guarantee admission to the upper division. Students who are not accepted to the upper division should talk with their advisor regarding the feasibility of reapplication. If the student chooses to reapply to the upper division, the student must submit a new application for the next admission date and must compete with the new applicant group.
