Retention Rate of full-time, first time, degree-seeking freshman, measured from Fall to Fall will be at least 50%.	CHE SC Higher Education Statistical Abstract reports.	Retention Rate was 49.5%, slightly lower than the target. Please refer to the Accountability Report on the various ways USCL is trying to increase retention. The goal is to create an academic network of support for students, and to make education more affordable.	USCL enhanced recruiting and retention efforts in the last couple of years in an effort to increase enrollment and retention. We used a consultant and are implementing several recommendations. We believe we will see improvement in the next few years.	Implemented launch of Salesforce Constituent Relationship Management (CRM) software Target X to support student enrollment and retention, launching specifically with new first-year student advising corps. Hired a new admissions director, dual enrollment director, as well as internship coordinator.
