Native American Heritage Month Lecture

North Carolina's Disappearing Indians: Race and the Story of the Chowans by Dr. Warren Milteer

This presentation will explore the history of the Chowans of eastern North Carolina from the 1500s to the early twentieth century. The talk will focus on the recategorization of the Chowans from “Indian” to “colored” and highlight the ways racial categories can obscure the continued presence of indigenous people.

Please direct any questions or comments regarding the series to Brent Burgin at 803-313-7063 or wburgin@sc.edu. Mr. Burgin welcomes suggestions and ideas for future talks and speakers.
