

USC LANCASTER
FACULTY ORGANIZATION MEETING MINUTES
November 7, 2014

- I. Call to Order: 12:04pm
- II. Correction/Approval of the Minutes—September and October minutes approved.
- III. Reports of Officers
 - a. Dean of the Campus---Dean Walt Collins—**REPORT ATTACHED (SEE APPENDIX #1)**
 - i. Discussion:

(Gardner) I noticed in your report that there was a resignation from the budget committee, and there is a newly appointed member. Who are the other members?

(Collins) Sherri Gregory, Stan Emanuel, Ron Cox
 - b. Academic and Student Affairs Dean—Dean Ron Cox—**REPORT ATTACHED (SEE APPENDIX #2)**
 - i. Discussion:

(Catalano) I am against the removal of PHIL 102 from the BLS curriculum—especially given the new required course on how to take an online class.

(N. Lawrence) It is odd that the Palmetto College Faculty Advisory Committee feels empowered to make such moves, since System Affairs is still in the process of changing the make-up of that body.

(Nims) Agree with N. Lawrence. Still in process of establishing governance over degrees. This is an advisory committee—recommendations only.

(Gardner) Whom does this committee advise?

(Hammond) Ron Cox and I are USCL reps. The only action taken was to make request to senate to constitute this as a committee made up of elected officials. No moves made until that is finished. Once committee is constituted, it will make its recommendations to System Affairs. I will convey Catalano's objection to the committee. There wasn't a clear consensus on the PHIL change, so I'm not sure if it will move forward. I will keep faculty organization updated on what is happening with this committee.

(Gardner) I am opposed to lowering the foreign language requirement. Please pass that along to committee.

(Hammond) The rationale for that is that we have a lot of non-traditional students coming back to school, and they took their foreign language courses a long time ago. A lot of programs only require 2 foreign language requirements. Suzanne suggested waiving the 122 requirement for students in that situation, rather than dropping the requirement. I will take that suggestion to the committee, as well.

(Gardner) They can retake 109, right?

(Hammond) Yes.

(Gardner) I want to hear further discussion on this; I'm still not in favor, but I'd like to hear the arguments.

(Hammond) I can provide a written document that Dr. Nesmith sent out. It includes some of the context for these changes. I want to wait until after the committee meets, though, so I can see what we're going to move forward on.

(Gardner) This committee will advise Nesmith and Senate?

(Hammond) Advise no one now—plan is that committee will report to senate.

(N. Lawrence) There is a motion to make this a standing committee, as described in the manual. It's not going to be a committee that meets at every meeting. My sense is that it's going to consist of all elected members—that seems to be the general preference. We just need to make it clear that we elect people who have a clear understanding of and interest in the BOL and BLS programs.

(Hammond) In the past, that's how this has been. Has been reporting to Columbia Senate because it is a Columbia degree. My understanding is that this committee is going to make recommendations to the System Affairs committee, and, at times, to the Faculty Senate.

(Hammond) That is how this has happened in the past. The committee has to go through Columbia faculty senate, because it is a Columbia degree. But it didn't forward this information to the regional campuses. There is a consensus that we need to have representation on this committee, too.

(Cox) The whole idea is to take feedback from this faculty body back to committee.

(Sellhorst) For science, only require 109 and 110 for foreign language.

(Cox) These are BA degrees. Requirement varies from college to college.

c. Academic Success Center—Dana Lawrence—**REPORT ATTACHED (SEE APPENDIX #3)**

i. Discussion

(Nims) Why do you think the numbers are down?

(D. Lawrence) Daily average is up—we aren't open on as many days or for as many hours as we were last year.

(Obi-Johnson) Can students still drop in without an appointment?

(D. Lawrence) Yes

 - (Hammond) The description on the Provost's website is incorrect. The one in the manual is correct. We've asked Provost's office to update website.
 - f. Columbia Senate Report—Shemsi Alhaddad (read by Bonner)—**WRITTEN REPORT (SEE APPENDIX #5)**
 - i. Discussion
 - (Cox) Comment on change to +/- grades: just because the option is there doesn't mean faculty has to use it. You control the grade scale in your class.
 - (Alhaddad) It does change GPA calculations

- e. Discussion
(Biggs) Question re: Dean's report: What is the Ebola Working Group?
(Collins) We were asked by the governor to register to get updates on Ebola cases. We decided to create working group.
(Catledge) Directive went to ALL schools, clinics, health practitioners.
(Rutledge) No confirmed SC cases right now.
(Collins) CDC.org site has live updates of national list.

VI. Unfinished Business:

- a. MOTION: Carolyn Harmon for faculty organization membership—Ron Cox
 - i. Motion seconded by multiple individuals.
 - ii. Motion passes by unanimous vote.
- b. MOTION to change bylaws—Chris Bundrick—**DOCUMENT ATTACHED (SEE APPENDIX #6 for original version and APPENDIX #7 for amended version)**
 - i. Seconded
 - ii. Discussion of motion
(Catalano) Amend to have two representatives from the division that is making the hire
(Sellhorst) Second
 - iii. Discussion of Amendment #1
(Cox) Friendly amendment to amendment: specify faculty search, to differentiate from staff searches.
(N. Lawrence) Second
(Nims) Call the Question
2nd AMENDMENT PASSES UNANIMOUSLY
- iv. Return to discussion of Amendment #1
(Criswell) This is for tenure-track, non-tenure-track?
(Cox) All faculty
(Criswell) What about part time?
(Cox) We don't do search committees for part-time faculty.

(Biggs) Can we clarify this to say that each division will elect one representative for each search committee?

(Bundrick) The intention was to make it clear that the division elects its representative; representatives are not elected from the entire faculty body.

(Cox) How are we defining "hiring authority"?

(Mobley-Chavous) Wording was changed to reflect Columbia policy language.

1st AMENDMENT PASSES UNANIMOUSLY

v. Discussion of Motion

(Bonner) Reminder: this requires a 2/3 vote.

(Harris) This change does not include librarians. I have not pushed for this, but I would hope that this could be handled through at-large membership as necessary. Requiring a library rep on every committee is a hardship, because there are only three of us. I'm still concerned about the last sentence. Would prefer if it stopped after "report to the faculty." Concerned about issues of timeline and confidentiality.

(Bonner) Amend?

(Harris) Yes, motion to amend.

(Cox) Second

vi. Discussion of Amendment #3

(N. Lawrence) Didn't we establish—through Tracey Mobley-Chavous—that this does not raise confidentiality issues?

(Mobley-Chavous) It depends on what is reported. Trust committee to know what's appropriate to share.

(Martek) Seems that someone could ask about process following report, then committee could decline to answer.

(Nims) A bit of ambiguity here. Search is not completed until Dean makes his recommendation.

(Collins) Yes, until contract is signed, background check finalized, search is not completed.

(N. Lawrence) Seems that once three names are submitted for campus visits, there shouldn't be a committee interview.

(Cox) Recommendations are not submitted until after campus visit.

(Harris) "Explaining" would require getting into qualifications, which brings up confidentiality issues. Not sure this information should be on record.

3rd AMENDMENT PASSES

vii. Discussion of Motion

(Nims) Intent is to increase transparency, correct?

(Bundrick) Yes.

(Nims) Where is concern that transparency is lacking?

(Bundrick) There have been searches in which I didn't know what was going on, etc. Example of summer SOCY search in which search was over before anyone knew it was happening.

(Bohonak) That was an issue of expediency.

(Bundrick) Better fast than proper?

(Bohonak) It was done properly. My division was aware.

(Hammond) This just clarifies the procedure for conducting searches. We don't need to assume ill intent to accept a charge that will make process better.

(Sellhorst) Summer search example shaky because of emergency situation.

(Rutledge) Yes, expediency was an issue, because so many students need SOCY 101. This was an exceptional situation.

(Harris) If concern is that faculty is not kept up to date on progress, then "upon completion" doesn't help that.

(Gardner) Fixed by amendment to say "each search committee will make reports to faculty."

(Nims) Second

viii. Discussion of Amendment #4

(Rutledge) Will this work for summer?

(Gardner) Via email.

(Parker) How often?

(Gardner) Up to chair.

(Nims) Amend to amendment: add "regular" before "progress."

(Cox) re: transparency: this guarantees elected members rather than appointees.

4th AMENDMENT PASSES

ix. Discussion of Motion

(Catalano) These amendments make this an entirely new motion.

(Bonner) Refer to Parliamentarian

(Van Hall) I think a vote is in order.

(Bonner) I rule amendments non-substantive.

AMENDED MOTION PASSES

VII. New Business

a. MOTION from USCL Faculty Organization Executive Committee to change by-laws—**DOCUMENT ATTACHED (SEE APPENDIX #8)**

i. Summary of changes (Alhaddad)

1. Update "Regional" to "Palmetto College"
2. Update committee lists—separated local and system committees.
3. Update some committee descriptions to reflect changes in duties.
4. Update system committees based on PCFS bylaws.

ii. Discussion

(Bundrick) Do we still have control over Associate degrees?

(Cox) This does not say "propose changes".

(Freeman) Why the removal of library representatives from Assessment committee?

(Harris) Nothing handled by Assessment Committee that has to do with library. If committee works on Information Literacy, library membership can be handled by administrative appointments.

(Alhaddad) Yes, you still have the option of being on the committee.

TO BE VOTED ON AT DECEMBER MEETING

VIII. Special Orders--NONE

IX. Announcements for the Good of the Order

- a. (Collins) Thanks to SOCY search committee. Dr. Cruise has accepted our offer and will start in January.
- b. (Cox) Please submit Spring book orders to bookstore.

Report to the USC Lancaster Faculty Organization
November 7, 2014

People

Enrollment

As of November 6, 1745 students are registered for Fall 2014. We are down in enrollment by approximately 3.5% compared to last Fall. Pre-registration for Spring 2015 currently stands at 335.

An offer of employment was extended to a Sociology candidate this week to begin in Spring 2015. As of Thursday morning, the candidate has accepted the offer and will begin in January. Thanks to the search committee for their diligent and efficient work to fill this position.

Congratulations to Dr. Bundrick and Dr. Holt for competing in and completing the Wilmington, NC Ironman Triathlon over the weekend of October 24.

Mr. Thomas Monroe has taken on full-time duties as campus recruiter. The search to fill a new position in the Admissions Office (application processing support) will conclude soon. The search to fill the Director of Enrollment Management will begin in the next several weeks. These last two positions will be paid for with Palmetto College funding.

Congratulations to Prof. Brent Burgin who was recently awarded the 2014 Program Innovation Award by South Carolina Archival Association.

Facilities

The following maintenance work was completed over the recent Fall Break:

1. Changed all HVAC filters
2. Abated the "hot" floor tile in Hubbard room 120 office
3. Repainted the parking lot stripes at Gregory
4. Began freshening the landscaping at Gregory (completed the last week in October)
5. Added a HVAC supply line to the research room, upstairs in Bradley
6. Bradley, 1st floor, cleaned coils in air handler 1-1
7. Bradley, painted rooms 212, 213 and 224

Projects have been established for **Bradley Science lab repairs and upgrades** as well as the **BSN Nursing Simulation Lab** (Hubbard Hall) construction work at Facilities headquarters in Columbia. Work will begin in a couple of months. Capital improvement funding was allocated for these projects this fiscal year.

Financial

BUDGET

USC Lancaster's first quarter budget meeting was held on Tuesday, October 14 in Columbia. The meeting went well, and there are no significant developments to report since our campus budget update meeting on October 10. We will continue to monitor the budget closely. I will schedule a mid-year campus budget update for faculty and staff in mid-January.

Dr. Bundrick has stepped down from the Dean's Budget Advisory Group after 18 months of conscientious service. This is an ad hoc group appointed by the Dean. I have asked Prof. Philip Parker to join the group, and he has accepted. The group will continue to meet to monitor the financial status of the campus.

Other items...

- The **Fall 2014 Scholarship Luncheon** took place on Thursday, Nov. 6 with approximately 275 people in attendance.
- I received the report of the **Hiring Priorities Committee** in early October. Sincere thanks to those on the committee whose work yielded such a useful report. Thanks as well to Dr. Scarlett for leading the committee. Dean Cox and I have discussed the recommendations in the report. Likewise, I have been discussing the possibility of new hires with the Dr. Plyler and the Palmetto College HR officer.
- Thanks to science faculty, Dr. Bohonak, Laura Carnes, Thomas Monroe and others for their efforts in organizing our first ever **Science Discovery Night** on Oct. 16. This event provided interactive and hands-on activities for prospective students and their families.
- With the help of community members and a faculty member I have made 10 visits with prospective donors since Sept. 15. I anticipate making 5 to 10 more visits over the next several weeks. The **Carolina's Promise Campaign** (greater USC initiative in which USC Lancaster has a part) concludes at the end of June 2015. During our visits we discuss giving to USC Lancaster in one of five different areas: Faculty Development, Endowed Student Scholarships, Founders Hall (remaining naming opportunities), Campus Beautification and Native American Studies.
- On October 27, about 8 science faculty members, Dr. Bohonak and I toured **Nutramax Laboratories** here in Lancaster. We discussed with some of their leaders future collaborations with the company including student internships.
- We have established an **Ebola Work Group** for USCL. Ron Cox, Courtney Catledge, Lynn Baker, John Rutledge, Shana Dry and I make up this group. We have registered with an Ebola awareness group for state agencies sponsored by SC DHEC which we were required to do. The purpose of the group is to monitor developments with the virus and to serve as a campus resource for any related concerns.

So if you are planning to teach a course for PC in Fall 2015 (or if you are obligated to teach one due to having received a course development grant), please notify your Division Chair and our office as soon as possible.

The **SOCY Search Committee** has completed its work and forwarded its recommendations to Dr. Collins. I am pleased to report that Dr. Susan Cruise has accepted our offer to join USCL’s faculty in January 2015 as an Assistant Professor of SOCY. My sincere thanks to the committee (and special kudos to Tracey Mobley Chavous) for their hard work in making this search successful.

Outside Professional Activities Report: Here is your annual reminder that USC Policy ACAF 1.50 (Outside Professional Activities for Faculty) requires annual reporting by faculty and local units. The policy may be viewed online at <http://www.sc.edu/policies/acaf150.pdf>. The reporting period is the calendar year (January 01 – December 31, 2014). The form for completing the Faculty report is found online at http://orc.research.sc.edu/images/forms/OPA_Faculty_Annual_Report_062707.pdf. The Palmetto College (BLS/BOL) Faculty Advisory Committee will meet today at 2:00 pm. A number of items are under consideration (although I haven’t seen the actual agenda for today yet):

- A proposal from USC Lancaster to add Public Health (HPEB) to the major and cognate options in the BLS degree;
- A proposal from USC Lancaster to add Native American Studies to the major and cognate options in the BLS degree;
- Consideration of a lowering of the FORL requirement for BLS and BOL from its current level (completion of 122-level course) to a score of “2” on the placement exam OR completion of 109/110 (or 121, where applicable);
- Removal of PHIL 102 as a general education requirement in BLS and BOL;
- I will be recommending the creation of a 1-credit hour course (an RCAM course) as a general education requirement for both degrees, the focus of which will be “How to Take – and Succeed in – An Online Course.”

Having reviewed the report of the **Faculty Hiring Priorities Committee** (as well as having had discussions with numerous different faculty groups), I have forwarded by recommendations to Dr. Collins for faculty hires in FALL 2015. The request is currently under consideration.

THANK YOU to all the USCL Faculty and Staff who participated in the Olde English Junior Scholars Day (October 23) at USC Lancaster. I have heard nothing but compliments from Consortium members about their treatment on campus, and how impressed they were with the folks we have working here. This is nothing surprising to us, of course, but I did want you all to know how much I appreciate your efforts, even if I don't always remember to say so.

STUDENT AFFAIRS. Laura Humphrey has asked that you please remind your students that PAL Applications are now available online or in the student life office. They are due Dec 12 by 5:00 pm in the Office of Student Life. I would also ask that you please continue to submit your USC Connect activities to Laura or submit them yourself to the USC Connect database.

ATHLETICS. Kevin Thompson has asked me to note a few things:

- First, he wishes to express thanks to all of you who supported the Halloween event held last Thursday at the baseball field. By all accounts it was very successful and everyone had a great time.
- The Lancers baseball team is traveling today to USC Aiken to play a double-header against the Pacers. Game times are 3:00 pm and 5:30 pm.
- The baseball team will also play its annual Blue-Gold World Series, November 11 – 13, with games starting at 1:00 pm. The victorious team will win the highly coveted (and equally homemade) trophy made from Grizzly dip cans (courtesy of last year's sophomores).
- On Thursday, November 13, the Athletics department will be doing a fundraising event at the Lancaster Chick-Fil-A between 5:00 pm and 8:00 pm. Funds raised will help with both athletic scholarships, as well as the purchase of equipment for the teams. Flyers have been placed in all faculty & staff mailboxes. If you have any questions about this event, please call or e-mail Kevin Thompson.

 - The Provost is concerned about undergraduate student advising on the Columbia campus. They're implementing an advising portal in Columbia called SARS Grid to streamline advising for students. The faculty senators who spoke at the meeting seem to have similar concerns to those on our campus. For example, concern about implementing the Carolina Core, especially when

new classes continue to be added. Another was about helping students not lose much credit when they change majors. The Provost is creating an ad-hoc committee to explore the issue and complete the work within a 5-6 week period. The Provost mentioned the possibility of giving "credit" for advising. For example, having advising count (more than nominally) towards tenure and promotion, post tenure review, etc.
