

Before your return, please watch the following videos and read how to wear and take off face coverings listed below. If you are unable to watch or read before your return, you will be expected to do so upon your first day back to campus. After you have watched the videos and read about face coverings, please sign the bottom of the letter, and return to Susan Jett.

As we navigate these uncertain times, the most important thing is that we do it together. We will come out of this stronger than before. We can't do this as individuals -- we must do this as a team. If you have any questions or feedback, please feel free to reach out to Susan Jett.

Stay safe,
