

CURRICULUM VITAE PERSONAL INFORMATION

Name: Dawn K. Wilson, Ph.D.
Date of Birth: May 24, 1960
Place of Birth: San Francisco, CA
Citizenship: USA
Marital Status: Married
Children: Shane Tyler King
Cody Mathew King

Home Address: 800 Oak Brook Blvd.
Sumter, SC 29150

Office Address:
Department of Psychology
University of South Carolina
Barnwell College
Columbia, SC 29208
(803) 236-7799

LICENSURE Not Applicable

EDUCATION

Graduate:
December, 1988 Vanderbilt University, Ph.D.
Psychology
May, 1984 San Diego State University, M.A.
Psychology
Undergraduate:
May, 1982 San Diego State University, B.A.
Psychology

MILITARY SERVICE None

POSTDOCTORAL TRAINING

Fellowships:
September, 2001 Centers for Disease Control and Prevention
Arnold School of Public Health and Prevention Research Center
University of South Carolina
8-Day Seminar on Physical Activity and Public Health
Sea Pines Conference Resort
Hilton Head Island, South Carolina

Dawn K. Wilson, Ph.D.
Curriculum Vitae

August, 1990 American Heart Association
10-Day Seminar on Epidemiology and Prevention of
Cardiovascular Diseases
Lake Tahoe, California

Postdoctoral Fellowship:
1988 - 1989 University of California
Berkeley, California
Prevention Research Center
School of Public Health

ACADEMIC APPOINTMENTS

2005-Present Professor (Tenured)
Department of Psychology
University of South Carolina
Barnwell College
Columbia, SC 29208

2001-2005 Research Associate Professor
Prevention Research Center
Department of Health Promotion, Education, and Behavior
Arnold School of Public Health
University of South Carolina
Columbia, SC 29208

1997 - 2001 Associate Professor of Medicine (Tenured)
Division of Clinical Pharmacology and Hypertension
Medical College of Virginia /Virginia Commonwealth University
P. O. Box 980160
Richmond, Virginia 23298-0160

1993 - 1997 Assistant Professor of Medicine
Division of Clinical Pharmacology and Hypertension
Medical College of Virginia /Virginia Commonwealth University
P. O. Box 980160
Richmond, Virginia 23298-0160

1989 - 1993 Assistant Professor of Pediatrics
University of Tennessee, Memphis
777 Washington Avenue, Suite 215
Memphis, Tennessee 38105

MAJOR RESEARCH INTERESTS

Obesity Prevention
Health Promotion in Youth (Nutrition and Physical Activity)
Behavioral Medicine/Health Psychology
Prevention and Epidemiology
Health Disparities
Cardio-metabolic Risk Factors and gene-environment interactions
Bio-ecological, Social-Cognitive and Motivational Interventions
Measurement of Health Behaviors (Validity of Self-Report)
Behavioral Compliance/Persuasive Communication
Ecological Interventions for Health Promotion
Health Policy

RESEARCH AND EXTERNAL SUPPORT

- 1987-1989 Innovative Smoking Cessation Interventions, Kenneth A. Wallston, Ph.D., Principal Investigator, Joan E. King, Ph.D., Co-Principal Investigator, Craig Helm, M.D., Co-Investigator, Dawn K. Wilson, Ph.D., Co-Investigator. National Institutes of Health, HLB 35310, Budget \$231,108.
- 1989-1990 Effects of Low Sodium/High Potassium Diets on Cardiovascular Reactivity in Black Children. Dawn K. Wilson, Ph.D., Principal Investigator, Bruce S. Alpert, M.D., Co-Principal Investigator, Heart Center Small Grant, Budget \$2,900.
- 1989-1994 Familial Hypertension and Biracial CV Reactivity in Youth. Bruce S. Alpert, M.D., Principal Investigator, Gregory A. Harshfield, Ph.D., Co-Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator. National Institutes of Health, HL 35788, Total Budget \$996,600.
- 1988-1991 Behaviorally Induced SNS Arousal and Sodium Regulation, Gregory A. Harshfield, Ph.D., Principal Investigator, Bruce S. Alpert, M.D., Co-Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, National Institutes of Health, HL 42645, Total Budget \$646,805.
- 1991-1993 Effects of High Potassium Diet on Blood Pressure Responses in Black Children. Dawn K. Wilson, Ph.D., Principal Investigator, Bruce S. Alpert, M.D., Co-Principal Investigator, Kimberly E. Moody, M.S., Co-Investigator, Heart Center Small Grant, Budget \$2,856.
- 1992-1993 Na⁺ Sensitivity and CV Reactivity in Black Adolescents. Dawn K. Wilson, Ph.D., Principal Investigator, Bruce S. Alpert, M.D., Co-Investigator, LeBonheur Children's Medical Center, Budget \$7,481.
- 1992-1997 Na⁺/K⁺ Intake and CV Reactivity in Black Adolescents. Dawn K. Wilson, Ph.D., Principal Investigator, National Institutes of Health FIRST Award Program - HL 46736, Total Budget \$350,000.

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 1993-1995 Minority Supplement Grant, Na⁺/K⁺ Intake and CV Reactivity in Black Adolescents, Dawn K. Wilson, Ph.D., Principal Investigator, National Institutes of Health - HL 46736, Total Budget \$37,814.
- 1995-1996 Minority Supplement Grant, Na⁺/K⁺ and CV Reactivity in Black Adolescents, Dawn K. Wilson, Ph.D., Principal Investigator, National Institutes of Health - HL 46736, Budget \$48,000.
- 1995-1996 Social support as a Protective Factor of CV Reactivity and Neuroendocrine Responses, Dawn K. Wilson, Ph.D., Principal Investigator, National Kidney Foundation, Budget \$1,500.
- 1996 - 1997 Minority Supplement Grant, Na⁺/K⁺ and CV Reactivity in Black Adolescents, Dawn K. Wilson, Ph.D., Principal Investigator, National Institutes of Health - HL 46736, Budget \$28,000.
- 1998 – 1999 Development of an Electrochemical Gustometer, Gerard L. Heck, Ph.D., Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, National Institutes of Health-PHS 97-3, Small Business Technology Transfer Program, Budget \$99,962.
- 1998-1999 Normative Ambulatory Blood Pressure in Black Adolescents, Dawn K. Wilson, Ph.D., Principal Investigator, Domenic A. Sica, M.D., Co-Investigator, A.D. Williams Grant, Virginia Commonwealth University, Budget \$9,663.
- 1999-2000 The Role of Diet in Hypertension Related Markers of Cardiovascular Morbidity in African-American Adolescents, Dawn K. Wilson, Ph.D., Principal Investigator. National Kidney Foundation of Virginia, Budget \$25,000.
- 2001-2003 Innovative Interventions for Hypertension Prevention in African-American Adolescents. Dawn K. Wilson, Ph.D., Principal Investigator, Domenic A. Sica, M.D., Richard Schieken, M.D., Co-Investigator. National Kidney Foundation of Virginia, Total Budget \$60,000.
- 2002-2003 Promoting Physical Activity in Underserved Adolescents. Dawn K. Wilson, Ph.D., Principal Investigator, Alexandra E. Evans, Co-Investigator. University of South Carolina Research and Productive Scholarship Grant, \$14,000.
- 2002-2004 Health Promotion and Disease Prevention Research Centers. Barbara E. Ainsworth, Ph.D., Principal Investigator, Dennis Shepard, Co-Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, Patricia Sharpe, Ph.D., Co-Investigator, Center for Disease Control and Prevention (CDC), Total Budget \$1,510,000.
- 2002-2005 Pre ESRD Syndrome in High Risk African American Adults, Elizabeth Ripley, MD, Principal Investigator, Domenic Sica, MD, Co-Investigatory (mentor), Dawn

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- K. Wilson, Ph.D., Co-Investigator (mentor), National Institutes of Health (NIDDK), Total Budget \$126,730.
- 2002-2005 Moderators of Hypertension Risk in Canadian Blacks, Sydney Miller, Ph.D., Principal Investigator, Dawn K. Wilson, Ph.D. Co-Principal Investigator. Heart and Stroke Foundation of Canada, Total Budget \$45,000.
- 2003-2004 Effect of Diet and Physical Activity on Ambulatory Blood Pressure, Dawn K. Wilson, Principal Investigator, Russell Pate, Co-Investigator, Suzanne Domel Baxter, Ph.D., Co-Investigator, Alexandra Evans, Ph.D., Co-Investigator, Health Disparities and Nutrition Center Grant, University of South Carolina, Budget \$20,000.
- 2004-2005 Health Promotion and Disease Prevention Research Centers. Steven Hooker, Ph.D., Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, Fran Wheeler, Ph.D., Co-Investigator, Patricia Sharpe, Ph.D., Co-Investigator, Sara Wilcox, Ph.D., Co-Investigator, Alexandra Evans, Ph.D., Co-Investigator, Russell Pate, Ph.D., Co-Investigator, Center for Disease Control and Prevention (CDC), Total Budget \$4,395,665.
- 2004-2008 The HHER Lifestyle Program for Hypertension Management, Deborah Parra-Medina, Ph.D., Principal Investigator, Sara Wilcox, Ph.D., Co-Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, Gwen Felton, Ph.D., Co-Investigator, Cheryl Addy, Ph.D., Co-Investigator. National Institutes of Health (NIHLB), Total Budget \$2,296,865.
- 2004-2010 Self-Determination for Increasing Physical Activity, Dawn K. Wilson, Ph.D., Principal Investigator, Russell Pate, Ph.D., Co-Investigator, M. Lee Van Horn, Ph.D., Co-Investigator, Ruth Saunders, Ph.D., Co-Investigator, Sarah Griffin, Ph.D., Cheryl Addy, Ph.D., Co-Investigator. National Institutes of Health (NICHD), Total Budget \$3,439,145.
- 2004-2006 Minority Supplement Grant (The Role of Parental Modeling and Social Support on Adolescent Physical Activity), Self-Determination for Increasing Physical Activity, Dawn K. Wilson, PhD., Principal Investigator, National Institutes of Health (NICHD), \$45,000.
- 2004-2005 A Media Intervention to Increase Fruit and Vegetable Intake in Youth, Alexandra Evans, Ph.D. Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator. South Carolina Nutrition Research Consortium, Budget, \$20,000.
- 2005-2006 Self-Determination for Weight Loss in African American Adolescents, Dawn K. Wilson, Principal Investigator, Dean Shade, MD, Co-Investigator, Heidi Temple, RN, Co-Investigator, Marilyn Laiken, Ph.D, Co-Investigator, Deborah Parra-Medina, Ph.D., Co-Investigator, Sarah Griffin, Ph.D. Co-Investigator, Leonard Epstein, Ph.D., Co-Investigator. Research Consortium on Children and Family, University of South Carolina, Budget, \$16,500.

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 2006-2007 Minority Supplement Grant, Self-Determination for Increasing Physical Activity (The Influence of Environmental and Family Supports for Increasing Physical Activity in Adolescents). Dawn K. Wilson, PhD., Principal Investigator, National Institutes of Health (NICHD), \$32,925
- 2006-2008 An Interactive GIS Based Model for Active Transportation in the Built Environment, Wally Peters, Ph.D., Principal Investigator, Dawn K. Wilson, Ph.D., Co-Principal Investigator, Robert Wood Johnson Foundation, Dissertation Grant \$25,000.
- 2007-2009 Development of a National Physical Activity and Nutrition Survey for High School Students, Sub-contract with Macro International, Russell Pate, Ph.D., Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, Beth Mayer-Davis, Ph.D., Co-Investigator, Center for Disease Control, Budget \$256,905.
- 2007-2008 An Ecological Study of Barriers and Facilitators for Weight Loss in African American Families, Dawn K. Wilson, Ph.D., Principal Investigator, Heather Kitzman-Ulrich, Ph.D., Co-Investigator, Russell Pate, Ph.D., Co-Investigator, Marilyn Laken, Ph.D., Co-Investigator. South Carolina Research Nutrition Consortium, \$18,000.
- 2007-2008 A Comparison of Single versus Multiple-Interdisciplinary Art Forms on Improving Quality of Life in Underserved Youth, Dawn K. Wilson, Ph.D., Principal Investigator, Twanda Greer, Ph.D., Co-Investigator, Jerri Nobel, Project Director. University of South Carolina Art Institute and Department of Psychology funded project, \$13,000.
- 2007-2012 Improving Safety and Access for Physical Activity, Dawn K. Wilson, Ph.D., Principal Investigator, Abe Wandersman, Ph.D., Co-Investigator, Sarah Griffin, Ph.D., Co-Investigator, Brent Egan, MD, Co-Investigator, M. Lee Van Horn, Ph.D. National Institutes of Health (NIDDK), Total Budget \$2,685,904.
- 2007-2010 USC Centenary Grant, Dawn K. Wilson, Ph.D., Principal Investigator, Heather Kitzman-Ulrich, Ph.D., (Faculty Mentee). University of South Carolina Office of Research and Health Sciences, Total Budget \$146,301.
- 2008-2009 Minority Supplement Grant, Improving Safety and Access for Physical Activity Activity (Minority Supplement Grant, Mentee Sara Mijares), Dawn K. Wilson, Ph.D., Principal Investigator. National Institutes of Health (NIDDK), Total Budget, \$32,728.
- 2007-2009 Home-based Pain Management Training for Pediatric Sickle Cell Disease. Jeff Schatz, Ph.D., Principal Investigator, Catherine McClellan, Ph.D., Co-Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, National Institutes of Health, Total Budget \$211,820.

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 2008-2012 Improving Safety and Access for Physical Activity (Geographical Systems Supplement Grant), Dawn K. Wilson, Ph.D. Principal Investigator, Andrew Lawson, Ph.D., Co-Investigator, Wally Peters, Ph.D., Co-Investigator, Melinda Forthofer, Ph.D., Co-Investigator, Natalie Colabianchi, Ph.D., Co-Investigator, National Institutes of Health (NIDDK), Total Budget, \$1,204,000.
- 2009-2012 Integrated Recall of Diet and Physical Activity in Children, Suzanne Baxter, Ph.D., Co-Principal Investigator, Russell Pate, Ph.D., Co-Principal Investigator, Dawn K. Wilson, Ph.D., Co-Investigator, James Hardin, Ph.D., Co-Investigator. National Institutes of Health, Total Budget, \$396,000.
- 2010-2012 Social Context and Motivation in Minority Youth Obesity and Metabolic Syndrome, Hannah G. Lawman, MA, Principal Investigator, Dawn K. Wilson, Ph.D., Co-Principal investigator. National Institutes of Health (F31 DK086358), Total Budget, \$64,337.
- 2010-2012 A Parent Intervention for Improving Physical Activity and Diet in Adolescents, Sara M. St. George, MA, Principal Investigator, Dawn K. Wilson, Ph.D., Co-Principal Investigator, National Institutes of Health (F31 HD066944), Total Budget, \$ 64,000.
- 2010-2015 Children’s Dietary Recalls: Prompts, Retention Interval, and Accuracy. Suzanne Baxter, Principal Investigator, Dawn K. Wilson, Co-Investigator, National Institutes of Health, Total Budget, \$2,015,107.
- 2010-2015 Community Programs to Reduce Childhood Obesity-NIH/Battelle Memorial Institute, Russell Pate, Ph.D., Principal Investigator, Robert McKeown, Ph.D., Co-Principal Investigator, Edward Frongillo, Ph.D., Co-Principal Investigator, Dawn K. Wilson, Co-Investigator, Melinda Forthofer, Ph.D., Co-Investigator, Natalie Colabianchi, Ph.D., Co-Investigator, Sonya Jones, Ph.D., Co-Investigator, Sandra Glover, Ph.D., Co-Investigator. Total Budget, \$2,784,607.
- 2010-2015 Risk in Context: New Methodology for Modeling Risk by Context Interactions. M. Lee Van Horn, Ph.D., Principal Investigator, Dawn K. Wilson, Ph.D., Co-National Institutes of Health. Total Budget, \$1, 250,000.
- 2011-2013 Social-Environmental, Physiologic and Genetic Determinants of Blood Pressure. Sandra Coulon, M.A., Principal Investigator, Dawn K. Wilson, Ph.D. Co-Principal Investigator, National Institutes of Health (F31 AG039930), Total Budget \$69,616.
- 2012-2014 Gene and Environmental Influences on Obesity: Implications for Prevention. Dawn K. Wilson, Ph.D. Principal Investigator, Russ Pate, Ph.D., Co-Principal Investigator, Rose Booze, Ph.D., Co-Investigator, Charles Mactutus, Ph.D., Co-Investigator, Greg Hand, Ph.D., Co-Investigator, Steve Kresovich, Ph.D., Co-Investigator, Lee Van Horn, Ph.D., Co-Investigator, Andrew Lawson, Ph.D., Co-

Dawn K. Wilson, Ph.D.
Curriculum Vitae

Investigator, Ron Prinz, Ph.D., Co-Investigator, ASPIRE II Grant, University of South Carolina, Total Budget, \$100,000.

2012-2017 Families Improving Together (FIT) for Weight Loss. Dawn K. Wilson, Ph.D., Principal Investigator, Ken Resnicow, Ph.D., Co-Investigator, Heather Kitzman-Ulrich, Co-Investigator, Lee Van Horn, Co-Investigator, Ron Prinz, Co-Investigator, National Institutes of Health (R01HD072153). Total Budget, \$3,700,000.

Baxter SD, Hitchcock DB, Guinn CH, Vaadi, KK, Puryear MP, Royer JA, McIver KL, Dowda M, Pate RR, Wilson DK. A validation study concerning the effects of interview content, retention interval, and grade on children’s recall accuracy for dietary and physical activity information. *International Journal of Behavioral Nutrition and Physical Activity* (submitted).

TEACHING EXPERIENCE

1982 - 1984 Instructor, Introductory Psychology
Department of Psychology
San Diego State University
San Diego, CA

1985 Assistant Instructor
Graduate Course
Quantitative Methods and Experimental Design
Vanderbilt University, Nashville, TN

1986 Assistant Instructor
Human Sexuality Course
Vanderbilt University, Nashville, TN

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 1987 Assistant Instructor
Interpersonal and Group Relationships
Vanderbilt University, Nashville, TN
- 1988 Assistant Instructor
Introductory Social Psychology
Vanderbilt University, Nashville, TN
- 1994 - 1997 Instructor
Graduate Course in Social Psychology
Department of Psychology
Virginia Commonwealth University, Richmond, VA
- 1996-2001 Lecturer
Mind Body/Complementary & Alternative Medicine Course
Medical College of Virginia, Richmond, VA
- 2000 Guest Lecturer
Maternal and Child Health Course (Instructor: Dr. Evans)
Health Promotion, Education and Behavior
University of South Carolina
- 2001 Guest Lecturer
Motivational Interventions for Increasing Physical Activity
(Instructor: Dr. Felton)
School of Nursing
University of South Carolina
- 2002 Guest Lecturer
Research Methods Course (Instructor: Dr. Saunders)
Health Promotion, Education and Behavior
University of South Carolina
- 2004 Guest Lecturer
Health Psychology and Physical Activity (Instructor: Dr. Wilcox)
Exercise Science
University of South Carolina
- 2005-Present Instructor
Health Psychology (Undergraduate Level)
Department of Psychology
University of South Carolina
- 2006-Present Instructor
Health Psychology (Graduate Level)
Department of Psychology
University of South Carolina

SOCIETY MEMBERSHIPS

- | | |
|----------------|--|
| 1983 | President, Psi Chi
San Diego State University
San Diego, California |
| 1984 - Present | Member, Society of Behavioral Medicine
Middleton, WI |
| 1985-1990 | Member, Society for Southeastern
Social Psychologists
Louisville, Kentucky |
| 1985 - 1988 | Member, Southeastern Psychological Association
Baton Rouge, Louisiana |
| 1986 - Present | Associate Member,
American Psychological Association
Washington, D.C. |
| 1987 - Present | Member, Division 38, Health Psychology
American Psychological Association
Washington, D.C. |
| 1990 - 1993 | Member, Tennessee Pediatric Cardiology Society
Nashville, Tennessee |
| 1994 - 1995 | Member, Society of Pediatric Psychology
Division 12, American Psychological Association
Washington, D.C. |
| 1997 - 2002 | Member, American Society of Hypertension
New York, NY |

SPECIAL AWARDS

- | | |
|-------------|--|
| 1982 | Who's Who in American Universities and Colleges |
| 1982 - 1984 | Dean's List, San Diego State University |
| 1985 | Recipient of the "Christopher E. Parker Memorial Award" for
Masters Thesis Research, San Diego State University |
| 1989 | Certificate of Recognition for Co-Chairing Local Arrangements
Committee, Society of Behavioral Medicine |

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 1992 Who's Who Among Young American Professionals
- 1992 Recipient of National Institutes of Health FIRST Award Grant, 1992 - 1997
- 1992 Citation Paper, Society of Behavioral Medicine Entitled "Potassium Diet Decreases CV Reactivity in Black Children"
- 1993 Who's Who in American Women
- 1994 Certificate of Recognition for being Panel Discussant on Hypertension Prevention, National Kidney Foundation
- 1997 Recognition of Significant Contribution to Health Psychology (Division 38) as Editor of "Health-Promoting and Health-Compromising Behaviors Among Minority Adolescents"
- 2003 Distinguished Service Award, Society of Behavioral Medicine
- 2000 Fellow Status for Scientific Achievements in the Field of Behavioral Medicine, Society of Behavioral Medicine
- 2001 Fellow Status for Scientific Achievements in the Field of Health Psychology, American Psychological Association, Division 38 (Health Psychology)
- 2002 Citation Paper, Society of Behavioral Medicine Entitled "Gender, Social Support, Daily Hassles and Non-dipping Blood Pressure in African-American Adolescents"
- 2003 Citation Paper, Society of Behavioral Medicine Entitled "Socioeconomic Status and Perceptions of Access and Safety for Physical Activity"
- 2004 Member of the Academy of Behavioral Medicine (Elected)
- 2005 Outstanding Contribution as Editor of Annals of Behavioral Medicine, Society of Behavioral Medicine.
- 2007 Distinguished Service Award, Society of Behavioral Medicine
- 2011 Outstanding Teaching and Mentoring Award, Department of Psychology, University of South Carolina, Columbia, SC
- 2011 Outstanding Mentoring Award, Clinical Community Program, Department of Psychology, University of South Carolina

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 2012 President Elect, Society of Behavioral Medicine
- 2012 Outstanding Mentoring Award, Clinical Community Program,
Department of Psychology, University of South Carolina
- 2013 President, Society of Behavioral Medicine

INVITED SEMINARS AND TALKS

- 1983 Invited Speaker
Psychological Research and Methodology
San Diego Mesa College, San Diego, CA
- 1983 Invited Speaker
Behavior Modification Research and Application
San Diego State University, San Diego, CA
- 1991 Guest Lecturer
Hypertension Prevention (Diet and Exercise)
White Station High School, Memphis, TN
- 1992 Invited Speaker
Dietary Intake and Blood Pressure Reactivity
Department of Physiology
University of Tennessee, Memphis, TN
- 1995 Guest Speaker
Hypertension Prevention
National Kidney Foundation Panel Discussion
Richmond, VA
- 1995 Guest Speaker
Diet and Diabetes Prevention
Swansboro Elementary School, Richmond, VA
- 1997 Invited Speaker
Cholesterol and the Dieting Patient
Blackstone Family Practice
Blackstone, VA
- 1998 Guest Speaker
Behavioral Approaches to Increasing Potassium Intake
Post-Graduate Training Program
Department of Nutrition
Virginia Commonwealth University
Richmond, VA

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- 1998 Guest Speaker
Health Promotion in African-American Adolescent Populations
Frontrunners Conference
Program Director: Dr. Antronette K. Yancey
Richmond City Department of Health
Richmond, VA
- 1999 Invited Speaker
The Role of Potassium on Blood Pressure Regulation
Virginia Heart Institute
Richmond, VA
- 1999 Invited Speaker
Society of Behavioral Medicine
Seminar, Dealing with the Media
Nashville, TN
- 2000 Invited Speaker
National Kidney Foundation Virginia Affiliate
Promoting Healthy Lifestyle Behaviors in Minority Adolescents
Richmond, VA
- 2000 Invited Speaker
Violence Exposure and Ambulatory Blood Pressure
Virginia Heart Institute
Richmond, VA
- 2000 Invited Speaker
American Psychological Association
Division 38, Health Psychology
Seminar, How to Have a Positive Impact on the Media
Washington, DC
- 2004 Faculty, Invited Speaker
International Society of Hypertension In Blacks
Workshop, Adolescents and Risk Factors for Disease & Obesity
and its Impact on Disease
Las Vegas, Nevada
- 2001 Invited Speaker
American Psychological Association
Division 38, Health Psychology
Innovative Theoretical Interventions for Health Promotion in
Children and Adolescents
San Francisco, CA
- 2001 Invited Speaker

- Violence Exposure, Catecholamine Excretion, and BP Non-Dipping Status in African-American Adolescents
Virginia Heart Institute
Richmond, VA
- 2001 Guest Speaker
Promoting Healthy Dietary Lifestyles Changes
Post-Graduate Training Program
Department of Nutrition
Virginia Commonwealth University
Richmond, VA
- 2002 Invited Speaker
Factors Associated with Elevated Nighttime Blood Pressure and Increased Risk for CVD in Youth
University of Pittsburgh
School of Medicine
Mind Body Center
Pittsburgh, PA
- 2003 Invited Speaker
The Use of a Geographic Information System for Improving Environmental Supports for Physical Activity
Academy of Behavioral Medicine Research
Lake Tahoe, California
- 2003 Invited Speaker
Development of a Behavioral Risk Factor Surveillance Survey Module to Assess Community Indicators of Physical Activity
Council of State and Territorial Epidemiologists
Hartford, Connecticut
- 2003 Invited Speaker
Cross Cultural Comparisons of Socioeconomic Status and Environmental Supports for Physical Activity
International Society of Behavioral Nutrition and Physical Activity
Quebec, Canada
- 2004 Invited Speaker
Obesity Prevention in Underserved Adolescents
Pennsylvania Dietetic Association
Philadelphia, PA
- 2006 Keynote Speaker
Motivational Strategies for Promoting Healthy Diet and Physical Activity, “Shrinkdown” program sponsored by the YMCA
Sumter, SC

- 2006
Invited Speaker
Integration of Self-Determination and Social Cognitive Theory for Promoting Physical Activity in Underserved Adolescents
Children's Nutrition Research Center
Baylor College of Medicine
Houston, TX
- 2006
Invited Panel Participant
USC Arnold School of Public Health and the Research Consortium on Children and Families
Symposium on Journal Publication Strategies
- 2008
Invited Speaker
Current Perspectives on Sodium Intake in Children and Long-term Health Consequences
Experimental Biology Conference
San Diego, CA
- 2008
Invited Speaker
An Overview of the Active by Choice Today (ACT) School-based Randomized Trial
University of Miami Medical School
Department of Pediatrics
Miami, FL
- 2008
Invited Speaker
Positive Action for Today's Health (PATH): A Community-based Trial for Improving Safety and Access for Physical Activity
National Institutes of Health
Bethesda, MD
- 2010
Invited Speaker
Community-Based Interventions for Obesity Prevention in Underserved Youth
Arkansas Children's Hospital Research Institute, Arkansas Children's Hospital, University of Arkansas for Medical Sciences
Little Rock, AR
- 2010
Invited Speaker
What's New in the Role of Family and Community in the Challenge of Childhood Obesity
South Carolina Medical Associate Conference
Myrtle Beach, SC
- 2010
Invited Speaker
The Role of Family and Community in Preventing Childhood

- Obesity
South Carolina Medical Alliance Annual Conference
Myrtle Beach, SC
- 2010 Invited Speaker
Community-based Interventions for Obesity Prevention in
Underserved Families
RTI International, Health Social and Economic Research
Research Triangle Park, NC
- 2011 Plenary Speaker
Theoretical and Scientific Advances in Understanding Childhood
Obesity Prevention
Society of Pediatric Psychology
San Antonio, TX
- 2011 Invited Speaker
A Family Systems Approach for Understanding Youth Obesity
Conference on Healthy Eating in Context
Center for Research in Nutrition and Health Disparities
University of South Carolina
Columbia, SC
- 2012 Invited Speaker
Health Promotion Interventions in Underserved Ethnic Minorities
MD Anderson Medical Center
Department of Health Disparities
University of Texas Health Sciences
Houston, TX
- 2012 Invited Speaker
A Family Systems and Positive Parenting Approach for Obesity
Prevention
Children's Nutrition Research Center
Baylor College of Medicine
Houston, TX
- 2012 Invited Speaker
A Systems Approach for Health Promotion in African Americans
Summit on Obesity in African American Women & Girls
American Psychological Association and The Association for
Black Psychologists
The University of the District of Columbia
Washington, DC
- 2012 Invited Speaker

An Ecological Approach to Obesity Prevention
Temple University
Center for Obesity Research and Education
Philadelphia, PA

2013
Invited Speaker
Strategies for Promoting Healthy Lifestyle Changes and Obesity Prevention
American Psychological Association State Leadership Conference
Washington DC

2013
Keynote Speaker
An Ecological Approach to Obesity Prevention in High Risk Populations
South Carolina Psychology Association
Myrtle Beach, SC

2013
Webinar Speaker
Health Promotion Strategies for Reducing Health Disparities
Select Health (National Organization)
Charleston, SC

MAJOR COMMITTEES

1990 - 1991
Member, Recruitment Committee
Division 38, Health Psychology
American Psychological Association
Washington, D.C.

1991 - 1994
Chair, Membership Committee
Division 38, Health Psychology
American Psychological Association
Washington, D.C.

1991
Member, Task Force Committee
Health Behavior Research in Minority Populations:
Access, Design and Implementation
National Institutes of Health -
Heart, Lung and Blood Institute
Bethesda, Maryland

1996 - 1997
Program Chair 1997 Conference
Society of Behavioral Medicine
Rockville, Maryland

1997 – 2000
Chair, Program Oversight Committee
Society of Behavioral Medicine

Dawn K. Wilson, Ph.D.
Curriculum Vitae

Middleton, WI

- 1998 –2003 Chair, Public Information Committee
Division 38, Health Psychology
American Psychological Association
Washington, DC
- 1999 Consultant
Third Symposium on Humane Medicine
Minority Health Institute, Inc. and
Consortium for Southeastern Hypertension Control
Miami Beach, Florida
- 1999 Consultant for the American Psychological Association
National Advisory Board to the MCHB Centers
Of Excellence in Maternal/Child Health
National Institutes of Health
Bethesda, MD
- 2000 Invited Participant
Conference on the Future of Health Psychology
American Psychological Association, Division 38
Pittsburgh, PA
- 2000-2001 Faculty, Conference Planning Committee
International Society of Hypertension in Blacks
Atlanta, Georgia
- 2001-Present Member, Distinguished Experts Panel
Center for the Advancement of Health
Washington, DC
- 2001-2003 Member, Education and Training Committee
Society of Behavioral Medicine
Middleton, WI
- 2001-2004 Editor, Book Series
Division 38, Health Psychology
American Psychological Association
Washington, DC
- 2002-2004 Expert Consultant
Society of Behavioral Medicine
Annual Conference
Washington, DC
- 2002-2004 Member, Steering Committee

Dawn K. Wilson, Ph.D.
Curriculum Vitae

- Centers for Disease Control and Prevention Grant (SIP2-02)
Prevention Research Center
Cancer Prevention and Control
University of South Carolina
Columbia, SC
- 2004-2007 Chair, Publications and Communications Council
Society of Behavioral Medicine
Middleton, WI
- 2004-2006 Consultant
South Carolina Nutrition Research Consortium
Arnold School of Public Health
University of South Carolina
- 2007-Present Co-Director
Research Consortium for Children and Families
University of South Carolina
- 2005-Present Member, Executive Committee
Research Consortium for Children and Families
University of South Carolina
- 2005- Present Member of Steering Committee
Center for Nutrition and Health Disparities
Arnold School of Public Health
University of South Carolina
- 2008- 2011 Consultant
School-based NIH Grant (Delamater: PI)
University of Miami School of Medicine
Department of Pediatrics
Miami, FL
- 2008-2009 Member-at-Large
Division 38, Health Psychology
American Psychological Association
Washington, DC
- 2012-2013 President Elect, Society of Behavioral Medicine
Society of Behavioral Medicine
Middleton, WI

OTHER SIGNIFICANT SCHOLARLY, RESEARCH OR ADMINISTRATIVE EXPERIENCE

RESEARCH EXPERIENCE/TRAINING

- 1982 - 1984 Research Assistant for Robert M. Kaplan, Ph.D.
Project Name: Studies on Behavioral Compliance in Type II
Diabetes Mellitus, and Information Processing in Chronic
Obstructive Pulmonary Disease Patients, Center for Behavioral
Medicine, San Diego State University, San Diego, California
- 1984 - 1985 Research Assistant for Shelly Chaiken, Ph.D.
Project Name: Studies Examining Heuristic versus Systematic
Information Processing Strategies, and the Application of Message
Framing in Persuasive Communication, Vanderbilt University,
Nashville, Tennessee
- 1985 - 1987 Project Director for Kenneth A. Wallston, Ph.D.
Project Name: Studies Applying Message Framing and
Contingency Contracting as Smoking Cessation Interventions for
Cardiovascular Patients, Health Care Research Project, Vanderbilt
University, Nashville, Tennessee
- 1987 - 1989 Co-Investigator with Kenneth A. Wallston, Ph.D., Joan E. King,
Ph.D., and Craig P. Heim, M.D. Project Name: Innovative
Smoking Cessation Interventions Funded by: The National Heart,
Lung and Blood Institute of the National Institutes of Health,
Vanderbilt University, Nashville, Tennessee

CLINICAL EXPERIENCE

- 1980 - 1983 Counselor and Trainer
Crisis Intervention Center
- 1981 - 1982 Group Counselor, Weight Control Center
San Diego State University
San Diego, CA
- 1982 - 1984 Coordinator and Group Counselor
Diet Intervention (Weight Loss)
Center for Behavioral Medicine
San Diego State University
San Diego, CA
- 1986 Contingency Contracting Counselor
Smoking Cessation Intervention
Health Care Research Project
Vanderbilt University

Nashville, TN

- 1990 Group Facilitator and Program Coordinator
Low Sodium/High Potassium Diet
University of Tennessee, Memphis, TN
- 1991 - 1993 Group Facilitator and Program Coordinator
High Potassium Diet
University of Tennessee, Memphis, TN
- 1993 - 1997 Group Facilitator and Program Coordinator
High Potassium Diet
Medical College of Virginia, Richmond, VA
- 1999 - 2001 Group Facilitator and Program Coordinator
Diet and Exercise Interventions-Middle Schools
“Team-Up” Richmond and Medical College of VA
Richmond, VA
- 2001 - 2003 Group Facilitator and Program Coordinator
Student-Centered Intervention for Increasing Physical Activity
Arnold School of Public Health
University of South Carolina and
Middle Schools in Sumter County

Lawman, H.G., Wilson, D.K., Carvalho, N., Laitner, M.H., & Newsom, A. Understanding health promotion in underserved adolescents at high-risk for developing chronic disease. Invited talk for the Institute of African American Research at the University of South Carolina, 2011.

Lawman, H.G., Wilson, D.K., & Van Horn, M.L. Intrinsic Motivation Mediates the Relationship between Peer but not Parent Support and Physical Activity in Underserved Adolescents. Oral presentation at the Annual meeting of the Society for Behavioral Medicine, April, Washington DC, April, 2011.

St. George, S.M., Wilson, D.K., Lawman, H.G., Van Horn, M.L., Zarrett, N. The effects of BMI status and motivation on physical activity in underserved adolescents. Poster session presented at Obesity 2011: The 29th Annual Scientific Meeting of The Obesity Society, Orlando, FL, April, 2011.

St. George, S.M., Wilson, D.K., Lopez, M. Family and peer influences on underserved adolescents' obesity and implications for parent-based interventions. Poster session presented at the Annual Meeting for the Society of Behavioral Medicine, Washington, DC, April, 2011.

Kitzman-Ulrich, H., Wilson, D. K., St. George, S. M., Lawman, H., & Fairchild, A. A Family Systems approach for understanding youth obesity, physical activity, and dietary programs. Poster session presented at the Annual Meeting for the Society of Behavioral Medicine, Washington, DC, April, 2011.

St. George, S.M., Wilson, D.K. A systematic review of parent and peer involvement in physical activity and diet interventions in adolescents. Paper session presented at the 33rd Annual Meeting for the Society of Behavioral Medicine, New Orleans, LA, April, 2012.

Kugler, K.A., Wilson, D.K., Coulon, S.M., Trumpeter, N.N. Sex Differences in Social Resources as Predictors of Walking in African American Adults. Poster presented at the Annual Meeting of the Society for Behavioral Medicine, New Orleans, LA, 2012.

Griffin, S., Kugler, K.A., Wilson, D.K., St. George, S., Trumpeter, N., Coulon, S., Wandersman, A. Partners Perceptions of Capacity factors Influencing Implementation and Sustainability of the Positive Action for Today's Health (PATH) Trail. Poster presented at the Annual Meeting for the Society of Behavioral Medicine, New Orleans, LA, 2012.

Wilson, D.K., Coulon, S., Griffin, S., St. George, S.M., Trumpeter, N.N., Lawman, H., Kugler, K., Wandersman, A., Forthofer, M., Robinson, S. The Use of FORECAST to Develop an Ecological Intervention to Promote Walking in Underserved Communities in the PATH Trial. Oral presentation given at the Active Living Research Annual Conference, San Diego, CA, 2012.

Coulon, S.M., Wilson, D.K., & Egan, B. Associations of Peer Support and Neighborhood Walkability with Physical Activity and Blood Pressure in African American Adults in the PATH Trial. Paper session presented at the annual meeting of the Society of Behavioral Medicine Meeting, New Orleans, LA, April, 2012.

Coulon, S.M., Wilson, D.K., & Siceloff, E.R. Influence of Social-Environmental Supports on Physical Activity and Body Mass Index in Underserved African Americans in the PATH Trial: A Mediation Analysis. Presented at annual meeting of the The Obesity Society, San Antonio, TX, September, 2012.

Trumpeter, N.N., George, M., Lasky, H., Gottung, M., Schiele, B., Weist, M., Wilson, D.K. Project CLIMB: A Cognitive-Behavioral Intervention for Overall Wellness in Adolescence. Presented at the 46th Annual Convention of the Association for Behavioral and Cognitive Therapies in National Harbor, MD, November 15-18, 2012.

Lasky, H., George, M., Trumpeter, N.N., Weist, M., Wilson, D.K., Gottung, M. Project CLIMB: The feasibility and acceptability of an integrated mental health and physical health intervention. Presented at the 17th Annual Conference on Advancing School Mental Health in Salt Lake City, UT, October 27, 2012.

Lawman, H.G., Wilson, D.K. Relations among risk for metabolic syndrome, social ecological factors, nutrition, and physical activity in underserved youth. Submitted for presentation at the 34th Annual meeting of the Society for Behavioral Medicine, San Francisco, CA, 2013.

Trumpeter, N.N., Wilson, D.K. Positive Action for Today's Health (PATH): Sex Differences in Walking and Perceptions of the Physical and Social Environment. Accepted for presentation at the 34th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine in San Francisco, CA, March 20-23, 2013.

Alia, K.A., Wilson, D.K., Van Horn, M.L. Relationships between Self-efficacy, Social Environmental Factors and Physical Activity in Underserved African American Adults. Poster accepted for presentation at the Annual Meeting of the Society for Behavioral Medicine, San Francisco, CA, 2013.

Alia, K.A., Wilson, D.K., Colabianchi, N., Meyers, D., McKenzie, T., Ainsworth, B. Assessing Urban Walking Trails in the PATH Study: Modifying Systematic Observational Protocols for Underserved Environments. Symposium accepted for presentation at the Annual Meeting of the Society for Behavioral Medicine, San Francisco, CA, 2013.

Coulon, S.M., Trumpeter, N.N., Wilson, D.K., St. George, S.M., Alia, K.A., Robinson, S., Griffin, S. An Innovative Social Marketing Strategy to Increase Physical Activity in the PATH Trial: Adapting Technology to Match Community Needs. Symposium accepted for presentation at the Annual Meeting of the Society for Behavioral Medicine, San Francisco, CA, 2013.

Wilson, D.K., Coulon, S.M, Alia, K.A., Resnicow, K. Innovative Community-based Methods for Assessing and Evaluating the Impact of the PATH Trial on Physical Activity and Walking. Symposium accepted for presentation at the Annual Meeting of the Society for Behavioral Medicine, San Francisco, CA., 2013.

St. George, S.M., Wilson, D.K., Schneider, S.M., Alia, K.A. (2013). Parent-adolescent Communication Moderates the Effects of a Family-based Parenting Intervention on Sedentary Behavior in African American Adolescents. Poster accepted for presentation at the Annual Meeting of the Society for Behavioral Medicine, San Francisco, C.A.

McDaniel, T.C., St. George, S.M., Wilson, D.K., Alia, K.A. Process Evaluation of a Family-based Intervention for Improving Physical Activity, Sedentary Behavior, and Diet in African American Adolescents. Poster accepted for presentation at the Annual Meeting of the Society for Behavioral Medicine, San Francisco, CA, 2013.

Siceloff, E.R., Wilson, D. K., Van Horn, M. L. A longitudinal study of the effects of social support on physical activity in underserved adolescents. Accepted for presentation at the annual meeting of The Society for Behavioral Medicine, San Francisco, CA, March, 2013.
