

# Department of Chemistry and Biochemistry

Columbia, SC 29208 P (803) 777-2597 F (803) 777-9521

## CHEM Undergraduate Course Prerequisite Waiver Request Form

---

Instructions: Complete this form electronically, print, sign, get a signature from your advisor and the instructor of record, get a signature from a departmental representative (see below), and return the form to Ms. McGinnis in GSRC 113A1. A printed email of approval from the advisor and/or instructor may be attached in lieu of getting a signature. The email must clearly indicate the course the prerequisite is being requested for, the prerequisite being waived, and the instructor's approval. Attach any supplementary material you wish to submit.

**Student name**

**USC or VIP ID**

**Student Email**
