

# PENSAMIENTOS

*Yo soy la hija predilecta de dios, y hoy va ser el mejor dia de mi vida  
 en la mañana, my mom says this to me  
 and tells me to say it to myself throughout the day  
 para dar gracia a dios  
 to be hopeful and positive  
 to set myself up para un buen día y una buena vida  
 and  
 en la noche, I pray for my mom  
 for her wishes to come true  
 para su paz y felicidad  
 for love and good things to come her way  
 and that tomorrow will be el mejor dia de su vida.*
