

# MAKE A DIFFERENCE. BECOME A TEACHER.

In one academic year by completing the University of South Carolina's Elementary Education Master of Arts in Teaching program.

## UNIQUE FEATURES OF THE M.A.T. PROGRAM

- Be immersed in the work of teaching while completing degree requirements.
- Benefit from embedded field experiences in diverse school settings.
- Learn and practice research-supported teaching approaches under the guidance of world class educators.
- Exposure to assessment driven instruction that focuses on children's needs.
- Take part in effective relationship building with students, families, and colleagues.
- Enhanced salary potential by starting teaching career with a Masters degree.

## ADMISSIONS REQUIREMENTS

- Bachelor's degree from an accredited institution.
- Minimum undergraduate GPA of 2.50 on a 4.00 system.
- Miller Analogies Test scaled score of 385 or a Graduate Record Examination score of 286 (146 verbal and 140 quantitative).
- Praxis Core may be required depending on GRE/ Miller's score.
- Successful interview with Elementary program faculty.
