PART I – APPLYING FOR INITIAL TEACHER CERTIFICATION
Applying for initial certification involves multiple steps outlined over the next several slides.

When applying, you are applying for initial certification (granted after graduation if requirements are met) and you are applying for Student Teaching clearance.

You must receive a cleared status from the SC Department of Education before being permitted to start your final internship.

Deadline to apply for certification is DECEMBER 1\textsuperscript{st}, 2019 if your final internship is FALL 2020

Deadline to apply for certification is APRIL 15\textsuperscript{th}, 2020 if your final internship is SPRING 2021
COMPLETE THE ONLINE APPLICATION

YOU MUST SUBMIT THIS APPLICATION BEFORE DOING ANY OTHER STEP IN THIS PROCESS

• Start by going to the SCDE’s website at www.ed.sc.gov and under the “Educators” tab, select “Apply for Certification”. Then select “Apply for Clearance” under the Student Teaching Clearance box (or just click here). Review the information on this page, click “Application for Student Teaching Approval and Initial Certification” and access the CATS portal. You will need to create an account to do this.

• Once you are logged in, select “Apply”. You must select “Student Teaching” as the type of certification you are applying for. For the student teaching semester, select your final internship semester.

• Because this application is used for a variety of circumstances, some questions on the application may be confusing. Please see the next slide for tips regarding the application.
TIPS FOR COMPLETING THE ONLINE APPLICATION

• Use Google Chrome for the internet browser.

• On the 2nd page of the application, you are asked to select the highest class level of education achieved. Indicate the degree you will earn when you complete your initial certification program (Bachelors or Masters).

• On the same page for endorsements added, select R2S Literacy Teacher or R2S requirement. (Early Childhood, Elementary, and Special Education candidates should select R2S Literacy Teacher and all other programs should select R2S requirement.) Select gifted and talented if you are completing coursework for that endorsement.

• For section 1 – Personal Information, indicate your most permanent address.

• For section 2 – Existing Certificates, select no for all 3 questions.

• For section 3 – Program Details, indicate you are enrolled in a regionally accredited teaching program and indicate “no” for having completed an approved program.

• For section 4 – Tests and Exams, only include Praxis II and PLT exams. In most cases, at the time of applying, candidates have not taken either exam and can skip this section.

• For section 5 – Education History, use your anticipated graduation date in the “attended to” box. (MT students will need to do this for the undergraduate and graduate degree.)

• For section 6 – Work Experience, indicate zero years of teaching experience.

• For section 7 – Background Check, it’s best to put more information than not enough. If you are unsure how to complete this section, contact Lauren Sanborn.

• If you have any questions regarding how to respond to a question on the application, please email Lauren Sanborn at brownlw@mailbox.sc.edu.
APPLICATION FEE

The application fee is $105 and is submitted directly to the SC Department of Education (SCDE). The application fee covers the cost of the application and issuance of your certificate. All payments to the SCDE are non-refundable.

You can pay this online in the CATS system after completing the certification application or you can mail a check directly to the SCDE. If you opt to mail a check, make the check out to the SC Department of Education and mail it to:

**FINGERPRINTING PROCESS FOR SLED AND FBI BACKGROUND CHECKS**

You must complete and submit the online certification application before starting the fingerprinting process.

- The cost for the fingerprinting process is approximately $51.75.
- When you are able to view specific instructions, follow the instructions for South Carolina Residents, even if the university does not consider you to be a SC resident. Only students completing an online program and currently living outside of SC should complete the fingerprinting process for Out-Of-State Residents.
- You must check your SCDE status (see next slide) to ensure the SCDE has received your FBI and SLED background checks within 30 days of completing the fingerprinting process. Failure to do so could result in repeating this process and repaying the fingerprinting fee.
- FBI and SLED background checks are good for 18 months.
CHECKING YOUR SC DEPT. OF EDUCATION STATUS

Approximately 1 week after completing the fingerprinting process, check your SC Department of Education status. Right now, click here to check your status. In the future (date not yet determined), your SCDE status will only be available through the CATS portal.

You should see “Student Teaching Status: Cleared” in red. If you do not, email Lauren Sanborn for next steps. Please include a screen shot of your status.
