2. Approval of Minutes for the meeting on January 27, 2014.
   The minutes were reviewed electronically and approved by the Council. Minutes are on file at The Graduate School website at: http://app.gradschool.sc.edu/gradcouncil/minutes.asp

3. Report of the Chair (Paul Solomon)

   No report.

4. Report of the Dean of The Graduate School (Jessica Elfenbein for Lacy Ford)

   Dr. Lacy Ford will be promoted to Senior Vice Provost and The Graduate School will no longer report to him effective July 1, 2014. Dr. Ford announced the promotion at a meeting with Graduate School staff. He mentioned that Provost Amiridis is pleased with The Graduate School and does not anticipate any change in operations or personnel.
The Graduate School staff is happy about the promotion of Dr. Ford, but also sad to lose the great leadership he has provided. Responsibility for The Graduate School will be assigned to another Vice Provost and Dean of Graduate Studies, and an internal search to fill that position is underway.

Before Dr. Ford moves on to his new position, he would like to address the following issues; ongoing Banner challenges, implement a fee waiver program for applicants who have honorably served their country, strengthen academic partnerships and enhance the partnership between The Graduate School and the Office of Student Affairs.

Additionally, The Graduate School is working on a Doctoral Dashboard to illustrate the number of graduate students in each program, the types of programs doctoral students are enrolled in, and how much debt a graduate student accumulates during matriculation. The plan is to get the dashboard up and beta tested over the course of the next year.

5. Report of the Associate Dean / Secretary of the Graduate Council (Murray Mitchell)

Dr. Mitchell added that Dr. Ford has also discussed the possible merits in establishing professional development and training opportunities for administrative staff and new department chairs.

Additionally, Dr. Mitchell complimented the Graduate School’s front office staff on the ability to address calls that involve issues that students have with other offices (e.g., the Registrar’s office, the Bursars office, or possibly the Office of Financial Aid). The administrative staff has become quite proficient at offering excellent customer service when handling these calls.

6. Report of the Graduate Student Association Representative (Brittany Walter)

The Graduate Student Association’s Townhall Forum will be held on Thursday, February 27 in two sessions. The first session will be from 1:00-2:00 P.M. in the Russell House, room 203. The second session is scheduled from 6:00-7:00 P.M. to accommodate students who are in class during the day time. It will be held at Davis College, room 209. Ms. Walter thanked Dr. Elfenbein for agreeing to attend both sessions of the Townhall Forum.

The Association will host a series of Professionalism Workshops. The first will be a SkillSoft workshop to be held on Tuesday, March 4 at 6:00 P.M. The second is a Sexual Harassment workshop on March 19th, and the third is a Diversity workshop to be held on April 3rd.

Dr. Fritz reported that the Committee is working on a template for the procedures an academic unit will follow to nominate an Associate Membership for non-tenure track faculty.

8. Report of the Committee on 500/600 Level Courses, Distance Education and Special Courses (Murray Mitchell)

Due to snow delays in meetings, these courses will be reported at the next meeting.

16. **Good of the Order**

Dr. Mitchell mentioned the Graduate Council is a body that advises the Dean of the Graduate Studies and asked if there are additional issues that the Council should be considering. While no issues were raised at this meeting, members were encouraged to consider this question for future meetings.

Dr. Elfenbein asked the Committee to consider submitting agenda items for the Annual Graduate Directors Meeting. She mentioned that input from the Council contributes to the success of the event.

Dr. Hilbish commented that it would be good for the Provost to recognize Post-Doctoral students as well as tenure track students. Dr. Elfenbein asked for clarification regarding recognition of Post-Doctoral students currently at USC or recognition of students who have moved on to other institutions. Dr. Hilbish responded that USC tenure track students and Post Docs who are training here might also be recognized by the Provost.

Dr. Elfenbein agreed that it would be good to recognize Post-Doctoral students. She stated that she would present this issue to the Office of the Vice President of Research for consideration, since that office has assumed some responsibility for this important group of students.

Additionally, she stated that there were 78 tenure track placements last year.

Dr. Nancy Brown complimented the Council and Committee Chairs on the efficiency of operation she has witnessed this session. She mentioned that in years past Graduate Council meetings would go on for hours. Dr. Drasgow also gave special mention to the member of each committee and the Committee Chairs for a job well done.
