

Accelerated Bachelor's/Graduate Study Plan Authorization (G-ABGSP)

Guidelines, Application for Admission, and Coursework Authorization Form

- Admission to the Accelerated Bachelor's/Graduate Study Plan allows undergraduate USC students to take up to twelve (12) graduate hours of course work and receive both undergraduate and graduate credit for those 12 hours. The credits can be applied to the student's baccalaureate program and, with graduate program admission and approval, may be applied to a graduate program.
- Admission to the Accelerated Bachelor's/Graduate Study Plan does not require application nor admission to a graduate program, nor does it guarantee admission to a graduate program. A student wishing to be admitted to a graduate program applies to that program through the regular graduate admission process.
- An Accelerated Bachelor's/Graduate Study Plan form (G-ABGSP) must be approved in order for the student to register for graduate course work. The required signatures should be obtained in the order indicated on the form. The form must be processed at the time of registration in order for the Graduate School to properly code the student for enrollment in a graduate course. The form may not be used retroactively for courses already taken and must be submitted prior to the add/drop date.
- Grades earned with Accelerated Plan privilege are used in the calculation of the undergraduate GPA, exclusively. Grades accrued with Accelerated Plan privilege will not be used in the calculation of any future graduate GPA. The credit is added to the undergraduate record, but not the graduate record.
- Eligible undergraduate students must have completed at least 90 hours of undergraduate course work, must have a minimum GPA of 3.4 overall, and have the approval of their undergraduate advisor, the Graduate Director of the relevant graduate program, the Dean of the Graduate School, and the instructor for each course to be taken.
- Undergraduate students participating in the Accelerated Bachelor's/Graduate Study Plan are prohibited from applying for or participating in Senior Privilege.
- Completed forms should be submitted to the Dean of the Graduate School for approval prior to the end of the "change/drop" period for the term requested. Forms can be sent through campus mail or brought to the Graduate School Office, Close-Hipp Building, Suite 552.
