Who should attend: DSS foster care case managers and supervisors, CASA staff and volunteers, state GAL staff and volunteers

Overview: This training will provide techniques and strategies for improving communication and collaboration between guardians and DSS case managers. Topics will include: effective communication utilizing “the seven C’s of communication,” active listening, and five principles of collaboration. The training will also provide an overview of the roles and responsibilities of both the DSS case manager and the guardian, and how their similarities and differences impact the child and family in child abuse and neglect cases.

This training will be offered on a virtual platform. The link will be sent following registration, a few days prior to the training.

Date: August 6, 2021

Time: 9:00 am - 12:00 pm

Fee: There is no charge for this training.

Continuing Education Credits: This training is approved for 2.5 continuing education training hours.
