Graduation Requirements

I. Total Credit Hours

Students must complete at least 90 credit-hours with either a grade of “D” or better or an “S”. Notwithstanding the foregoing, students must earn a grade of “C” or better in Professional Responsibility or Problems in Professional Responsibility. Students must also earn a grade of “C”, or “S” if taken pass/fail, in a course that satisfies the writing requirement and a course that satisfies the experiential requirement.

II. Residency Requirement

Students must register for a minimum of 12 credit-hours per semester of law school work (including non-law school courses accepted for law school credit) to satisfy the residency requirement. To graduate, students must complete 6 semesters of law school residence, 4 of which must be completed at the University of South Carolina School of Law. Note that merely satisfying the 12 credit-hour residency requirement in each semester of a student's second and third years will not satisfy the 90 total credit-hours required for graduation. Note further that by attending two summer sessions and registering for a minimum of 6 credit-hours each session, a student can obtain one semester of residency. Although credit-hours earned during Maymester can be included in determining the minimum 6 credit-hours per summer session requirement, to receive residency credit a student must complete at least one course during both regular 7-week summer sessions.

III. Required Upper-Level Courses

Students must successfully complete the following upper-level courses:

- **Problems in Professional Responsibility** (3 credit-hours) or **Professional Responsibility** (2 credit-hours) with a grade of “C” or better
- **A Perspective Course**
- **A Writing Requirement** with a grade of “C” or better, or “S” if taken pass/fail
- **Six (6) credit hours of Experiential Courses** with a grade of “C” or better, or “S” if taken pass/fail

IV. Perspective Requirement

During the academic year, the Law School will offer the following Perspective Courses:

Fall 2021 Semester

- American Legal History
- Bioethics Seminar
- Children and the Courts
- Coastal Law
- Comparative Law
- Data Privacy
- Federal Indian Law
- International Environmental Law
- International Trade Law
- Transnational Law
- Transportation Law

Spring 2022 Semester (Tentative)

- Climate Change Seminar
- Constitutional Issues in Public Education
- English Legal History
- Gender Based Violence
- Juvenile Justice Seminar
- Law and Economics
- Parents, Children and the State
- Seminar on Restorative and Transformative Justice
- Technology Law: Law of the Newly Possible
- The Constitution and National Security

V. The Writing Requirement

To satisfy the writing requirement, a student must complete a substantial legal research project that meets the criteria in subparagraph (A) or satisfies the requirements of a proposal approved by the Curriculum Committee under subparagraph (B).

(A) To satisfy the writing requirement a paper must:

- (1) Be in the form of a law review article, brief, or memorandum of law.
- (2) Be prepared under the supervision of a member of the faculty. The supervision requirement must be satisfied by:
 - a) taking a course with not more than 20 students in which students are required to write a paper complying with the writing requirement (identified in the registration materials as a "Writing Seminar"; or
 - b) through independent research supervised by a faculty member. No faculty member shall supervise more than five such papers in any given semester.
- (3) Be submitted in final written form of approximately 30 to 50 pages in length, after the submission of an outline and draft that have been critiqued by the professor.
- (4) If written for a letter grade, receive a grade of at least a "C". If written under a pass/fail election, receive a grade of "S". Note that under a pass/fail election a student must earn a grade of "C" or higher to receive an "S".

(B) The Curriculum Committee is authorized to approve on a case-by-case basis other Faculty proposals for satisfying the writing requirement, such as a series of shorter memoranda, problems, or drafting exercises. The Committee will approve only those proposals involving as much legal writing, in an appropriate form, as the traditional 30-50 page paper.

Deadline for completion of writing requirement. Unless the paper is written in a Writing Seminar that a student takes in his/her final semester, May graduates must submit their papers in final form by January 15, and December graduates must submit their papers in final form by September 1. Graduates may not satisfy the writing requirement with Supervised Legal Research in their last semester.

The following Writing Seminars and courses approved for satisfaction of the writing requirement will be offered in the academic year. Courses marked with an asterisk (*) may satisfy the writing requirement with permission of the instructor.

Note that even if a student earns a grade of “C” or better in a Writing Seminar or a course approved by the Curriculum Committee, the professor may refuse to certify that the student’s paper has satisfied the Writing Requirement if the paper is deficient.

Note that a student may satisfy the Writing Requirement by submitting a brief prepared for a moot court competition only if the student’s individual work product is at least 30 pages in length and a supervising professor has reviewed a preliminary and a final draft.

Each law student must successfully complete at least six (6) credit hours of Experiential Courses, with a grade of “C” or better or a grade of “S” in a pass/fail course, in order to graduate. The Registration Process

I. Dates and Times for SSC Registration

Except for the Client-Contact Clinics, Externships courses listed with a permission of instructor notation, Supervised Legal Research, Mock Trial and Moot Court Competitions, Capstone Courses and Editorial Positions, registration will be via Self Service Carolina (SSC). See Section IV for the procedures to register for Client-Contact Clinics. See Section VII for the procedures for registering for Supervised Legal Research, Moot Court and Mock Trial Competitions, and Editorial Positions.

Rising third-year students will register on Tuesday, March 30, at 1: 20p.m. Rising second-year students will register on Thursday, April 1, 2020, at 1:20p.m. To register using SSC, you will need (1) your VIP identification number and password and (2) the course reference numbers (CRN) for the courses in which you wish to register. The CRNs for Law School courses are set forth in the Alphabetical Listing of Courses.

II. Progression-Entry Courses and Block Pre-registration

There is one required upper-level course, which must be completed prior to graduation: Problems in Professional Responsibility. There are five other courses that are designated as Progression-Entry Courses. These courses are Business Associations; Criminal Procedure; Evidence; Income Tax; and Wills, Trusts & Estates. Each of these courses is a prerequisite for other courses in their subject areas and must be taken in the second year if you wish to take certain other courses in the subject progression during your third year.

Problems in Professional Responsibility is the only Progression-Entry Course required for graduation.

For all these courses, rising 2L students will be given registration priority over rising 3Ls. Rising 3Ls will not be permitted to register for these courses until **1:40p.m. on April 1**, subject to space being available in the course.

Block Pre-registration

Block pre-registration is being used in the 2021-2022 academic year for the one course (Problems in Professional Responsibility) required for graduation. Block pre-registration is designed simply to ensure that every rising 2L student has an opportunity to take the required course. Under the block pre-registration system, the rising 2L class has been divided into three blocks. Students in each block will be pre-registered for a specified section of Problems in Professional Responsibility. A student may elect during registration to drop Problems in Professional Responsibility which the student was assigned and may enroll in another section if space is available. Students who elect not to take the required course at the blocked time should keep in mind that they will be permitted to register for the course as a 3L only if space permits after 2L registration.

Progression-Entry Course

The five Progression-Entry Courses – Business Associations; Criminal Procedure; Evidence; Income Tax; and Wills, Trusts & Estates – are not subject to block registration. Rising 2Ls, however, do retain registration priority. Rising 3Ls may not register for these courses until **1:40p.m. on April 1**, after rising 2L students have had an opportunity to register. Sections of each of the other courses will be offered in both the Fall 2021 and Spring 2022 semesters. Note that all sections of Problems in Professional Responsibility are being offered in Fall 2021.

There is a risk, if too many students wait to take a particular course in the Spring 2022 semester, that there will not be enough seats available in that semester for all rising 2Ls who wish to enroll. Therefore, a student needing to take such a course as a 2L may wish to enroll for the course in the Fall 2021 semester.

III. Third-Year Students: Registration for Progression-Entry or Block Registration Courses Prohibited Until After Second-Year Registration

A rising third-year student may not register for a Progression-Entry or Block Registration course prior to open admission at **1:40p.m. on April 1.**

IV. Registration for Client-Contact Clinics: Lottery

Registration for Carolina Health Advocacy Medicolegal Partnership Clinic, Criminal Practice Clinic, Domestic Violence Clinic, Education Rights Clinic, Environmental Law, Juvenile Justice Clinic, Nonprofit Organization Clinic, and Veterans Clinic will be through the Lottery for Client-Contact Clinics.

Note that the March 2021 Lottery is for both Fall 2021 and Spring 2022 courses. If you wish to take a client-contact clinic in either the Fall 2021 or Spring 2022 semester, you must submit your choices via the link on the law registrar's website or the link sent by email. The deadline to submit your choices is by 11am, Monday, March 22. Results of the Lottery will be emailed by the close of business day, Tuesday, March 23.

Students who were not enrolled into a clinic will receive an email with a link to an online waitlist form for all clinics. Students will be able to add themselves to any clinic's wait list. The waitlist link will be open the day after the registration closes and will be first come/first serve; however, 3Ls will receive preference over 2Ls. The waitlist link will be shared with students who participated in the lottery before it is distributed to the general student population. Students who are selected for a clinic from the waitlist will be notified via email and will have **24 hours** to accept their spot. If the clinic does not hear from the student within 24 hours, the spot will be offered to the next student on the waitlist. Students who are offered enrollment from the wait list and decline or are non-responsive will be removed from that clinic's wait lists. Please think carefully about which clinics you wish to sign up and be prepared to accept enrollment if offered.

Enrollment is limited to third-year students and second year students in their second semester who have met the eligibility requirements. December graduates are eligible in the spring semester of their second year. In order to take a client-contact clinic, a student must be in academic good standing at the beginning of the semester in which the clinic is offered and have completed a professional responsibility course.

Note that a student may not enroll in more than one Client-Contact Clinic for the entire academic year.

Note that a student selected for a Client-Contact Clinic may not enroll in Interviewing, Counseling and Negotiation in same semester or future semesters, an externship during that same semester, or a Capstone Course during the same semester. Students who were enrolled in a clinic in the fall semester may enroll in a Capstone with special permission from the Associate Dean for Academic Affairs. Students who have taken Interviewing, Counseling and Negotiations may enroll in a Client Contact Clinic provided they are not in the same semester.

Note - A mandatory class meeting for all Fall 2021 client-contact clinics students will be held during the first week of classes.

Once you have been assigned a clinic, you must notify the clinic professor if you choose to drop it. If you are considering dropping a clinic, we highly encourage you to get in touch with the clinical professor as soon as possible. This will allow for faster movement off the waitlist and help with general clinic administration.

* CHAMPS Clinic - An enrolled student must start participating in the security clearances in October of each year or they will be removed from this Clinic.

V. Registration for Capstone Courses: Lottery

Registration for Civil Litigation Capstone, Federal Criminal Practice Capstone, Real Estate Transactions Capstone, and Small Business Organization Capstone is through a lottery. It will take place after the results for the clinic lottery have been emailed.

If you wish to enroll in a Capstone course for the Spring 2022 semester, you must submit your choices via the link on the law registrar's website or the link sent by email. The deadline to submit your choices is by 2pm, Friday, March 26. Results of the Capstone lottery will be emailed by the close of business day, Monday, March 29.

Note that there will be no waiting lists for the Capstone Lottery courses. However, in the event that there are seats available in the Capstone courses, students who participated in the lottery will have priority.

Note that a student who is enrolled in a client-contact clinic will not be eligible to participate in the capstone lottery.

Note that a student may not enroll in more than one Capstone Course.

Note that a student selected for a Capstone Course may not enroll in Interviewing, Counseling and Negotiation during that same semester, an externship during that same semester, or a Client-Contact Clinic in the same semester. Students who were enrolled in a clinic in the fall semester may enroll in a Capstone with special permission from the Associate Dean for Academic Affairs if there are seats available.

Enrollment is limited to third-year students. December graduates are eligible in the spring semester of their second year.

VI. Reading Groups

Reading Groups are intended to facilitate an intellectually rich academic experience through informal, in-depth discussions between faculty and students. Each Reading Group will be convened to explore a legal topic or theme through the study of appropriate readings, films, and other materials. Reading groups are intended to foster deeper conversations about legal issues than traditional classes permit, especially including conversations regarding sensitive or controversial legal issues between diverse groups of students.

Reading Groups are one credit hour, yearlong courses that must meet for no less than 13 hours over the course of one academic year. Students will earn credit in the semester in which they successfully complete a Reading Group. Meetings will be scheduled by the convening faculty member and may be located at the law school or another professionally appropriate venue. Reading Groups are graded on a Pass/Fail basis. Students will be assessed on the basis of their attendance, participation, and completion of written work that totals a minimum of five (5) pages. The Attendance Policy applies to Reading Group meetings. Students are only allowed to participate in one reading group per academic year.

Enrollment is limited to 8 students (4 rising 3Ls and 4 rising 2Ls) and no hardship petitions will be granted.

Reading Groups for 2021-2022:

- In-House Counsel Practice (Mr. Charles Durant)
- Litigating the Supreme Court (Mr. Burden Walker)

VII. Application Only Courses

An application is required to be considered for enrollment in Coastal Law Field Lab, Externships and Fourth Circuit Practice

Coastal Law Field Lab:

-more information provided in October 2021

Externships:

Students participating in the externships will be placed with lawyers/judges outside of the Law School and should be able to spend 8-10 hours per week at the location of their placement. Participating students must also attend a regular classroom component of the program. **Students are limited to 2 externships.** Contact Stephanie Nye for information. There are additional externships offered in the spring semester, please check the tentative spring schedule.

Note that only rising 3Ls may participate in fall 2021 externships.

Fourth Circuit Practice:

-more information provided in October 2021

VIII. Hardship Petitions

Students who are not able to register for a course because it is closed may petition after **3:00 pm on Thursday, April 1**, for admission to the course because of hardship. Students seeking a hardship admission must submit a written petition to the Law School Registrar office to be reviewed by the Associate Dean for Academic Affairs. The petition must show a reason why the student would like to be admitted to the course in the Fall 2020 semester. Forms for the submission of hardship petitions are available in the office of the Law School Registrar and online at the Law School Registrar's website, under forms, <http://www.law.sc.edu/registrar/forms.shtml>. Hardship petitions will usually be denied in the following situations: (a) a second-year student seeks to register for a section of a Second-Year-Progression Course other than the section for which the student has been preregistered; (b) the student seeks a different time or professor; (c) the student still has the opportunity to take the course in a future semester; or (d) the course has a limited enrollment for pedagogical reasons or because of classroom seating limits. Note that with the exception of clinics, we are often able to grant student hardship petitions that do not fall within these four situations. Students are encouraged to submit hardship petitions as early as possible. The Associate Dean will begin considering and granting hardship petitions during **the week of April 5th**. Notice of the Associate Dean's decision will be e-mailed to the student. Students will have 72 hours to adjust their schedule if needed to be enrolled in the approved course. Failure to comply within the 72 hours will result in the loss of opportunity.

IX. Drop/Add

Students may drop/add courses by SSC any time after the registration period **until Wednesday, August 25 (subject to course meeting the entire semester)**. After that date students may change their schedules only with permission of the Associate Dean for Academic Affairs.

X. Non-course Work: Supervised Legal Research, Moot Court and Mock Trials, and Editorial Positions

A. Supervised Legal Research

Normally, Supervised Legal Research is awarded one or two credit-hours, depending upon the extent of the writing project.

To register for Supervised Legal Research students must:

- (1) Obtain a supervised legal research form from the Office the Law School Registrar, suite 128.
- (2) Contact a faculty member in your area of interest, agree on a topic, and have the faculty member sign the form.
- (3) Leave the form with the Law Registrar, who will forward it to Associate Dean Nelson for approval. If approved, the Registrar's office will register you in this course. **You cannot register by SSC.**

B. Moot Court & Mock Trial Competitions

To register for credit as a participant on one of the Law School's Moot Court or Mock Trial competition teams, students must:

- (1) Obtain a form for supervised extracurricular competition from the Law Registrar's Office, suite 128. Students may receive credit for moot court or mock trial work only if their work is reflected in a written product and meets the criteria set out by each organization.
- (2) Have the form signed by the faculty advisor for the competition and return the form to the Law Registrar's office. **You cannot register for supervised extracurricular competition by SSC.**

NOTE: A student can receive degree credit only once for participating in an extracurricular competition or law review.

C. Editorial Positions

Students registering for Editorial Positions on the *South Carolina Law Review*, the *Real Property, Trust and Estate Law Journal*, the *Journal of Law and Education*, or the *Journal of International Law and Business* must complete the form available in the Registrar's Office. **Credit for Editorial Positions is normally awarded in the second semester of a student's third year.**

XI. Examination Date Conflicts; Overlapping Course Times

Courses that meet at the same time are given the same examination date to prevent examination conflicts. Because the number of scheduling blocks exceeds the number of examination dates, it is possible that you may want to register for two courses that have the same examination date. Inform the Associate Dean for Academic Affairs at the beginning of the semester if you have such a conflict. We will arrange for an alternative examination date for one of the courses. **However, Law School Rules preclude the Associate Dean from postponing an examination on the grounds that a student has several examinations in sequence.** See [Law Student Handbook](#). The Handbook is available online at www.law.sc.edu/registrar/downloads/handbook.pdf.

A student may not enroll in courses that have any overlap in meeting times. It is your responsibility to ensure that meeting times do not overlap. A student who registers for courses in violation of this rule may be dropped from one or both of the courses.

XII. Audits, Pass/Fail Credit, Non-Law Courses

A student wishing to audit a course may only do so with approval of the Associate Dean for Academic Affairs, if there is room in the course after all students taking the course for credit have enrolled, and subject to the following

conditions. The course does not count toward the graduation or semester residency requirement and the student must pay additional tuition if the total credit-hours taken in the semester, including the audited course, exceeds 16 hours; and the student may not later take the course for credit. The deadline to register for a course as an audit is the end of drop/add.

In addition to Introduction to the Legal Profession, a student may take a maximum of six credit hours during the upper-level years of their law school career on a pass/fail basis. However, pass/fail credit is available only in those courses offered exclusively on a pass/fail basis or, with the instructor's consent, in Supervised Legal Research. A student wishing to take Supervised Legal Research on a pass/fail basis must obtain the instructor's consent on a form obtained from the Law Registrar. A paper generally cannot be changed from pass/fail to a letter grade, or vice versa, after the end of the University period for changing a pass/fail election, which is usually 3 weeks after the end of drop/add.

During their law school career, second and third-year students may take a maximum of two courses offered in other departments of the University for up to six hours of law school credit, with the prior permission of the Associate Dean for Academic Affairs. Only graduate (500-level and above) courses are acceptable. If a student enrolls in a course offered by another department, not for law school credit, the hours earned will not count towards the 12 credit-hours required for residency.

NOTE: See the Law School's Web page at <http://www.law.sc.edu/registrar/> for course descriptions and advisement materials on the upper-level curriculum.

XIII. Variable Credit Courses

Some courses are designed as variable credit courses. Typically, a student may elect to take the course for 2 credit-hours or complete a more substantial writing assignment for 3 credit-hours. It is the responsibility of students to make certain that they have registered properly for the desired number of hours before the deadline for doing so. The number of credit hours will not be changed up or down after the end of the drop/add period.
