MAGNIFY | Match Day 2022
On Friday, March 18 in the heart of downtown Columbia, we celebrated Match Day with the MD Class of 2022, surrounded by their friends and family. After two years of limited gatherings caused by the pandemic, this event was celebrated like never before!

Traditionally an event solely planned by the Office of Student Affairs, the Alumni Office recognized the need to enhance the excitement and elevate the experience of Match Day based on the trends from other medical schools. As a collaborative effort, both offices pitched and landed a $15,000 presenting sponsorship from Resource Financial Services, a local mortgage lender licensed in 12 states, who will provide support to our students navigating the home buying process in their new cities.
The event consisted of brunch and mimosas, a key and lockbox puzzle and reveal, appearances from Cocky and the Carolina Girls, a giant countdown clock, and ended with a group confetti pop that left parts of Main Street sprinkled in biodegradable color. Please click on the main graphic at the top to watch highlights from the day that the MD Class of 2022 will never forget.
