COVID-19 Updates

- The university has updated its Return to Campus Plan to help keep our community safe. Please review the plan. More...more
- President Carolina also announced additional protocols to help mitigate COVID-19 in the coming fall. This provides more direction from researchers in determining theories and other public health leaders toward social distancing requirements for students, faculty, staff, and visitors on campus. More...more
- The university will require vaccinations among students to help prevent the spread of COVID-19. More...more

School of Medicine awarded 'Doing the Most Good' Award

As part of National Salvation Army Week, representatives from The Salvation Army of the Midlands presented their "Doing the Most Good" award to the UofSC School of Medicine. The award recognizes the School of Medicine for volunteerism in the community. Students are playing a crucial role in helping to feed the homeless and provide basic needs when many volunteers are not available. Since April, students have served meals to the homeless community at Transitions Inc. in Columbia, South Carolina. More...more
