

COMMITTEES

Student Affairs Committee

The Student Affairs Committee is responsible for oversight of the services, programs and resources provided to each student to support his/her personal and professional development throughout their medical education. The committee also provides oversight and support for medical student organizations, extracurricular and community involvement, social events and ceremonies.

This committee consists of four elected faculty each serving a three-year term. The Faculty Representation Committee (FRC) has oversight of the faculty election process. Each class elects two student members to serve four year terms, with a single vote allotted for each class. This committee is supported by the Office of Student Affairs, and the Associate Dean for Student Affairs and Admissions serves ex officio (voting).
