**Scope**
University of South Carolina (USC) School of Medicine Greenville students

**Policy Statement**
All USC School of Medicine Greenville students are required to have health insurance throughout the duration of their education.

**Reason for Policy**
Student health and wellness as well as access to affordable healthcare.

**Procedures**
All students are required to maintain active health insurance throughout their enrollment at the USC School of Medicine Greenville.

Student health insurance is automatically added to each semester’s tuition bill. Students who have an equivalent/alternate health insurance plan may waive the university student insurance and its associated fee by submitting a fee waiver request and documenting proof of adequate medical insurance. Students must opt out of the student insurance each semester or it will be automatically billed to their tuition.

More information about the benefits and cost of the university’s student health insurance policy as well as information on how to waive the University sponsored plan is available on the USC [Student Health Services website](#).
