

Table: Summary of Student Teaching Evaluation Ratings

| Semester: | Year: | Course Number: | Title: | Information for the question: "Overall Instructor Performance" | | | | | |
|-----------|-------|----------------|--------|--|-------------------------------------|------------------------------|---|---|--|
| | | | | | | | For the same or comparable courses in the unit: | | |
| | | | | Number of Students Responding: | Total Number of Students in Course: | Instructor's Average Rating: | Number of Comparable Courses Used: | Average of the Average Ratings from the Comparable Courses: | Standard Deviation of the Average Ratings from the Comparable Courses: |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |

It is important for the unit to provide sufficient information in the primary file to enable reviewers outside the unit to perform fair and effective review of the candidate's teaching. If sufficient information or summary is not given, those reviewers may request additional information or remand the file to the unit.
