MACC **ACCELERATED** PROGRAM

Schedule Planning Worksheets & Instructions

The Accelerated program allows you to “double count” up to four classes for undergraduate and graduate credit. This allows you to save time and money while completing your undergraduate and graduate accounting degrees.

Use the following schedule planning worksheets to map your undergraduate and MACC degree paths. Three different worksheets are provided:

- 4-Year Combined MACC and Undergraduate Degree
- Traditional 5-Year Combined MACC and Undergraduate Degree
- Create Your Own Path

We recommend you start by mapping out your undergraduate degree classes before beginning to incorporate Accelerated and MACC classes into your plan. You may need to consult with your undergraduate advisor when doing this, and you can view a copy of the current accounting degree requirements by visiting the [University Academic Bulletin \(bulletin.sc.edu\)](http://bulletin.sc.edu).

Please consider these important reminders when completing your worksheet:

- You are **eligible to apply for the MACC program** once you meet the Accelerated GPA requirements and have completed 90 total hours and at least 3 400-level ACCT courses.
- **Defer taking ANY 500-level courses** until after you are admitted into the MACC program since you can potentially “double-count” these courses towards your MACC degree.
- You may **take up to 4 courses for graduate credit** as an undergraduate student via Accelerated. These courses must be at least 500-level courses. You are not limited to just ACCT courses in Accelerated.
- Your undergraduate **ACCT major requires you to take two 500-level ACCT electives**. All ACCT majors should plan on taking these as Accelerated courses to count towards their MACC degree.
- All undergraduate ACCT majors are encouraged to schedule your courses so that you have the option of completing a **winter internship during your senior year**. The winter internship requires you to only have your two 500-level ACCT courses and MGMT 478 remaining in your final spring semester. If you choose to not do a winter internship, you can take additional Accelerated courses.

We're here for questions:

4-Year Combined MACC and Undergraduate Degree

Use the following planning schedule to map out your combined undergraduate and MACC degrees in four years. Here are some important notes to consider:

- **Defer taking ANY 500-level courses** until after you are admitted into the MACC program since you can potentially "double-count" these courses towards your MACC degree.
- The 4-year combined plan requires that you **complete your undergraduate degree requirements in 3.5 years** and incorporate one or two (two is preferred) MACC core classes into your last undergraduate semester.
- If you want to complete the **MACC TAX track**, you need to take two required TAX classes during your last undergraduate fall term to complete your MACC and undergraduate degree in four years.
- Summer classes are also available for most, but not all, ACCT course options.

	Fall	Spring	Summer
Year 1		ACCT 225	
Year 2	ACCT 226	ACCT 401	
		ACCT 402	
Year 3	ACCT 40_	Apply to MACC Program	
	ACCT 40_	ACCT 40_	
		ACCT 40_	
Year 4	ACCT 50_ (Accelerated)	Begin MACC Program	MACC Elective
	ACCT 50_ (Accelerated)	MACC Core	MACC Elective
	MACC Core (Accelerated)	MACC Core	
	MACC Core (Accelerated)	MACC Elective	
	Complete Undergraduate Degree		Complete MACC Degree

Traditional 5-Year Combined MACC and Undergraduate Degree

Use the following planning schedule to map out your combined undergraduate and MACC degrees. Here are some important notes to consider:

- **Defer taking ANY 500-level courses** until after you are admitted into the MACC program since you can potentially "double-count" these courses towards your MACC degree.
- All undergraduate ACCT majors are encouraged to schedule your courses so that you have the option of completing a **winter internship during your senior year**. The winter internship requires you to only have your two 500-level ACCT courses and MGMT 478 remaining in your final spring semester. If you choose to not do a winter internship, you can take additional Accelerated courses.

	Fall	Spring	Summer
Year 1		ACCT 225	
Year 2	ACCT 226	ACCT 401	
Year 3		Apply to MACC Program	
	ACCT 40_	ACCT 40_	
	ACCT 40_	ACCT 40_	
Year 4	ACCT 40_	Winter Internship	
		ACCT 501 (Accelerated)	
		ACCT 502 (Accelerated)	
		MGMT 478	
		Complete Undergraduate Degree	
Year 5	Begin MACC Program		
	MACC Core	MACC Core	
	MACC Core	MACC Core	
	MACC Elective	MACC Core	
	MACC Elective	MACC Elective	
	Complete MACC Degree		

Create Your Own Path

There are a lot of variables that can impact your schedule: winter internships, study abroad semesters, and alternate sequencing of ACCT classes to name a few. Use this blank planning schedule to map out your combined undergraduate and MACC degrees based on whatever unique path you take through your undergraduate degree. A couple of important notes to consider when completing this worksheet:

- **Defer taking ANY 500-level courses** until after you are admitted into the MACC program since you can potentially “double-count” these courses towards your MACC degree.
- All undergraduate ACCT majors are encouraged to schedule your courses so that you have the option of completing a **winter internship during your senior year**. The winter internship requires you to only have your two 500-level ACCT courses and MGMT 478 remaining in your final spring semester. If you choose to not do a winter internship, you can take additional Accelerated courses.
