HOW MUCH DOES IT COST?

Each course has three main expenses*:

1. TUITION FOR THREE CREDIT HOURS: All courses earn academic credit. Tuition for May courses is calculated at the resident (in-state) rate regardless of residency status. To use existing scholarships/financial aid toward summer tuition support, students must be enrolled in at least six credit hours.

TUITION FOR SPRING TERM — BREAK COURSES:
Tuition for March courses will be included in the spring semester tuition bill. Residency rate is unchanged in the spring term. Enrollment in more than 16 credit hours will be subject to additional tuition charges.

2. INTERNATIONAL ROUND-TRIP AIRFARE:
Clear guidelines on when to purchase airfare will be provided after securing enrollment. Pre- and post-course travel is allowed using airlines and airports of choice. Students are required to arrive on time for the start of the course and remain with the group for the entirety of the course.

3. GLOBAL CLASSROOM FEE: This fee varies by course but covers hotel accommodations, in-country transportation, tours, guides, admissions and most meals during the in-country dates of the course.

*Total course expenses are broken down on the deposit/withdrawal agreement form (does not include personal expenses). Please review it carefully and ask any questions before signing and submitting this binding contract.

WHO QUALIFIES?

All students must have:

• At least a 3.0 GPA
• At least 30 completed credit hours prior to departure
• Successfully completed any course pre-requisites
• A clean academic/judicial record with the university

NEXT STEPS

Secure your space!

All courses will be enrolled on a first-come, first-served basis, and maximum enrollment is no more than 20 for each course. Many of our courses fill quickly, so secure your space early! Students will need to submit three items to secure enrollment:

1. Complete the Online Moore School Study Abroad Application: your academic advisor must approve participation to ensure eligibility for your selected course(s) and discuss use of credits. This application requires your unofficial transcript, see instructions for further details.

2. The Deposit/Withdrawal Agreement: this form is course specific and breaks down the costs, payment deadlines and withdrawal policies. Once signed and submitted, this is a binding contract.

3. Global Classroom Payment One of Three: this $350 deposit is non-refundable and is deducted from the total global classroom fee.
CUBA: ECONOMICS AND CULTURE

Changes in economic, political and cultural environments pose challenges and opportunities to businesses in Cuba. Analyze the precarious position of the country as it transitions to a market-based economy, and discuss cost-benefit analysis as trade fluctuates between Cuba and the U.S. This accelerated course culminates after Spring Break when students apply knowledge learned during the first half of the semester while traveling in Cuba.
