

COVID-19 Requirements

Greetings Program Coordinators,

All students who are rotating at any RSFH facility are required to be fully vaccinated against COVID-19 or have an exemption from the vaccination.

A student may submit an exemption for the following reasons:

a) Medical Exemption: A medical exemption may be granted to accommodate disabilities and for medical criteria consistent with those published by public health authorities and/or the Centers for Disease Control (CDC).

b) Religious Exemption: a religious exemption may be granted to accommodate an individuals sincerely held religious belief, practice, or observance. Social, political, and economic philosophies, and mere personal preferences, do not constitute religious beliefs.

All students who qualify for a medical or religious exemption will wear a mask as dictated by RSFH policy and procedures.

Failure to comply with RSFH COVID-19 policy and procedures will result in removal from clinical rotations.

Attached are both exemption forms.

Thank you for your time and patience.

If you have any questions, please contact me at student.development@rsfh.com

Respectfully,

Brande Guillory
