PHARMACISTS NEEDED - VACCINATE THE UPSTATE

All’s Well Health Care Services and DHEC are looking for licensed pharmacists who would like to help administer COVID-19 vaccines at community events in upstate South Carolina. The volunteers will need to have a valid license, an up-to-date TB shot and be willing to work in various locations around the community.

The events begin in March and you will be compensated for your time. For more details or to sign up, please contact Kevann Moritz at 803-397-6547 or kmoritz@allswell.com.
