Tandem Health-USC COP PGY1 Residency Program
Instructions for Phase II of the Match

Why should you choose this program? We are a PGY1 residency with an ambulatory care focus. Residents train alongside a family medicine medical residency in an underserved patient population. The College of Pharmacy provides support and resources for the resident. Residents are autonomous ambulatory care pharmacists after 1 year of training.

What is the Phase II timeline?
- March 18: We will begin accepting applications through PhORCAS
- March 21-April 1 (as needed): Virtual interviews will be conducted
- *Applications will be reviewed after March 21, but we encourage early submissions*
- April 3: Rank order lists are due
- April 10: Phase II Match Day
- Full Phase II timeline linked here: [https://natmatch.com/ashprmp/schedule.html](https://natmatch.com/ashprmp/schedule.html)

What is required on the application?
- No special requirements beyond the basic PhORCAS requirements
- CV, transcripts, letter of intent, 3 letters of recommendation (LOR)
- PhORCAS application: [https://natmatch.com/ashprmp/applicants/index.html](https://natmatch.com/ashprmp/applicants/index.html)
- *Please go ahead and submit even if all LORs are not finalized to not delay interviews*

What is to be expected of the virtual interview?
- Approximately 2 hours via Zoom
- An interview with program director and coordinator
- An interview with select preceptors
- A virtual tour and meet & greet with the current resident
