

**ANDREW T. KACZYNSKI, PhD**  
**Department of Health Promotion, Education, and Behavior**  
**Arnold School of Public Health, University of South Carolina**  
**915 Greene Street – Room 529, Columbia, SC 29201**  
**atkaczyn@mailbox.sc.edu · (803) 777-7063**

---

*Academic Appointments*

- 2012-present            University of South Carolina, Arnold School of Public Health  
Associate Professor (2017-present), Assistant Professor (2012-2017), Department of  
Health Promotion, Education, and Behavior  
Co-Investigator, Centers for Disease Control Prevention Research Center  
Director, Built Environment and Community Health (BEACH) Laboratory
- 2008-2011            Kansas State University, College of Arts and Sciences  
Assistant Professor, Department of Kinesiology  
Co-Director, Physical Activity and Public Health Laboratory
- 2008-2018            University of Waterloo, Faculty of Applied Health Sciences  
Adjunct Professor and Instructor, School of Public Health and Health Systems  
Master of Public Health program (online)

*Education and Training*

**Postgraduate Fellow, CDC/USC Physical Activity and Public Health Research Course (2008)**

- Intensive 8-day training course on research strategies and directions held in Park City, Utah and sponsored and operated by the Centers for Disease Control and Prevention and the University of South Carolina Arnold School of Public Health and Prevention Research Center

**Doctor of Philosophy, University of Waterloo, Waterloo, Ontario (2007)**

- Department of Recreation and Leisure Studies, Faculty of Applied Health Sciences
- University of Waterloo Alumni Gold Medal nominee for outstanding achievement in graduate studies
- Thesis topic: Exploring the impact of parks and recreation amenities as activity-promoting features of the built environment
- Thesis Committee: Dr. Mark Havitz (advisor), Dr. Roger Mannell, Dr. Bryan Smale, Dr. Roy Cameron

**Master of Science, Texas A&M University, College Station, Texas (2003)**

- Department of Recreation, Park and Tourism Sciences, College of Agriculture
- Thesis topic: Development of a multi-dimensional scale for repositioning public parks and recreation
- Thesis Advisor: Dr. John L. Crompton

**Bachelor of Arts (Honors Co-op), University of Waterloo, Waterloo, Ontario (2000)**

- Department of Recreation and Leisure Studies, Faculty of Applied Health Sciences
- Governor General's Gold Medal nominee (highest graduating average in department)
- Thesis topic: Relationship marketing to foster mutually beneficial relationships in recreation services
- Thesis Advisor: Dr. Mark E. Havitz

**Refereed Journal Articles** (underline indicates a student under my supervision)

1. Woolf, H., King, S.B., Dunn, C.G., Fair, M.L., & **Kaczynski, A.T.** (under review). Exploring dietary behavior differences among children by race/ethnicity and socioeconomic status. Manuscript submitted for publication.
2. Dunn, C.G., Wilcox, S., Berhnart, J.A., Blake, C.E., **Kaczynski, A.T.**, & Turner-McGrievy, G.M. (under review). Church leaders' views of obesity prevention efforts for children and youth. Manuscript submitted for publication.
3. Clennin, M., Lian, M., Colabianchi, N., **Kaczynski, A.T.**, Dowda, M., & Pate, R.R. (under review). Associations between neighborhood socioeconomic deprivation, physical activity facilities, and physical activity in youth during the transition from elementary to middle school. Manuscript submitted for publication.
4. Boutté, A.K., Turner-McGrievy, G.M., Wilcox, S., Liu, J., Eberth, J.M., & **Kaczynski, A.T.** (under review). Moms' mental health and diet quality in pregnancy: A narrative review. Manuscript submitted for publication.
5. Stowe, E.W., Hughey, S.M., Hallum, S.H., & **Kaczynski, A.T.** (under review). Associations between walkability and youth weight status: Observed differences by urbanicity. Manuscript submitted for publication.
6. Wilcox, S., Peters, N.A., **Kaczynski, A.T.**, Weaver, G., O'Neill, J.R., & Hutto, B. (under review). Associations between religious attendance, religious commitment, and health-related variables in a rural and underserved Southeastern county. Manuscript submitted for publication.
7. King, S.B., **Kaczynski, A.T.**, Knight, J., & Stowe, E.W. (under review). Walkability 101: A multi-method assessment of the walkability at a university campus in the Southeast region of the United States. Manuscript submitted for publication.
8. Child, S.T., **Kaczynski, A.T.**, Walsemann, K.M., Fleischer, N.L., McLain, A., & Moore, S. (under review). Socioeconomic differences in access to cognitive and network social capital and associations with body mass index among Black Americans. Manuscript submitted for publication.
9. Groshong, L., Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Hipp, J.A. (in press). Attitudes about perceived park safety among residents in low-income and high minority Kansas City, Missouri neighborhoods. Accepted for publication in *Environment and Behavior*.
10. Hughey, S.M., **Kaczynski, A.T.**, Porter, D.E., Hibbert, J., Turner Mc-Grievy, G.M., & Liu, J. (in press). Development and testing of a multicomponent obesogenic built environment measure for youth. Accepted for publication in *Health & Place*.
11. Oliphant, E., Hughey, S.M., Stowe, E.W., **Kaczynski, A.T.**, Schipperijn, J., & Hipp, J.A. (in press). ParkIndex: Using key informant interviews to inform the development of a new park access evaluation tool. Accepted for publication in the *Journal of Park and Recreation Administration*.

12. **Kaczynski, A.T., Besenyi, G.M., Child, S.T., Hughey, S.M.,** Colabianchi, N., McIver, K.L., Dowda, M., & Pate, R.R. (2018). Relationship of objective street quality attributes with youth physical activity: Findings from the Healthy Communities Study. *Pediatric Obesity, 13* (S1), 7-13.
13. **Kaczynski, A.T.,** Jake-Schoffman, D.E., Peters, N., Dunn, C.G., Wilcox, S., & Forthofer, M. (2018). Development and testing of the Church Environment Audit Tool. *American Journal of Health Behavior, 42*(3), 17-26.
14. **Hughey, S.M., Kaczynski, A.T.,** Porter, D.E., Hibbert, J., Turner-McGrievy, G.M., & Liu, J. (2018). Spatial clustering patterns of child weight status in a southeastern US county. *Applied Geography, 99*, 12-21.
15. **Besenyi, G.M.,** Schooley, B.L., Turner-McGrievy, G., Wilcox, S., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2018). The electronic community park audit tool (eCPAT) project: Exploring the use of mobile technology for youth empowerment and advocacy for health community policy, systems, and environmental change. *Frontiers in Public Health, 6*:332.
16. **Child, S.T., Kaczynski, A.T.,** Fair, M.L., Stowe, E.W., **Hughey, S.M.,** Boeckerman, L., Wills, S., & Reeder, Y. (2018). “We need a safe, walkable way to connect our sisters and brothers”: A qualitative study of opportunities and challenges for neighborhood-based physical activity among residents of low-income African American communities. *Ethnicity and Health, <http://dx.doi.org/10.1080/13557858.2017.1351923>*

### ***Refereed Conference Presentations***

1. Boutté A.K., Turner-McGrievy G.M., Wilcox S., Liu J., Eberth J.M., & **Kaczynski A.T.** (in press). Healthy food density is associated with diet quality among racially-diverse overweight/obese pregnant women in South Carolina. Accepted for presentation at the *40th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine*; March 6-9, 2019, Washington, DC.
2. Dunn., C.G., Wilcox, S., Bernhart, J.A., Blake, C.E., **Kaczynski, A.T.**, & Turner-McGrievy G.M. (in press). Church leaders' views of health promotion efforts for children and youth. Accepted for presentation at the *40th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine*; March 6-9, 2019, Washington, DC.
3. Hallum, S.H., **Kaczynski, A.T.**, Besenyi, G.M., & Wilhelm Stanis, S.A. (in press). Park-based physical activity by income and exposure to persuasive messaging. Accepted for presentation at the *19th Annual American Academy of Health Behavior Scientific Meeting*, March 10-13, 2019, Greenville, SC.
4. Bernhart, J.A., Dunn, C.G., **Kaczynski, A.T.**, & Wilcox, S. (in press). Windshield surveys of church neighborhoods to assess potential for physical activity promotion. Accepted for presentation at the *16th Annual Active Living Conference*, February 17-20, 2019, Charleston, SC.
5. Hallum, S.H., **Kaczynski, A.T.**, Besenyi, G.M., Wilhelm Stanis, S.A., Wende, M.E., & Edenfield, M. (in press). Variance in park-based physical activity by weight category and exposure to persuasive messaging. Accepted for presentation at the *16th Annual Active Living Conference*, February 17-20, 2019, Charleston, SC.
6. Wende, M.E., **Kaczynski, A.T.**, Dunn, C., Bernhart, J., & Wilcox, S. (in press). The role of church environment on self-efficacy, perceived support and behavior of physical activity and health eating among church members.. Accepted for presentation at the *16th Annual Active Living Conference*, February 17-20, 2019, Charleston, SC.
7. Stowe, E.W., Hughey, S.M., & **Kaczynski, A.T.** (in press). Associations between walkability and youth weight status: Observed differences by urbanicity. Accepted for presentation at the *16th Annual Active Living Conference*, February 17-20, 2019, Charleston, SC.
8. Fair, M.L, Reed, J.A, Swanson, N., Perry, L., Barry, B. Rusnak, S.P., & **Kaczynski, A.T.** (in press). Get moving: Patterns of physical fitness among 3rd through 5th grade youth participating in a school-based policy, systems, and environment change intervention in Spartanburg County, SC. Accepted for presentation at the *16th Annual Active Living Conference*, February 17-20, 2019, Charleston, SC.

9. Reed, J.A, Fair, M.L., **Kaczynski, A.T.**, Swanson, N. Perry, L., & Barry, B. (in press). Objective baseline physical activity assessment in a school-based obesity prevention intervention. Accepted for presentation at the *16<sup>th</sup> Annual Active Living Conference*, February 17-20, 2019, Charleston, SC.
10. Winslow, D.R., Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Besenyi, G.M. (2018). Nature-based physical activity and mental health: Exploring associations with park access, visitation, and physical activity. Presented at the *American Public Health Association 165<sup>th</sup> Annual Meeting and Exposition*, Nov 10-14, 2018, San Diego, CA.
11. Mandelbaum, J., Stowe, E., Bujak, B., & **Kaczynski, A.T.** (2018). Perceptions of the built physical activity environment and adolescents' sedentary behavior: Examining the moderating effects of race/ethnicity on sedentary time. Presented at the *American Public Health Association 146<sup>th</sup> Annual Meeting and Exposition*, November 10-14, 2018, San Diego, CA.
12. Mandelbaum, J., Stowe, E., Bujak, B., & **Kaczynski, A.T.** (2018). Gender-specific influence of built and social environmental factors on overweight or obesity risk among adolescents: Findings from the FLASHE study. Presented at the *American Public Health Association 146<sup>th</sup> Annual Meeting and Exposition*, November 10-14, 2018, San Diego, CA.
13. Schipperijn, J., **Kaczynski, A.T.**, Hipp, J.A., Stowe, E.W., Hughey, S.M., Wende, M.E., & Oliphant, E.L. (2018). ParkIndex: A standardized GIS-based park access tool. Presented at the *7<sup>th</sup> International Society for Physical Activity and Health Congress*, October 15-17, 2018, London, UK.
14. **Kaczynski, A.T.**, Hipp, J.A., Schipperijn, J., Stowe, E.W., Hughey, S.M., Wende, M.E., & Oliphant, E.L. (2018). ParkIndex: Developing a standardized national park access tool for parks and public health research and practice. Presented at the *25<sup>th</sup> International Association for People-Environment Studies*, July 8-13, 2018, Rome, Italy.
15. Boutte, A.K., Turner-McGrievy, G.M., Wilcox, S., Liu, J., Eberth, J., & **Kaczynski, A.T.** (2018). Examining associations between stress, depressive symptoms, and diet quality among diverse pregnant women. Presented at the *39<sup>th</sup> Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine*, April 11-14, 2018, New Orleans, LA.
16. Stowe, E.W., **Kaczynski, A.T.**, Hughey, S.M., Oliphant, E., Hipp, J.A., & Schipperijn, J. (2018). Commonality and diversity across academic, public health, and parks and recreation key informant perspectives on a national standardized park access tool. Presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 11-14, 2018, Banff, Canada.
17. King, S.B., Stowe, E.W., Hughey, S.M., & **Kaczynski, A.T.** (2018). Parks and environmental justice: Comparing park availability, features, and quality by income and racial/ethnic minority from 2013-2017 in Greenville County, SC. Presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 11-14, 2018, Banff, Canada.
18. Hughey, S.M., **Kaczynski, A.T.**, Porter, D.E., Hibbert, J., Turner-McGrievy, B., Liu, J., & Powers, A. (2018). Quantifying and testing a multicomponent obesogenic built environment measure with childhood obesity. Presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 11-14, 2018, Banff, Canada.

19. Hughey, S.M., Schipperijn, J., Kahila, M, Broberg, A., **Kaczynski, A.T.**, Hipp, J.A., Stowe, E.W., & Oliphant, E. (2018). Mapping park use with Maptionnaire: A map-based online survey tool. Workshop presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 11-14, 2018, Banff, Canada.
20. Clennin, M.N., Lian, M., Sui, Xuimei, S., **Kaczynski, A.T.**, Colabianchi, N., & Pate, R.R. (2018). Association between youth physical activity, neighborhood socioeconomic environment, and physical activity environment over time. Presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 11-14, 2018, Banff, Canada.
21. Besenyi, G.M., Denson, S., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2018). Active living and chronic disease: Exploring associations between parks and asthma. Presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 11-14, 2018, Banff, Canada.
22. Wilcox, S., Saunders, R.P., **Kaczynski, A.T.**, Jake-Schoffman, D., Forthofer, M., Kinnard, D., Goodwin, C., Sharpe, P.A., Hutto, B., Condrasky, M., & Kennedy, V. (2017). Faith, Activity, and Nutrition dissemination and implementation study: Phase 1 effectiveness. Presented at the *American Public Health Association 145<sup>th</sup> Annual Meeting and Exposition*, November 4-8, 2017, Atlanta, GA.
23. Dunn, C.G., **Kaczynski, A.T.**, Peters, N., Schoffman, D.J., Wilcox, S., & Saunders, R. (2017). Reliability assessment of a novel tool to evaluate healthy eating and physical activity opportunities in faith-based settings: The Church Environment Audit Tool. Presented at the *American Public Health Association 145<sup>th</sup> Annual Meeting and Exposition*, November 4-8, 2017, Atlanta, GA.
24. King, S.B., **Kaczynski, A.T.**, Knight, J., and Stowe, E.W. (2017). Walkability 101: Using multiple methods to assess the walkability of a large university campus in the southeastern United States. Accepted for presentation at the *American Public Health Association 145<sup>th</sup> Annual Meeting and Exposition*, November 4-8, 2017, Atlanta, GA.
25. Stowe, E.W., Hughey, S.M., Oliphant, E., **Kaczynski, A.T.**, Hipp, J.A., & Schipperijn, J. (2017). ParkIndex: Key informant perspectives on the development of a standardized national park access tool. Presented at the *American Public Health Association 145<sup>th</sup> Annual Meeting and Exposition*, November 4-8, 2017, Atlanta, GA. (Winner of Physical Activity Section best student poster presentation award)
26. Hughey, S.M., **Kaczynski, A.T.**, King, S.B., Fair, M., Wills, S., & LiveWell Greenville Park Hop Team. (2017). Park Hop: Barriers and facilitators to children and families' participation in a park-based physical activity intervention in Greenville County, SC. Presented at the *American Public Health Association 145<sup>th</sup> Annual Meeting and Exposition*, November 4-8, 2017, Atlanta, GA. (Winner of Physical Activity Section best student oral presentation award)
27. Child, S., **Kaczynski, A.T.**, Walsemann, K.M., Fleischer, N., Moore, S., & McLain, A. (2017). Personal network characteristics of Black Americans: Association with body mass index and role education. Presented at the *American Public Health Association 145<sup>th</sup> Annual Meeting and Exposition*, November 4-8, 2017, Atlanta, GA.
28. Peters, N.A., **Kaczynski, A.T.**, Dunn, C.G., Jake-Schoffman, D.E., & Wilcox, S. (2017). Development of a Church Environment Audit Tool for evaluating behavioral health supports in faith-based settings. Presented at the *Society for Nutrition Education and Behavior Annual Conference*, July 20-24, Washington, DC.

29. Hughey, S.M., **Kaczynski, A.T.**, Porter, D., Hibbert, J., Turner-McGrievy, G., & Liu, J. (2017). Patterns and predictors of spatial clustering of youth obesity. Presented at the *16<sup>th</sup> International Society for Behavioral Nutrition and Physical Activity Annual Meeting*, June 7-10, 2017, Victoria, BC, Canada.
30. Brazendale, K., Beets, M.W., Pate, R.R., Turner-McGrievy, G.M., **Kaczynski, A.T.**, Weaver, R.G., & Bohnert, A. (2017). Children's obesogenic behaviors during summer versus school: A within-person comparison. Presented at the *16<sup>th</sup> International Society for Behavioral Nutrition and Physical Activity Annual Meeting*, June 7-10, 2017, Victoria, BC, Canada.
31. Potwarka, L., Barrick, S., & **Kaczynski, A.T.** (2017). Are the Olympic games an environmental correlate of youth mental health and wellbeing?: Evidence from Vancouver 2010. Presented at the *Canadian Conference on Leisure Research 15*, May 23-26, 2017, Kitchener, Ontario, Canada.
32. Jake-Schoffman D.E., Turner-McGrievy G., Wilcox S., Hussey J.R., Moore J.B., & **Kaczynski A.T.** (2017). mFIT (Motivating Families with Interactive Technology) Study: A randomized pilot to promote physical activity and healthy eating. Presented at the *38th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine*, March 29-April 1, 2017, San Diego, CA.
33. Bernhart, J.A., LaValley, E.A., **Kaczynski, A.T.**, Jake-Schoffman, D.E., Dunn, C., Peters, N., Hutto, B., & Wilcox, S. (2017). Investigating socioeconomic disparities in the healthy living environments of churches. Presented at the *17<sup>th</sup> Annual Meeting of the American Academy of Health Behavior*, March 19-22, 2017, Tucson, AZ.
34. Besenyi, G.M., Schooley, B.L., Turner-McGrievy, G.M., Wilcox, S., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2017). Exploring the impact of mobile technology for youth empowerment and advocacy for healthy community policy, systems, and environmental change. Presented at the *14<sup>th</sup> Annual Active Living Research Conference*, February 26–March 1, 2017, Clearwater Beach, FL.
35. Wilcox, S., Kinnard, D., Goodwin, C., Arnold, K.T., Saunders, R.P., Sharpe, P.A., Forthofer, M., **Kaczynski, A.T.**, & Schoffman, D.E. (2016). Use of RE-AIM framework in a faith-based dissemination and implementation study to promote physical activity and healthy eating. Presented at the *Society of Behavioral Medicine Annual Meeting*, March 30-April 2, Washington, DC.
36. Moore, J.B., Beets, M.W., **Kaczynski, A.T.**, & Turner-McGrievy, G.M. (2016). Forging a path to scientific independence: Four stories from the field. Presented at the *Southeast Chapter of the American College of Sports Medicine Annual Meeting*, February 18-20, 2016, Greenville, SC.
37. Besenyi, G.M., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2016). eCPAT mobile technology: Linking healthcare providers with park resource information. Presented at the *National Symposium for Parks and Recreation in Public Health*, February 10-12, 2016, Bloomington, IN.
38. Fair, M.L., **Kaczynski, A.T.**, Hughey, S.M., Besenyi, G.M., & Powers, A.R. (2016). Evaluation of a youth-focused initiative to facilitate park usage, discovery and physical activity in Greenville County, SC. Presented at the *13<sup>th</sup> Annual Active Living Research Conference*, January 31-February 3, 2016, Clearwater Beach, FL.
39. Gallerani, D.G., Besenyi, G.B., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2016). "We actually care and we want to make the parks better": A qualitative study of youth experiences and perceptions after

conducting park audits. Presented at the *13<sup>th</sup> Annual Active Living Research Conference*, January 31-February 3, 2016, Clearwater Beach, FL.

40. Hughey, S.M., Gilrain, T., Young, C., Fair, M.L., Powers, A.R., **Kaczynski, A.T.**, Wills, S., & the LiveWell Greenville At Play Workgroup. (2016). At Play! Efforts of a county-wide coalition to enhance physical activity environments and opportunities in underserved communities in Greenville County, South Carolina. Presented at the *13<sup>th</sup> Annual Active Living Research Conference*, January 31-February 3, 2016, Clearwater Beach, FL.
41. Hughey, S.M., **Kaczynski, A.T.**, Child, S., Moore, J.B., Porter, D., & Hibbert, J. (2016). Green and lean: Is neighborhood park and playground availability associated with youth obesity? Variations by gender, socioeconomic status, and race/ethnicity. Presented at the *13<sup>th</sup> Annual Active Living Research Conference*, January 31-February 3, 2016, Clearwater Beach, FL.
42. **Kaczynski, A.T.**, Besenyi, G.M., Child, S., McIver, K.L., Colabianchi, N., Dowda, M., & Pate, R.R. (2016). Relationship of objective neighborhood quality attributes with youth physical activity: Findings from the Healthy Communities Study. Presented at the *13<sup>th</sup> Annual Active Living Research Conference*, January 31-February 3, 2016, Clearwater Beach, FL.
43. Besenyi, G.M., Diehl, P., Schooley, B.L., Turner-McGrievy, G.M., Wilcox, S., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2016). Development and testing of mobile technology for community park improvements: Validity and reliability of the eCPAT application with youth. Presented at the *13<sup>th</sup> Annual Active Living Research Conference*, January 31-February 3, 2016, Clearwater Beach, FL.
44. Turner-McGrievy, G.M., Wilcox, S., **Kaczynski, A.T.**, Spruitz-Metz, D., Muth, E.R., & Hoover, A.W. (2015). Can diet quality be crowdsourced to facilitate self-monitoring? Evidence for using crowdsourcing and bite counting for tracking diet quality and energy intake. Presented at *ObesityWeek 2015*, November 2-7, 2015, Los Angeles, CA.
45. Hughey, S.M., Reed, J., & **Kaczynski, A.T.** (2015). Pathways to health: Trail use associated with self-rated health and healthy weight status among adults in South Carolina. Presented at the *American Public Health Association 143<sup>rd</sup> Annual Meeting and Exposition*, October 31-November 4, 2015, Chicago, IL.
46. Child, S.T., **Kaczynski, A.T.**, Moore, J.B., Fleischer, N.L., Blake, C.E., Wills, S., Reeder, Y., & Moore, S. (2015). (Mis)use of social cohesion as a health indicator in predominantly African-American neighborhoods. Presented at the *American Public Health Association 143<sup>rd</sup> Annual Meeting and Exposition*, October 31-November 4, 2015, Chicago, IL.
47. Child, S.T., **Kaczynski, A.T.**, Moore, J.B., Fleischer, N.L., Blake, C.E., Reeder, Y., Wills, S., & Moore, S. (2015). "We need a safe, walkable way to connect our sisters and brothers": A qualitative study of opportunities and challenges for neighborhood-based physical activity among residents of low-income African-American communities. Presented at the *American Public Health Association 143<sup>rd</sup> Annual Meeting and Exposition*, October 31-November 4, 2015, Chicago, IL.
48. Hughey, S.M., Walsemann, K., Child, S.T., & **Kaczynski, A.T.** (2015). Quality matters: Examining the relationship between neighborhood socioeconomic disadvantage and park availability and quality in a semi-urban county in the southeastern United States. Presented at the *14th International Society of Behavioral Nutrition and Physical Activity Annual Meeting*, June 3-6, 2015, Edinburgh, Scotland.

49. Child, S.T., Miner, H., Blake, C.E., & **Kaczynski, A.T.** (2015). Minority residents in low-income historically disadvantaged communities perceive community gardens as a positive approach to address multiple barriers to healthy eating. Presented at the *14th International Society of Behavioral Nutrition and Physical Activity Annual Meeting*, June 3-6, 2015, Edinburgh, Scotland.
50. **Kaczynski, A.T.**, Schipperijn, J., Hipp, J.A., Wilhelm Stanis, S.A., Besenyi, G.M., Hughey, S.M., & Hussey, J. (2015). ParkIndex: A tool for advancing parks and public health research and practice. Presented at the *14th International Society of Behavioral Nutrition and Physical Activity Annual Meeting*, June 3-6, 2015, Edinburgh, Scotland.
51. Besenyi, G.M., **Kaczynski, A.T.**, Veitch, J., & Wilhelm Stanis, S.A. (2015). Using technology for community-based active living advocacy and environmental change: The Community Park Audit Tool App (eCPAT). Workshop presented at the *14<sup>th</sup> Annual International Society for Behavioral Nutrition and Physical Activity*, June 3-6, 2015, Edinburgh, Scotland.
52. Besenyi, G.M., Steedley, M., Diehl, P., Schooley, B., Turner-McGrievy, G., Wilcox, S., Wilhelm Stanis, S., Smith, T., & **Kaczynski, A.T.** (2015). eCPAT: Development and beta testing of mobile technology to engage youth in active living policy, systems, and environmental health promotion efforts. Presented at the *American Academy of Health Behavior 15<sup>th</sup> Annual Scientific Meeting*, March 15-18, 2015, San Antonio, TX.
53. **Kaczynski, A.T.**, Besenyi, G.M., & Wilhelm Stanis, S.A. (2015). Using technology for community-based advocacy and environmental change: The Community Park Audit Tool App (eCPAT). Workshop presented at the *American Academy of Health Behavior 15<sup>th</sup> Annual Scientific Meeting*, March 15-18, 2015, San Antonio, TX.
54. Besenyi, G.M., Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Smith, T. (2015). Using technology for community-based advocacy and environmental change: The Community Park Audit Tool App (eCPAT). Workshop presented at the *12<sup>th</sup> Annual Active Living Research Conference*, February 22-25, 2015, San Diego, CA.
55. Hughey, S.M., **Kaczynski, A.T.**, Hibbert, J., & Reed, J. (2015). No place to play? Exploring disparities in park availability, features, and quality in Greenville County, SC. Presented at the *2015 Conference on the Value of Play*, February 15-18, 2015, Clemson, SC.
56. Besenyi, G.M., Moore, J.B., Remington, K., **Kaczynski, A.T.** (2014). Associations of neighborhood greenness with objectivity measured physical activity in urban and rural middle school youth. Presented at the *American Public Health Association 142<sup>nd</sup> Annual Meeting and Exposition*, November 15-19, 2014, New Orleans, LA.
57. Child, S.T., **Kaczynski, A.T.**, & Wilhelm Stanis, S.A. (2014). Social cohesion as a mediator of the association between walkable neighborhoods and self-rated health in a Midwest city. Presented at the *American Public Health Association 142<sup>nd</sup> Annual Meeting and Exposition*, November 15-19, 2014, New Orleans, LA.
58. Besenyi, G.M., **Kaczynski, A.T.**, Veitch, J., Abbott, G., Wilhelm Stanis, S.A., & Bergstrom, R. (2014). Park proximity and multiple health outcomes: Findings from the United States and Australia. Presented at the *American Public Health Association 142<sup>nd</sup> Annual Meeting and Exposition*,

November 15-19, 2014, New Orleans, LA. (Winner of Physical Activity Section best student oral presentation award)

59. Besenyi, G.M., Carter, T.K., Pope, A.W., Gordon, K.L., Freeman, B., & **Kaczynski, A.T.** (2014). The Healthy Young People Empowerment (HYPE) Project: Facilitator's Guide. Presented at the *American Public Health Association 142<sup>nd</sup> Annual Meeting and Exposition*, November 15-19, 2014, New Orleans, LA. (Winner of PHEHP Section public health training materials contest)
60. Hughey, S.M., Reed, J., Mutukrishnan, S., Child, S., & Clennin, M.N., & **Kaczynski, A.T.** (2014). Differences in active transportation versus recreational users on a prominent community trail. Presented at the *American Public Health Association 142<sup>nd</sup> Annual Meeting and Exposition*, November 15-19, 2014, New Orleans, LA. (Winner of Physical Activity Section best student poster presentation award)
61. Child, S.T., **Kaczynski, A.T.**, & Wilhelm Stanis, S.A. (2014). Perceived neighborhood walkability mediates association between household income and self-rated health. Presented at the *Southeast Ecological-Community Psychology Annual Conference*, October 10-12, 2014, McCormick, SC.
62. Hughey, S.M., Hibbert, J., Reed, J.A., & **Kaczynski, A.T.** (2014). Exploring disparities in obesogenic environments: Park availability, features, and quality in Greenville County, SC. Presented at the *2014 Southeastern Conference Symposium on Obesity*, September 21-23, Atlanta, GA.
63. Besenyi, G.M., Steedley, M., Diehl, P., Schooley, B., & **Kaczynski, A.T.** (2014). eCPAT: Development and testing of mobile technology to engage youth in active living policy, systems, and environmental health promotion efforts. Presented at the *2014 Southeastern Conference Symposium on Obesity*, September 21-23, Atlanta, GA.
64. Koohsari, M. J., Mavoa, S., Villanueva, K., Sugiyama, T., Badland, H., **Kaczynski, A.T.**, Owen, N., & Giles-Corti, B. (2014). Public open space, physical activity and public health: Concepts, methods and research agenda. Presented at the *Institute of Australian Geographers and the New Zealand Geographical Society Conference*, June 30-July 2, Melbourne, AU.
65. Mavoa, S., O'Sullivan, D., Bagheri, N., Koohsari, M.J., **Kaczynski, A.T.**, Lamb, K.E., Witten, K. (2014). Exploring the consequences of different neighbourhood definitions for built environment and physical activity research. Presented at the *5th International Congress on Physical Activity and Public Health*, April 8-11, 2014, Rio De Janeiro, Brazil.
66. Groshong, L., Wilhelm Stanis, S.A., **Kaczynski, A.T.**, Hipp, J.A. (2014). Examining the dimensions of perceived safety among users and non-users of urban parks. Presented at the *26<sup>th</sup> Annual Northeastern Recreation Research Symposium*, April 6-8, 2014, Cooperstown, NY.
67. **Kaczynski, A.T.**, Wilhelm Stanis, S.A., Hipp, J.A., Groshong, L., & Besenyi, G.M. (2014). Examining the efficacy of point-of-decision prompts for encouraging park-based physical activity. Presented at the *American Academy for Health Behavior 14<sup>th</sup> Annual Scientific Meeting*, March 16-19, 2014, Charleston, SC.

68. Hughey, M., Reed, J., & **Kaczynski, A.T.** (2014). Demographic differences in reported reasons for non-use of a prominent community trail. Presented at the *American Academy for Health Behavior 14<sup>th</sup> Annual Scientific Meeting*, March 16-19, 2014, Charleston, SC.
69. Child, S.T., Besenyi, G.M., & **Kaczynski, A.T.** (2014). Environmental impacts on health: Arguing for a fundamental cause approach. Presented at the *Fourth International Conference on Health, Wellness, and Society*, March 14-15, 2014, Vancouver, BC.
70. Kamel, A., Ford, P., & **Kaczynski, A.T.** (2014). Disparities in park availability, features, and characteristics by social determinants of health within a U.S.-Mexico border urban area. Presented at the *11<sup>th</sup> Annual Active Living Research Conference*, March 9-12, 2014, San Diego, CA.
71. Groshong, L., Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Hipp, J.A. (2014). Developing theory-based communications to encourage physically active behavior in parks. Presented at the *11<sup>th</sup> Annual Active Living Research Conference*, March 9-12, 2014, San Diego, CA.
72. Besenyi, G.M., Fair, M.L., Dunlap, E., **Kaczynski, A.T.**, Powers, A., & the LiveWell Greenville Park Hop Team. (2014). Park Hop: An inter-agency collaboration to promote park visitation and physical activity in Greenville, SC. Presented at the *11<sup>th</sup> Annual Active Living Research Conference*, March 9-12, 2014, San Diego, CA.
73. Besenyi, G.M., Carter, T.K., Pope, A.W., Gordon, K.L., Hebda, S., & **Kaczynski, A.T.** (2014). Youth advocacy for policy, systems, and environmental changes for healthy eating/active living: Pilot evaluation of the Healthy Young People Empowerment (HYPE) Project. Presented at the *11<sup>th</sup> Annual Active Living Research Conference*, March 9-12, 2014, San Diego, CA.
74. Child, S.T., **Kaczynski, A.T.**, Sharpe, P.A., Wilcox, S., Schoffman, D.E., Forthofer, M., & Barr-Anderson, D.J. (2014). Examining demographic interactions in perceptions of outdoor recreation areas across a decade. Presented at the *11<sup>th</sup> Annual Active Living Research Conference*, March 9-12, 2014, San Diego, CA.
75. Child, S.T., Schoffman, D.E., **Kaczynski, A.T.**, Forthofer, M., Wilcox, S., & Baruth, M. (2014). Environmental influences on health-enhancing social interactions: Associations between perceived neighborhood attributes and social environments. Presented at the *11<sup>th</sup> Annual Active Living Research Conference*, March 9-12, 2014, San Diego, CA.
76. Carter, T.K., Besenyi, G.M., Bozard, E.L., Gordon, K.L., Pope, A.W., Splittgerber, A., & **Kaczynski, A.T.** (2013). Engaging youth in policy, systems, and environmental change. Presented at the *American School Health Conference*, October 7-12, 2013, Myrtle Beach, SC.
77. Besenyi, G.M., Lenkerd, A., **Kaczynski, A.T.**, Wilhelm Stanis, S., & Blake, C.M. (2013). Equitable communities? A GIS spatial analysis of unhealthy characteristics around parks. Presented at the *URISA GIS and Public Health Conference*, June 17-20, 2013, Miami, FL.
78. Bopp, M.J., **Kaczynski, A.T.**, & Campbell, M.E. (2013). Mode of travel to work is associated with objective and perceived health. Presented at the *American College of Sports Medicine Annual Meeting*, May 29-June 1, 2013, Indianapolis, IN.

79. Groshong, L., Wilhelm Stanis, S.A., **Kaczynski, A.T.**, Hipp, J.A. (2013). Development of point of decision prompts for park-based physical activity. Presented at the *25<sup>th</sup> Annual Northeastern Recreation Research Symposium*, April 7-9, 2013, Cooperstown, NY.
80. Schoffman, D., Wilcox, S., **Kaczynski, A.T.**, Child, S., Barr-Anderson, D.J., Sharpe, P.A., & Forthofer, M. (2013). Predicting park use in a Southeastern US county: A signal detection analysis. Presented at the *Society for Behavioral Medicine 34th Annual Meeting*, March 20-23, 2013, San Francisco, CA.
81. **Kaczynski, A.T.**, Besenyi, G.M., Wilhelm Stanis, S.A., Vaughan, K.M., Bergstrom, R., & Reis, R.S. (2013). Socio-demographic variations in the association of park proximity and features with park use and physical activity among adults. Presented at the *Active Living Research Tenth Annual Conference*, February 28-30, 2013, San Diego, CA.
82. Besenyi, G.M., Carter, T.K., Bozard, E.L., Gordon, K.L., Pope, A.W., Splittgerber, A., & **Kaczynski, A.T.** (2013). 120. **Kaczynski, A.T.**, & Mowen, A.J. (2010). Does self-selection influence the relationship between park availability and physical activity? Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 26-28, 2010, Minneapolis, MN.
121. Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Rochon, B. (2010). The influence of place attachment on park based physical activity. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 26-28, 2010, Minneapolis, MN.
122. **Kaczynski, A.T.**, Wilhelm Stanis, S.A., Hastmann, T., & Besenyi, G. (2010). Variations in observed park physical activity intensity level by gender and race across age groups. Presented at the

*International Society of Behavioral Nutrition and Physical Activity Annual Meeting*, June 9-12, 2010, Minneapolis, MN.

123. Fallon, E.A., & **Kaczynski, A.T.** (2010). Does neighborhood walkability influence transtheoretical model constructs for physical activity? Presented at the *Society for Behavioral Medicine 31st Annual Meeting*, April 7-10, 2010, Seattle, WA.
124. **Kaczynski, A.T.**, & Wilhelm Stanis, S.A. (2010). Development of a community stakeholder park audit tool. Presented at the *Active Living Research Seventh Annual Conference*, February 9-11, 2010, San Diego, CA.
125. **Kaczynski, A.T.**, Bopp, M., & Wittman, P. (2010). Association of workplace supports with active commuting. Presented at the *Active Living Research Seventh Annual Conference*, February 9-11, 2010, San Diego, CA.
126. **Kaczynski, A.T.**, & Glover, T.D. (2010). Talking the talk, walking the walk: The interactive effect of neighborhood walkability and social connectedness on physical activity. Presented at the *Active Living Research Seventh Annual Conference*, February 9-11, 2010, San Diego, CA.
127. **Kaczynski, A.T.**, & Lackey, K.J. (2009). Correspondence of perceived and objective proximity to parks. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 14-16, 2009, Salt Lake City, UT.
128. Wittman, P.R, Bopp, M.J., & **Kaczynski, A.T.** (2009). Active commuting at a large university campus. Presented at the *American College of Sports Medicine Annual Meeting*, May 27-30, 2009, Seattle, WA. Published in *Medicine and Science in Sports and Exercise*, 41(5) (Suppl), S265.
129. Bopp, M., **Kaczynski, A.T.**, & Wittman, P. (2009). The relationship of eco-friendly attitudes with walking and biking to work. Presented at the *Society for Behavioral Medicine 30th Annual Meeting*, April 22-25, 2009, Montreal, QC.
130. **Kaczynski, A.T.**, & Decloe, M.D. (2009). Interaction of self-efficacy and neighborhood walkability on physical activity. Presented at the *Society for Behavioral Medicine 30th Annual Meeting*, April 22-25, 2009, Montreal, QC. Published in *Annals of Behavioral Medicine*, 37(Suppl), s31.
131. **Kaczynski, A.T.**, Wittman, P., & Bopp, M.J. (2009). Factors differentiating active vs. non-active commuters to campus. Presented at the *Society for Behavioral Medicine 30th Annual Meeting*, April 22-25, 2009, Montreal, QC. Published in *Annals of Behavioral Medicine*, 37(Suppl), s32.
132. **Kaczynski, A.T.**, Johnson, A.J., & Saelens, B.E. (2009). Surrounding land use diversity and physical activity in neighborhood parks. Presented at the *Active Living Research Sixth Annual Conference*, February 18-21, 2009, San Diego, CA.
133. **Kaczynski, A.T.**, & Potwarka, L.R. (2009). Neighborhood walkability perceptions: Associations with amount of neighborhood-based physical activity by intensity and purpose. Presented at the *Active Living Research Sixth Annual Conference*, February 18-21, 2009, San Diego, CA.
134. Potwarka, L.R., Johnson Tew, P., McCarville, R.E., & **Kaczynski, A.T.** (2009). Sponsorship recognition: Examining the interactive effects of involvement with an event and frequency of

exposure to on-site signage. Presented at the *International Conference on Festivals and Events Research*, January 2009, Orlando, FL.

135. **Kaczynski, A.T.**, & Johnson, A.J. (2008). Neighborhood land use diversity and physical activity in adjacent parks. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2008, Baltimore, MD.
136. Havitz, M.E., & **Kaczynski, A.T.** (2008). Relationships between physical activity, ego involvement, self-efficacy, and motives. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2008, Baltimore, MD.
137. Potwarka, L.R., **Kaczynski, A.T.**, & Flack, A. (2008). Places to play: Association of park space and facilities with healthy weight status among children. Presented at the *12<sup>th</sup> Canadian Congress on Leisure Research*, May 2008, Montreal, QC.
138. Decloe, M., **Kaczynski, A. T.**, & Havitz, M. E. (2008). Social participation, flow and involvement in physical activity. Presented at the *12<sup>th</sup> Canadian Congress on Leisure Research*, May 2008, Montreal, QC.
139. **Kaczynski, A.T.**, Manske, S.R., & Mannell, R.C. (2007). Addressing multiple determinants of cancer: A review of empirical and conceptual associations between smoking and physical activity. Presented at the *National Cancer Institute of Canada's 60<sup>th</sup> Anniversary Conference*, November 2007, Toronto, ON.
140. **Kaczynski, A.T.**, Potwarka, L.R., Smale, B., & Havitz, M.E. (2007). Association of parkland proximity with neighborhood and park-based physical activity. Presented at the *National Recreation and Park Association Leisure Research Symposium*, September 2007, Indianapolis, IA.
141. **Kaczynski, A.T.**, Mannell, R.C., & Manske, S.R. (2007). A systematic review of relationships among smoking and leisure behavior. Presented at the *National Recreation and Park Association Leisure Research Symposium*, September 2007, Indianapolis, IA.
142. Sharratt, M.T., & **Kaczynski, A.T.** (2007). Williamsburg: Creating a village within a city. Presented at the Active Aging and the Built Environment pre-conference symposium as part of the *19<sup>th</sup> IUHPE World Conference on Health Promotion and Health Education*, June 2007, Vancouver, BC.
143. **Kaczynski, A.T.**, Potwarka, L.R., & Flack, A.L. (2007). Parkland proximity and childhood overweight. Presented at the *International Conference on Physical Activity and Obesity in Children*, June 2007, Toronto, ON.
144. **Kaczynski, A.T.**, & Havitz, M.E. (2007). Association of park features with physical activity in parks and surrounding neighborhoods. Presented at the *Active Living Research Fourth Annual Conference*, San Diego, CA, February 2007.
145. **Kaczynski, A.T.**, & Potwarka, L.R. (2007). Size doesn't matter: Two short guys' study about relationships between park characteristics and physical activity in neighbourhood parks. Presented at the *15<sup>th</sup> Annual University of Waterloo Graduate Student Leisure Research Symposium*, May 2007, Waterloo, ON.

146. **Kaczynski, A.T.**, & Henderson, K.A. (2006). Environmental correlates of physical activity: A review of evidence about parks and recreation settings. Presented at the *Cooper Institute Conference Series on Physical Activity*, Dallas, TX, October 2006.
147. Meldrum, J.T., & **Kaczynski, A.T.** (2006). Multiple dimensions of commitment among contingent recreation and leisure employees. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2006, Seattle, WA.
148. **Kaczynski, A.T.** (2006). The built environment and physical activity: Exploring the impact of park and recreation amenities. Presented at the *14<sup>th</sup> Annual University of Waterloo Graduate Student Leisure Research Symposium*, May 2006, Waterloo, ON.
149. **Kaczynski, A.T.** (2005). A more tenable marketing for leisure services and studies. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2005, San Antonio, TX.
150. Meldrum, J.T., & **Kaczynski, A.T.** (2005). Confidence, social and special treatment benefits as predictors of relationship strength in recreation settings. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2005, San Antonio, TX.
151. **Kaczynski, A.T.** (2005). For love or money: A repositioning model and research propositions to increase attitudinal and fiscal support for public park and recreation services. Presented at the *11<sup>th</sup> Canadian Congress on Leisure Research*, May 2005, Nanaimo, BC.
152. **Kaczynski, A.T.** (2005). So much more than a message: A social marketing mandate for leisure services and studies. Presented at the *13<sup>th</sup> Annual University of Waterloo Graduate Student Leisure Research Symposium*, April 2005, Waterloo, ON.
153. **Kaczynski, A.T.**, Havitz, M.E., & McCarville, R.E. (2004). The efficacy of leisure services repositioning efforts: A field experiment. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2004, Reno, NV.
154. **Kaczynski, A.T.**, Havitz, M.E., & McCarville, R.E. (2004). Can repositioning really work? Empirical evidence from a quasi-field experiment. Presented at the *12<sup>th</sup> Annual University of Waterloo Graduate Student Leisure Research Symposium*, April 2004, Waterloo, ON.
155. **Kaczynski, A.T.**, & Crompton, J.L. (2003). Development of a multi-dimensional scale for repositioning public park and recreation services. Presented at the *National Recreation and Park Association Leisure Research Symposium*, October 2003, St. Louis, MO.
156. **Kaczynski, A.T.**, & Crompton, J.L. (2003). A procedure for improving the accuracy of visitor counts at state parks. Presented at the *15<sup>th</sup> Annual Northeastern Recreation Research Symposium*, April 2003, Bolton Landing, NY.
157. **Kaczynski, A.T.**, & Crompton, J.L. (2003). Development of a multi-dimensional scale for implementing positioning in public park and recreation agencies. Presented at the *11<sup>th</sup> Annual University of Waterloo Graduate Student Leisure Research Symposium*, May 2003, Waterloo, ON.

### ***Professional Conference Presentations***

1. Hughey, S.M., Stowe, E.W., & **Kaczynski, A.T.** (2018). Contribution of green spaces to healthy communities in South Carolina. Presented at the *Eat Smart Move More South Carolina Leadership Summit for Healthy Communities*, October 29-30, 2018, Spartanburg, SC.
2. Boutte, A. K., Turner-McGrievy, G.M., Wilcox, S., Liu, J., Eberth, J., & **Kaczynski, A.T.** (2018). The association between stress, depressive symptoms, and diet quality in pregnancy: A narrative review. Presented at the *South Carolina Public Health Association Annual Meeting*, February 21-23, 2018, Myrtle Beach, SC.
3. Fair, M.L., Perry, L., **Kaczynski, A.T.**, Reed, J.A., & Swanson, N. (2017). Implementation and evaluation of the Spartanburg Healthy Schools Initiative. *Leadership Summit for Healthy Communities*, October 23-24, 2017, Columbia, SC.
4. Besenyi, G.M., **Kaczynski, A.T.**, & Wilhelm Stanis, S.A. (2016). Using mobile technology to engage communities in public health advocacy and promotion: The electronic Community Park Audit Tool (eCPAT). Workshop presented at the *87<sup>th</sup> Annual Georgia Public Health Association Meeting and Conference*, March 22-23, 2016, Atlanta, GA.
5. Wilcox, S., Saunders, R.P., Schoffman, D.E., **Kaczynski, A.T.**, Forthofer, M., Kinnard, D., Goodwin, C., Sharpe, P.A., Condrasky, M., Kennedy, V., & Byrd-Elleby, S. (2016). A county-wide dissemination and implementation study to promote physical activity and healthy eating in churches. Presented at the *South Carolina Public Health Association Annual Meeting*, February 17-19, 2016, North Charleston, SC.
6. **Kaczynski, A.T.**, Wilhelm Stanis, S.A., Besenyi, G.M., & Souza, D. (2015). The Community Park Audit Tool App (eCPAT): Developing technology to promote physical activity and health through parks. Education session presented at the *National Recreation and Park Association 40<sup>th</sup> Annual Congress*, September 15-18, 2015, Las Vegas, NV.
7. Besenyi, G.M., **Kaczynski, A.T.**, & Davis, P. (2014). eCPAT: Engaging youth in the development and testing of an app for park research and policy actions. Presented at the *South Carolina Recreation and Parks Association Conference*, September 14-16, Hilton Head, SC.
8. Besenyi, G.M., Carter, T.K., Bozard, E.L., Gordon, K.L., Pope, A.W., Splittgerber, A., & **Kaczynski, A.T.** (2013). Building youth capacity for policy, systems, and environmental change for healthy eating and active living: Development of the Healthy Young People Empowerment (HYPE) Project. Presented at the *South Carolina Public Health Association Annual Meeting*, May 21-24, 2013, Myrtle Beach, SC.
9. Child, S.T., **Kaczynski, A.T.**, Wilcox, S., Schoffman, D.E., Barr-Anderson, D.J., & Sharpe, P.A. (2013). Perceptions of outdoor opportunities for physical activity in Sumter County: Demographic differences in subgroups across a decade. Presented at the *South Carolina Public Health Association Annual Meeting*, May 21-24, 2013, Myrtle Beach, SC.
10. **Kaczynski, A.T.**, Besenyi, G.M., Carter, T., Bozard, E., Pope, A., Gordon, K., & Splittgerber, A. (2012). Building youth capacity for policy, systems, and environment change for healthy eating and active living: Development of the Healthy Young People Empowerment (HYPE) Project. Presented at the *South*

*Carolina Clinical and Translational Research Institute and Boeing Center for Children's Wellness Scientific Retreat on Obesity*, October 19, 2012, Charleston, SC.

11. **Kaczynski, A.T.**, Besenyi, G.M., & Wilhelm Stanis, S.A. (2012). Engaging stakeholders in evaluating and promoting park environments for physical activity. Presented at the *South Carolina Recreation and Park Association 67<sup>th</sup> Annual Conference*, September 9-11, 2012, Greenville, SC.
12. Lightner, J.S., Fallon, E.A., **Kaczynski, A.T.**, & Johnson, P. (2011). Perceived neighborhood environment influences the relationship between transtheoretical model constructs and stage of change for physical activity. Presented at the *2011 Kansas State University Graduate Student Research Forum*, October 31, 2011, Manhattan, KS.
13. Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Besenyi, G. (2011). Creating healthier communities: Evaluating park environments for physical activity. Presented at the *2011 Making it Better Conference*, November 14-16, 2011, Minneapolis, MN.
14. **Kaczynski, A.T.**, Wilhelm Stanis, S.A., Besenyi, G.M., McHenry, M.L., & Vaughan, K.B. (2011). Evaluating park environments for physical activity. Presented at the *National Recreation and Park Association Annual Congress*, November 1-4, 2011, Atlanta, GA.
15. Vaughan, K.B., **Kaczynski, A.T.**, Wilhelm Stanis, S.A., Bergstrom, R., & Besenyi, G.M. (2011). Environmental justice and physical activity: Examining disparities in access to parks in Kansas City, MO. Presented at the *68<sup>th</sup> Annual Kansas Public Health Association Fall Conference*, September 21-22, 2011, Wichita, KS.
16. Besenyi, G.M., **Kaczynski, A.T.**, & Wilhelm Stanis, S.A. (2011). Creating healthier communities: Using the Community Park Audit Tool to facilitate advocacy for park-based physical activity. Presented at the *68<sup>th</sup> Annual Kansas Public Health Association Fall Conference*, September 21-22, 2011, Wichita, KS.
17. Wilhelm Stanis, S.A., **Kaczynski, A.T.**, & Besenyi, G.M. (2011). Evaluating park environments for physical activity. Presented at the *Missouri Park and Recreation Association Annual Conference and Exposition*, March 8-11, 2011, St. Louis, MO.
18. **Kaczynski, A.T.**, Wilhelm Stanis, S.A., & Besenyi, G.M. (2011). Evaluating park environments for physical activity. Presented at the *Kansas Recreation and Parks Association Conference and Trade Show*, February 1-3, 2011, Wichita, KS.
19. **Kaczynski, A.T.**, McHenry, M.L., & Wilhelm Stanis, S.A. (2010). Making better use of parks for physical activity and community health. Presented at the *National Recreation and Park Association Annual Congress*, October 25-28, 2010, Minneapolis, MN.
20. **Kaczynski, A.T.**, Wilhelm Stanis, S.A., & Besenyi, G.M. (2010). Leveraging the role of parks as activity-promoting elements of the built environment. Invited presentation at the Kansas Department of Health and the Environment *Kansas Health Summit: Built Environment and the Outdoors*, October 19-20, 2010, Wichita, KS.

21. Besenyi, G.M., Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2010). Variations in youth park-based energy expenditure by race/ethnicity, age, and gender. Presented at the *67<sup>th</sup> Annual Kansas Public Health Association Fall Conference*, September 29-30, 2010, Topeka, KS.
22. Besenyi, G.M., **Kaczynski, A.T.**, Bopp, M.J., & Wittman, P. (2010). Gender and age differences in motivators and barriers for active commuting. Presented at the *67<sup>th</sup> Annual Kansas Public Health Association Fall Conference*, September 29-30, 2010, Topeka, KS.
23. Wilhelm Stanis, S.A., & **Kaczynski, A.T.** (2010). Urban parks: Contributions to physical activity. Presented at the *Missouri Park and Recreation Association Annual Conference and Exposition*, March 2-5, 2010, Lake Ozark, MO.
24. **Kaczynski, A.T.**, & McHenry, M. (2010). Repositioning: A strategy to improve public perceptions and funding for parks and recreation. Presented at the *Missouri Park and Recreation Association Annual Conference and Exposition*, March 2-5, 2010, Lake Ozark, MO.
25. **Kaczynski, A.T.** (2010). Public parks: Increasing physical activity and improving community health. Invited presentation at the *Kansas Recreation and Parks Association Conference and Trade Show*, January 26-29, 2010, Topeka, KS.
26. **Kaczynski, A.T.**, Bopp, M., Wittman, P., & Besenyi, G. (2009). To drive or not to drive: What influences walking and cycling to work? Presented at the *Kansas Department of Health and the Environment 2009 Summit: Cultivating Healthy Kansans*, December 1-3, 2009, Topeka, KS.
27. Besenyi, G., **Kaczynski, A.T.**, Bopp, M., & Wittman, P. (2009). Gender and age differences in barriers and motivators for active commuting. Presented at the *Kansas Department of Health and the Environment 2009 Summit: Cultivating Healthy Kansans*, December 1-3, 2009, Topeka, KS.
28. **Kaczynski, A.T.** (2009). Factors influencing awareness and use of parks for physical activity. Presented at the *Kansas Department of Health and the Environment 2009 Summit: Cultivating Healthy Kansans*, December 1-3, 2009, Topeka, KS.
29. Brooks-Torrico, A., Bopp, M., Fallon, E.A., & **Kaczynski, A.T.** (2009). Assessing Hispanic health in Southwest Kansas: A community approach. Presented at the *66<sup>th</sup> Annual Kansas Public Health Association Fall Conference*, September 22-24, 2009, Wichita, KS.
30. **Kaczynski, A.T.** (2009). Repositioning: Increasing the impact of the benefits approach in public park and recreation services. Invited presentation at the *Kansas Recreation and Parks Association Conference and Trade Show*, January 26-29, 2009, Hutchinson, KS.
31. **Kaczynski, A.T.** (2008). Health and wellness benefits of parks, recreation, and open space. Invited presentation at the Kansas Department of Health and the Environment *Kansas Health Summit: Built Environment and the Outdoors*, October 6-7, 2008, Wichita, KS.
32. **Kaczynski, A.T.** (2007). The role of the built environment in active transportation. Invited panel presentation at the *Physical Activity Resource Centre Annual Conference*, Toronto, ON, February, 2007.

33. **Kaczynski, A.T.** (2006). Physical activity and parks and recreation services. Presented at the *Parks and Recreation Ontario Educational Forum and Trade Show*, April 2006, Niagara Falls, ON.
34. Crompton, J.L., & **Kaczynski, A.T.** (2005). Repositioning: A key to a viable future. Presented during the general session of the *National Recreation and Park Association Congress*, October 2005, San Antonio, TX.
35. **Kaczynski, A.T.** (2005). Repositioning: Increasing the impact of the benefits movement in public park and recreation services. Presented at the *Parks and Recreation Ontario Educational Forum and Trade Show*, April 2005, London, ON.
36. Zuzanek, J., & **Kaczynski, A.T.** (2005). Adolescents' relationship with parents: Academic, emotional and health effects. Presented as part of the *Adolescent Time Use, Emotional Health and Well-Being* conference, coordinated by Queen's University and the University of Waterloo, March 2005, Waterloo, ON.
37. Mannell, R.C., & **Kaczynski, A.T.** (2005). Physical activity, leisure activities, coping and health. Presented as part of the *Adolescent Time Use, Emotional Health and Well-Being* conference, coordinated by Queen's University and the University of Waterloo, March 2005, Waterloo, ON.
38. **Kaczynski, A.T.**, Evans, D. & Browne, J. (2004). Repositioning: The key to implementing the benefits approach. Presented as part of the Research Roundtable on "Benefits of Leisure" at the *National Recreation and Park Association Congress and Exposition*, October 2004, Reno, NV.

### Research Funding Awards

#### *Pending*

National Institutes of Health  
Development and testing of theory-based point-of-decision prompts for promoting park-based physical activity in low-income neighborhoods  
Kaczynski (PI) 07/01/19-06/30/22  
The purpose of this project is to develop and evaluate the efficacy of point-of decision-prompts through theory-based communications via signage in parks for increasing physical activity participation among park users in low income neighborhoods.  
Role: PI  
Amount: \$1,094,858

Centers for Disease Control and Prevention  
Health Promotion and Disease Prevention Research Center  
Wilcox (PI) 09/30/19-09/29/24  
The major goal of this project is to create, in partnership with a Community Advisory Board and translation partners, a Center infrastructure that focuses on translating research into practice, communicating and disseminating knowledge and products, providing training to diverse audiences, contributing to the larger PRC Network to increase the network's collective impact, and completing a core research project. The core research project is a national implementation study of the Faith, Activity, and Nutrition (FAN) program.  
Role: Co-I  
Amount: \$3,750,000

National Institutes of Health Weaver (PI) 07/01/19-06/30/24  
*Increasing low-income children's access to healthy structured programming to reduce obesity*  
The purpose of this project is to evaluate the impact of providing access to healthy structured programming afterschool and during summer on low-income children's BMI and fitness.  
Role: Co-I  
Amount: \$3,602,492

*Ongoing*

National Institutes of Health Beets (PI) 09/18/19-08/31/23  
*What's UP (Undermining Prevention) with Summer? Etiology of Accelerated Weight Gain during Summer vs. School Year*  
The goal of this project is to collect information on where children go during summer, what they do when they get there, and how their behaviors (physical activity, sedentary, sleep, and diet) during summer depart from these behaviors during the school year and how these differ between children from low and high income households.  
Role: Co-I  
Amount: \$3,237,163

Center for Connected Multimodal Mobility (Clemson University) Davis (PI) 10/01/18-09/30/19  
*Assessing potential of bike share networks and active transportation to improve urban mobility, physical activity, and public health outcomes in South Carolina*  
The goal of this project is to combine expertise and methodology from the disciplines of exercise science, public health, urban planning, engineering, and transportation to examine associations between bike share usage and the built environment in order to provide empirical recommendations to local government and related organizations to improve multimodal transportation and health in Charleston, SC.  
Role: Co-I  
Amount: \$142,228

National Institutes of Health Kaczynski (PI) 04/15/18-03/31/19  
1R41CA217471  
*eCPAT: Advancing public park information and technology resources to diverse audiences for healthy communities*  
The aims of this Small Business Technology Transfer Research (STTR) proposal are i) to develop and advance the electronic Community Park Audit Tool (eCPAT) mobile technology and infrastructure for broader use by diverse populations, and 2) to conduct feasibility testing and examine the market potential of the eCPAT system with diverse stakeholder groups.  
Role: PI  
Amount: \$224,843

Federal Office of Rural Health Policy Eberth (PI) 09/01/17-08/31/19  
U1CRH30539  
*Rural Health Research Grant Program Cooperative Agreement (PI of Project 2: Identifying Obesogenic Communities in the U.S.: An urban-rural comparison)*  
The goals of this study are to: 1) create a childhood obesogenic environment index, 2) model and map the obesogenic environment at a local (county and census tract) level using geographic information systems, 3) compare obesogenic environment scores across levels of rurality, and 4) explore associations between obesogenic environment scores and childhood obesity rates overall and by urban/rural status.  
Role: Co-I (PI of Project 2)

Amount: \$573,000

National Institutes of Health  
1R01HL137731

Colabianchi (PI)

09/01/17-06/30/21

*The effect of built and social environments on childhood obesity and racial/ethnic disparities in the national Healthy Communities Study*

This study will expand the Healthy Communities Study by examining the effects of built and social environments on physical activity, dietary intake, and childhood obesity across a geographically-diverse set of over 100 communities.

Role: Co-I

Amount: \$3,217,667

National Institutes of Health  
R21CA202693

Kaczynski (PI)

07/07/16-06/30/19

*ParkIndex: A tool for advancing parks and public health research and practice*

The purpose of this project is to develop and assess the predictive and external validity of a prototype park use probability algorithm to evaluate the potential for park access and use for a given address or neighborhood.

Role: PI

Amount: \$352,506

University of South Carolina Office of the Provost

Kaczynski (PI)

07/01/17-06/30/19

*Examining the efficacy of theory-based persuasive communications for promoting physical activity in public parks: A pilot study*

The aims of this project were to i) develop and test the relative effectiveness of a wide array of theoretically-based messages for increasing intentions to engage in park-based PA, and ii) examine the influence of theory-based PA messages on park users' perceptions of park-based PA and park-based PA levels.

Role: PI

Amount: \$19,944

Mary Black Foundation

Kaczynski (PI)

07/01/16-08/31/20

*Evaluation of the Spartanburg County Healthy Schools Initiative*

The purpose of this project is to conduct a comprehensive process and outcome evaluation of the efforts of 9 elementary and middle schools in Spartanburg County, SC to implement policy and environmental changes to promote physical activity, healthy eating, and healthy weight status among students.

Role: PI

Amount: \$97,162

Centers for Disease Control and Prevention

Wilcox (PI)

09/30/14-09/29/19

*Health Promotion and Disease Prevention Research Center*

This project has two main goals. The first goal is to support core elements of a Prevention Research Center focused on physical activity and public health, including infrastructure, community and stakeholder engagement, dissemination, training and technical assistance, and evaluation. The second goal is to conduct an applied public health prevention research project that will study the dissemination and implementation of an evidence-based program to help churches create environments, systems, and policies supportive of increased physical activity and healthy eating.

Role: Co-I

Amount: \$4,497,576

*Completed*

Centers for Disease Control and Prevention      LiveWell Greenville (PI)      10/01/14-09/30/17  
*Partnerships to Improve Community Health (PICH) (1U58DP005588-01)*

The purpose of this project is to work with numerous community agencies to address issues related to park and food deserts and childhood obesity in Greenville County.

Role: Co-I

Amount: \$1,418,553

University of South Carolina Office of Research      Kaczynski (PI)      05/16/16-05/15/17  
*eCPAT: Advancement and feasibility testing of public park information and technology resources to support healthy communities*

The purposes of this project are to further develop an app and system for improving the contributions of parks to population health and to conduct preliminary market potential assessments with key stakeholder groups.

Role: PI

Amount: \$14,987

University of South Carolina Office of Research      Kaczynski (PI)      05/16/15-05/15/16  
*ParkIndex: Development of a prototype tool for advancing parks and public health research and practice*

The purpose of this project is to develop a prototype park use probability algorithm incorporating key park metrics to estimate park access for a given address or neighborhood and inform equitable park planning.

Role: PI

Amount: \$14,950

National Institutes of Health/Battelle Memorial Institute      Pate (subcontract PI)      09/10/10-08/14/15  
*Studying Community Programs to Reduce Childhood Obesity (Healthy Communities Study)*

The purpose of this project is to conduct a nationwide scientific study of community influences on overweight and obesity in children. The Healthy Communities Study is examining the associations between characteristics of community programs and policies and obesity-related outcomes (e.g., physical activity and healthy eating), using an innovative study design in a large-scale observational study in 130 communities.

Role: Co-I

Amount: \$2,015,000

University of South Carolina Office of Research      Kaczynski (PI)      05/16/14-09/15/15  
*Evaluation of an inter-agency collaboration to promote park visitation and physical activity among youth in Greenville County, SC*

The purpose of this project was to refine and comprehensively evaluate a community-wide intervention to promote park awareness, visitation, and physical activity among youth.

Role: PI

Amount: \$14,842

University of South Carolina Office of the Provost      Kaczynski (PI)      05/16/14-08/15/15  
*Are disparities in access to quality park environments associated with childhood obesity? An environmental justice investigation*

The aims of this project were to i) explore whether the availability, features, and quality of parks are equitably distributed across Greenville County according to a variety of demographic indicators, and ii) to examine the relationship between park access and obesity levels among youth in Greenville County.

Role: PI

Amount: \$19,995

MoveITsc, LLC Kaczynski (PI) 08/15/14-07/15/15

*Charleston County Parks and Recreation Commission Physical Activity Programs Matrix*

The purpose of this project was to develop a comprehensive system for inventorying and classifying how Charleston County parks and recreation programs contribute to residents meeting national physical activity recommendations.

Role: PI

Amount: \$11,000

National Recreation and Park Association Kaczynski (PI) 07/01/14-06/30/15

*Youth engagement in park research and evaluation*

The purpose of this award is to develop tools and methods for increasing the capacity of youth to engage in community park research and evaluation efforts.

Role: PI

Amount: \$15,000

Blue Cross Blue Shield Foundation of SC LiveWell Greenville (PI) 01/01/14-06/30/15

*Community engagement in evaluation and advocacy for healthier neighborhood environments*

The purpose of this project is to engage residents from eight low-income communities in efforts to better understand modifiable elements of the physical and social environment to promote physical activity, healthy eating, and obesity prevention.

Role: Co-PI (PI on subcontract for \$20,000)

Amount: \$37,000

University of Missouri Research Council Wilhelm Stanis (PI) 04/01/14-05/31/15

*Evaluation of eCPAT: Assessing the acceptability, feasibility, and efficacy of the Community Park Audit Tool with youth*

The purpose of this award is to support reliability, validity, and feasibility testing of the Community Park Audit Tool app with a diverse sample of middle and high school youth in Greenville County, SC.

Role: Co-PI

Amount: \$7,498

Piedmont Health Foundation Kaczynski (PI) 07/01/13-06/30/14

*Parks, environmental justice, and childhood obesity in Greenville, SC*

The purposes of this project were i) to explore whether the availability, features, and quality of parks are equitably distributed across Greenville County according to a variety of demographic indicators, and ii) to examine the relationship between park access and obesity levels among youth in Greenville County.

Role: PI

Amount: \$13,802

South Carolina Clinical and Translational Research Institute Kaczynski (PI) 07/01/13-06/30/14

*eCPAT: Using mobile technology to assess the acceptability, feasibility, and efficacy of the Community Park Audit Tool with youth*

The purpose of this project was to develop an electronic, mobile application of the Community Park Audit Tool and to examine effects of its use on youth empowerment, engagement, and self-efficacy for policy and environmental change.

Role: PI

Amount: \$29,666

University of South Carolina Office of Research                      Kaczynski (PI)                      06/01/13-05/31/14  
*Neighborhood physical and social environment and residents' physical activity patterns*

The purpose of this project is to examine the individual and interactive associations of multiple elements of neighborhood physical and social environments on residents' physical activity levels and health outcomes.

Role: PI

Amount: \$14,835

University of South Carolina Office of the Provost                      Liu (PI)                      05/16/13-05/15/14  
*Evaluating geographical accessibility of health services and facilities among women with and without gestational diabetes*

The objective of this project is to assess the feasibility, completeness, and accuracy of measuring health care provider accessibility for prenatal services using GIS techniques.

Role: Co-I

Amount: \$19,970

Eat Smart Move More South Carolina                      Kaczynski (PI)                      08/16/12-09/30/13  
*Building youth capacity for healthy community design*

The purpose of this project was to develop and implement a model youth empowerment and advocacy curriculum for policy, systems and environment change related to healthy eating and active living.

Role: PI

Amount: \$46,604

Kansas City Childhood Obesity Collaborative                      Kaczynski (PI)                      05/31/12-7/31/13  
*Development of the Community Park Audit Tool training protocol*

The purpose of this award was to develop and teach a train-the-trainer protocol and training materials in order to facilitate use of the Community Park Audit Tool by community groups in the Kansas City area.

Role: PI

Amount: \$4,400

University of South Carolina Office of Research                      Kaczynski (PI)                      06/01/12-05/31/13  
*Building youth capacity for healthy community design*

The purpose of this project was to develop a workshop training process for teaching youth to audit the built environment for physical activity and to measure outcomes associated with participation in such a protocol.

Role: PI

Amount: \$14,921

US Play Coalition                      Kaczynski (PI)                      03/01/12-02/28/13  
*Building youth capacity for healthy community design*

The purpose of this project was to develop a youth-oriented training protocol for auditing park and neighborhood environments for their potential to promote physical activity and play.

Role: PI

Amount: \$3,000

Health Care Foundation of Greater Kansas City                      Wilhelm Stanis (PI)                      09/01/11-08/31/12  
*Parks and environmental justice in Kansas City, Missouri*

This project used geographic information systems and observational audits to examine disparities in access to park space, park features, and park quality across socioeconomically and racially diverse census tracts in a large metropolitan area.

Role: Co-PI  
Amount: \$40,000 (PI on subcontract to USC for \$20,000)

Sunflower Foundation of Kansas Kaczynski (PI) 06/01/11-05/31/12

*Evaluation of the Sunflower Trails program*

The purpose of this project was to provide an in-depth evaluation of the implementation and effects of the Sunflower Foundation's grantmaking efforts to build community trails in towns and cities across Kansas.

Role: PI  
Amount: \$22,422

Robert Wood Johnson Foundation Active Living Research Kaczynski (PI) 01/15/10-01/14/12

*Development of a community stakeholder park audit tool*

The goal of this project was to engage Kansas City residents in a process of developing and testing a tool to be used by community stakeholders to audit local parks for their potential to promote physical activity.

Role: PI  
Amount: \$49,989

Kansas State University Office of Research Kaczynski (PI) 06/01/10-12/31/11

*Examining neighborhood and park influences on youth physical activity*

The goal of this joint pilot study was to understand how neighborhood and park attributes are associated with youth physical activity and obesity levels in Kansas City, Missouri.

Role: PI  
Amount: \$1,500

University of Missouri Research Council Wilhelm Stanis (PI) 06/01/10-12/31/11

*An investigation of neighborhood park influences on physical activity*

The goal of this joint pilot study was to understand how neighborhood and park attributes are associated with youth and adult physical activity and obesity levels in Kansas City, Missouri.

Role: Co-PI  
Amount: \$7,500

City of Kansas City, Missouri Parks and Recreation Department Kaczynski (PI) 06/01/11-12/31/11

*Dissemination of the Kansas City Parks and Physical Activity Project*

The purpose of this contract was to provide graduate student funding to produce a technical report and presentation on findings from the three components of the Kansas City Parks and Physical Activity Project.

Role: PI  
Amount: \$4,000

United Methodist Health Ministry Foundation Kaczynski (PI) 07/01/10-12/31/11

*Healthy young Kansans through supportive communities*

The purpose of this project was to assist Kansas communities with environmental and policy efforts to promote healthy eating and physical activity among children ages 0-6.

Role: PI on contract  
Amount: \$6,989

Kansas State University Office of Research Kaczynski (PI) 01/01/09-12/31/10

*Park environments and physical activity: A pilot study*

The goal of this joint pilot study was to explore the physical activity levels and energy expenditure of park users in Kansas City, Missouri and the park environmental factors that influenced visitors' behaviors.

Role: PI  
Amount: \$2,500

University of Missouri Research Council Wilhelm Stanis (PI) 01/01/09-12/31/10

*Physical activity in park environments*

The goal of this joint pilot study was to explore the physical activity levels and energy expenditure of park users in Kansas City, Missouri and the park environmental factors that influenced visitors' behaviors.

Role: Co-PI  
Amount: \$7,500

City of Kansas City, Missouri Parks and Recreation Department Kaczynski (PI) 01/01/09-12/31/10

*Documenting physical activity in Kansas City parks*

This contract provided supplemental funding to explore the physical activity levels and energy expenditure of park users in Kansas City, Missouri and the park environmental factors that influenced visitors' behaviors.

Role: PI  
Amount: \$3,500

Sunflower Foundation of Kansas Bopp (PI) 07/01/08-06/01/10

*Addressing Hispanic health in Southwest Kansas: A community resource assessment*

The purpose of this project was to engage members of the Latino community in Southwest Kansas in the collection, analysis, and reporting of Latino health and Latino health resources using the Hispanic Health Needs Assessment tool.

Role: Co-I  
Amount: \$150,650

Sociobehavioural Cancer Research Network of Canada Kaczynski (PI) 06/01/06-05/31/07

*Examining the influence of parks and recreation facilities as activity-promoting features of the built environment*

The purpose of this community-based study was to examine how the proximity and features of neighborhood attributes and parks and recreation facilities were associated with residents' physical activity and health in four diverse neighborhoods of Waterloo, Ontario.

Role: PI  
Amount: \$16,500

Center for Behavioral Research and Program Evaluation Kaczynski (PI) 05/01/05-12/31/05

*Leisure and smoking: A systematic review of the literature*

The purpose of this study was to conduct a systematic review of the empirical and conceptual literature describing relationships between smoking and physical activity and other aspects of leisure behaviors and settings.

Role: PI  
Amount: \$5,000

*Not Funded*

National Institutes of Health Fernandez (PI) 01/01/19-12/31/20

*Examining the association between redlining and park disparities*

The objectives of this study are to examine (1) the relationship between neighborhood sociodemographic characteristics and park availability and quality, and (2) the historical practice of redlining and contemporary instances of park disparities.

Carolina to create a sustainable system for implementing park prescriptions interventions through primary care clinics to promote physical activity and prevent obesity among youth in the Kansas City area.

Role: Co-I

Amount: \$74,988 (PI on subcontract for \$39,750)

University of South Carolina Office of the Provost                      Moore, S. (PI)                      06/01/15-11/30/16

*Social capital and hypertension among older African Americans in the South*

The purpose of this project is to develop a culturally- and geographically-relevant resource generator to measure social capital among older African Americans and to examine the association between multiple measures of social capital and hypertension.

Role: Co-I

Amount: \$20,000

Centers for Disease Control and Prevention                      Kaczynski (PI)                      09/30/14-09/29/19

*University of South Carolina PAPRN+ Collaborating Center*

The purpose of this project was to establish a Physical Activity Policy Research Network Plus collaborating center within the USC Prevention Research Center and to collaborate on and lead the development and implementation of innovative physical activity policy research projects.

Role: PI

Amount: \$1,153,358

National Institutes of Health (AHRQ)                      Liu (PI)                      04/01/14-03/31/18

*Environmental effects on postpartum care and health behaviors among women with and without gestational diabetes*

Using Andersen's Behavioral Model of Health Service Use, the purpose of this study was to investigate the impact of environmental factors, such as provider accessibility and neighborhood built environment, on postpartum visits and glucose screening and healthy lifestyles for women with and without a history of gestational diabetes mellitus.

Role: Co-I

Amount: \$999,487

National Institutes of Health                      Moore, J. (PI)                      04/01/14-03/31/18

*Making it work: Implementation of evidence-based activity curricula for youth*

The purpose of this project is to evaluate the standard implementation strategy versus an optimized implementation strategy that can be employed to increase the effectiveness of two widely used evidence-based after-school program curricula to increase physical activity in elementary school children.

Role: Co-I

Amount: \$2,564,135

South Carolina Clinical and Translational Research Institute                      Moore, J. (PI)                      04/01/14-03/31/15

*Conceptualizing the role of neighborhood-level factors on health in low-income communities utilizing a mixed-methods approach*

The aims of this project are to i) develop a theoretical model of built and social neighborhood environmental influences on health, and ii) test the direct and indirect effects of built and social neighborhood attributes on multiple health behaviors and outcomes.

Role: Co-I

Amount: \$24,725

University of South Carolina Office of the Provost                      Kaczynski (PI)                      05/16/14-08/15/15  
*Developing and testing a theoretical model of neighborhood environment effects on health: A mixed-methods study in low-income communities*

The aims of this project are to i) develop a theoretical model of built and social neighborhood environmental influences on health, and ii) test the direct and indirect effects of built and social neighborhood attributes on multiple health behaviors and outcomes.

Role: PI

Amount: \$19,996

University of South Carolina Office of Research                      Kaczynski (PI)                      07/01/13-06/30/14  
*Evaluation of the Healthy Young People Empowerment (HYPE) Project*

The purpose of this project was to conduct a comprehensive process and outcome evaluation of the Healthy Young People Empowerment (HYPE) Project, a curriculum to enhance the capacity of adolescents to plan and implement policy, systems, and environmental change projects centered around healthy eating and active living in their communities.

Role: PI

Amount: \$14,931

National Institutes of Health                      Beets (PI)                      07/01/13-06/30/16  
*Promoting physical activity and nutrition in summer day camps for children*

The purpose of this project was to evaluate the outcomes associated with two innovative strategies to help summer day camps meet national standards for physical activity and nutrition and to examine factors associated with their implementation.

Role: Co-I

Amount: \$2,056,582

University of South Carolina Office of the Provost                      Kaczynski (PI)                      06/01/13-08/31/14  
*eCPAT: Using mobile technology to assess the acceptability, feasibility, and efficacy of the Community Park Audit Tool with youth*

The purpose of this project was to develop an electronic, mobile application of the Community Park Audit Tool and to examine effects of its use on youth empowerment, engagement, and self-efficacy for policy and environmental change.

Role: PI

Amount: \$19,970

United States Department of Agriculture                      Jones (PI)                      01/01/13-12/31/17  
*ALLIES*

The purposes of this integrated research and education project were to (1) prepare future South Carolina health and nutrition leaders to effectively partner with youth for obesity prevention, (2) build the capacity of youth-serving organizations to support youth advocacy efforts, and (3) catalyze and describe the process through which adults in youth-serving organizations support youth advocacy efforts.

Role: Co-I

Amount: \$2,495,553

- The Duke Endowment Kaczynski (PI) 04/01/13-03/31/15  
*Building youth capacity for healthy community design: Implementation of the Healthy Young People Empowerment (HYPE) Project in Greenville County and Charleston County, South Carolina*  
The purpose of this project was to implement and evaluate a youth empowerment and advocacy curriculum for policy, systems, and environmental change for healthy eating and active living in two South Carolina counties.  
Role: PI  
Amount: \$200,140
- Piedmont Health Foundation Kaczynski (PI) 04/01/13-03/31/14  
*The Healthy Young People Empowerment (HYPE) Project: Building youth capacity for healthy community design in Greenville County*  
The purpose of this project was to implement and evaluate a youth empowerment and advocacy curriculum for policy, systems, and environmental change for healthy eating and active living in Greenville County, SC.  
Role: PI  
Amount: \$22,836
- National Institutes of Health Moore, J. (PI) 01/01/13-12/31/17  
*Physical activity behavior disparity between rural and urban adolescent youth*  
The purpose of this study was to establish the trajectories of physical activity levels in rural and urban youth over the developmentally-relevant transition from 6<sup>th</sup> to 11<sup>th</sup> grade and to examine the intrapersonal, interpersonal, and environmental factors that support physical activity in both geographical contexts.  
Role: Co-I  
Amount: \$3,000,776
- United States Department of Agriculture Kaczynski, Johannes (PIs) 10/01/11-09/30/12  
*Assess before we invest: Youth assessing the built environment for health in rural communities*  
The purpose of this project was to engage rural youth from multiple states in assessing health-promoting community settings to assist local elected officials, community leaders, and stakeholders in making informed decisions that support healthy community design.  
Role: Co-PI  
Amount: \$300,000
- Robert Wood Johnson Foundation Active Living Research Kaczynski (PI) 01/15/11-07/14/12  
*Examining the efficacy of point-of-decision prompts for park-based physical activity*  
The purpose of this project was to examine the efficacy of theory-based communications via signage in parks to increase the physical activity levels of park visitors.  
Role: PI  
Amount: \$299,989
- Kansas State University Office of Research Kaczynski (PI) 09/01/09-05/31/10  
*Investigating built environments and developmental health*  
The purpose of this project was to develop and test a self-report measure to capture youths' perceptions of the built environment for physical activity.  
Role: PI  
Amount: \$3,700

## **Major Scholarships, Honors, and Awards Received (2000-)**

- Nominated and inducted into the Delta Omega Honorary Society in Public Health Mu Chapter (2018)
- University of South Carolina Distinguished Research Service Award (2018)
  - Awarded for outstanding contributions to the university’s research initiatives and mission
- Training Materials Award, APHA Public Health Education and Health Promotion Section (2014)
  - Received as part of a collaborative that developed the Healthy Young People Empowerment (HYPE) Project curriculum
- Univ. of Waterloo Department of Recreation and Leisure Studies Distinguished Alumni Award (2011)
  - Honored at the department’s 40<sup>th</sup> Anniversary celebration as one of 40 outstanding graduates
- Social Sciences and Humanities Research Council Canada Graduate Scholarship (2004-07) - \$115,000
  - Highest award presented by SSHRC for outstanding research ability in the social sciences.
- Cooper Institute Conference Series on Physical Activity Best Student Paper Award (2006) - \$1,000
  - Presented at the symposium on “Parks, Recreation, and Public Health: Collaborative Frameworks for Promoting Physical Activity”.
- American Academy for Park and Recreation Administration Best Paper Award (2005) - \$1,000
  - Awarded annually to a study that most advances the practice of parks and recreation administration.
- Ontario Graduate Scholarship (2003-04) - \$15,000
  - Awarded annually to recognize and encourage excellence in graduate studies.
- American Association for Leisure and Recreation R.W. Crawford Student Literary Award (2004) - \$1,000
  - Paper competition awarded annually to one graduate and one undergraduate student.
- University of Waterloo Department of Recreation and Leisure Studies Entrance Scholarship (2003-04)
  - Received a partial waiver of tuition and fees (\$3000) for first year of doctoral studies.
- Lucille and Derby Dustin SPRE/Academy of Leisure Sciences Future Scholar Award (2002) - \$1,000
  - Presented annually to the top four outstanding recreation Master’s students in North America.
- American Academy for Park and Recreation Administration Best Paper Award (2002) - \$1,000
  - Awarded annually to a study that most advances the practice of parks and recreation administration.
- Texas A&M University, Department of Recreation, Park and Tourism Sciences Scholarship (2001-02)
  - Received full waiver of tuition and fees (~\$10,000) for the course of a two year Master’s degree.
- University of Waterloo Department of Recreation and Leisure Studies Award (2000)
  - Awarded annually to the graduating student with the highest overall average.

## **Research Assistantships**

### **University of Waterloo, Department of Recreation and Leisure Studies (May-September 2007)**

- Co-author of the Canadian Parks and Recreation Association Research Agenda
- Supervising investigator: Dr. Bryan Smale

### **University of Waterloo, Centre for Behavioural Research and Program Evaluation (June 2005-April 2006)**

- Lead investigator on a study designed to examine relationships between recreation and leisure participation and environments and tobacco use behaviours
- Supervising investigators: Dr. Steve Manske, Dr. Roger Mannell

### **University of Waterloo, Department of Recreation and Leisure Studies (May-September 2005)**

- Coordinated and implemented data collection procedures for an investigation into alternative governance models and the equitability, efficiency and effectiveness of contracting out in Canadian parks

- Contributed to the authorship of a successful proposal for grant funding from the Social Sciences and Humanities Research Council of Canada
- Principal investigators: Dr. Paul Eagles, Dr. Mark Havitz, and Dr. Troy Glover

**University of Waterloo, Department of Recreation and Leisure Studies (March 2004-April 2005)**

- Analyzed and reported on data from a SSHRC-funded experience sampling study of parents' and adolescents' experiences with stress and coping within work, school, family, and leisure contexts
- Principal investigators: Dr. Roger Mannell, Dr. Jiri Zuzanek

**Texas A&M University, Department of Recreation, Park and Tourism Sciences (May-October 2002)**

- Principal researcher on project for the Texas Parks and Wildlife Department analyzing and forecasting state park attendance
- Supervising investigator: Dr. John Crompton

***Teaching Experience***

**Assistant and Associate Professor, Department of Health Promotion, Education, and Behavior, University of South Carolina (August 2012-present)**

- Instructor of HPEB 810 – Advanced Measurement in Health Education Research (doctoral core course)
- Instructor of HPEB 511 – Health Problems in a Changing Society (undergraduate required course)
- Instructor of HPEB 553 – Community Health Problems (undergraduate required course)
- Supervisor for doctoral and masters-level independent study projects, theses, and dissertations

**Assistant Professor, Department of Kinesiology, Kansas State University (August 2008-December 2011)**

- Graduate and undergraduate level courses included Built Environment and Physical Activity, Research Methods, and Planning and Evaluation of Health Promotion Programs
- Supervised Masters and undergraduate thesis and independent study projects and served on Masters thesis and examination committees in Kinesiology and other departments across campus
- Received excellent teaching evaluations in all semesters (4.1-4.9 out of 5.0)

**Adjunct Professor, School of Public Health and Health Systems, University of Waterloo (May-August 2008-2018)**

- Instructor for 'Environmental Approaches to Physical Activity Promotion' within the Master of Public Health program (distance education/online course annually during summer term)

**Adjunct Professor, School of Planning, University of Waterloo (January-April 2008)**

- Taught PLAN 710, Research Methods for a class of 22 graduate students

**Course Developer, Master of Public Health Program, School of Public Health and Health Systems, University of Waterloo (July 2007-April 2008)**

- Developed an online course for the Master of Public Health Program, including the creation of interactive lectures, assignments, and learning activities in a web-based platform

**Sessional Lecturer, Department of Recreation and Leisure Studies, University of Waterloo (various term appointments from January 2005-April 2008)**

- REC 215 – Marketing Recreation and Leisure Services (3 terms)
- REC 420 – Program Evaluation in Leisure Services

**Teaching Assistant, Department of Recreation and Leisure Studies, University of Waterloo  
(September 2003-April 2007)**

- REC 101 – Introduction to Leisure Services Management, taught by Dr. Mark Havitz
- REC 316 – Financing Park and Recreation Services, taught by Dr. Troy Glover
- REC 101 – Introduction to Leisure Services Management, taught by Dr. Troy Glover
- REC 270 – Research Methods Applicable to Leisure Studies, taught by Dr. Heather Mair
- REC 252 – Physical Disabilities in Therapeutic Recreation, taught by Leann Ferries

**Teaching Assistant, Department of Recreation, Park and Tourism Sciences (Sept. 2001-Dec. 2002)**

- RPTS 403 – Financing and Marketing Recreation and Park Resources, taught by Dr. John Crompton

**Supervision of Graduate and Undergraduate Students**

Graduate Thesis/Dissertation Advisor:

- Shirelle Hallum, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2018-)
- Marilyn Wende, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017-)
- Ellen Stowe, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2016-)
- Melissa Fair, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015-)
- Morgan Hughey, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2013-2017)
- Stephanie Child, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2012-2016)
- Gina Besenyi, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2012-2015)
- Katherine Vaughan, Master of Public Health (thesis option), Kansas State University (2010-2011)
- Gina Besenyi, Master of Public Health (thesis option), Kansas State University (2009-2011)

Graduate Thesis/Dissertation Committee Member:

- Caroline Dunn, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017-2018)
- Alycia Boutte, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017-)
- Morgan Clennin, Doctor of Philosophy, Department of Exercise Science, University of South Carolina (2017-2018)
- Danielle Schoffman, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015-2016)
- Keith Brazendale, Doctor of Philosophy, Department of Exercise Science, University of South Carolina (2015-2017)
- Bill Andrews, Doctor of Philosophy, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015-)
- Elise Gatti, Doctor of Philosophy, Department of Parks, Recreation, and Tourism, College of Health, University of Utah (2015-)

- Kolby Redd, Doctor of Philosophy, Department of Health Services Policy Management, University of South Carolina (2014-2015)
- Rahma Ajja, Doctor of Philosophy, Department of Exercise Science, University of South Carolina (2012-2015)
- Jorge Banda, Doctor of Philosophy, Department of Exercise Science, University of South Carolina (2012)
- Hua Bai, Master of Science, Department of Parks, Recreation, and Tourism, University of Missouri (2010-2012)
- Aaron Boyd, Master of Public Health, Kansas State University (2010-2011)
- Jane Winslow, Master of Landscape Architecture, Department of Landscape Architecture/Regional and Community Planning, Kansas State University (2009-2010)
- Amy Dvorak, Master of Regional and Community Planning, Department of Landscape Architecture/Regional and Community Planning, Kansas State University (2009-2010)

Graduate Program and Examination Committee Member:

- Adam Krause, Master of Public Health, Department of Health Promotion, Education, and Behavior, University of South Carolina (2016-2018)
- Natalie Kerns, Master of Public Health, Department of Health Promotion, Education, and Behavior, University of South Carolina (2012-2013)
- Shely Weinrich, Master of Public Health, Kansas State University (2009-2011)
- Dave Choi, Master of Science, Department of Kinesiology, Kansas State University (2011)
- Michael DeDonder, Master of Science, Department of Kinesiology, Kansas State University (2011)
- Chrishonda Brown, Master of Science, Department of Kinesiology, Kansas State University (2011)
- Jennifer Bartlett, Master of Science, Department of Kinesiology, Kansas State University (2011)
- Julie Pickler, Master of Public Health, Kansas State University (2010-)
- Aubrey Arnold, Master of Science, Department of Kinesiology, Kansas State University (2010)
- Amanda Broser, Master of Science, Department of Kinesiology, Kansas State University (2010)
- Debra Cochran, Master of Science, Department of Kinesiology, Kansas State University (2010)
- Cierra Elder, Master of Science, Department of Kinesiology, Kansas State University (2010)
- Matt McLeroy, Master of Science, Department of Kinesiology, Kansas State University (2010)
- Cari Mooneyham, Master of Science, Department of Kinesiology, Kansas State University (2009)
- Katie Schmidt, Master of Science, Department of Kinesiology, Kansas State University (2009)
- Ryan Curtis, Master of Science, Department of Kinesiology, Kansas State University (2009)
- Kristin Lawson, Master of Science, Department of Kinesiology, Kansas State University (2008)

Undergraduate and Graduate Independent Study, Practicum, and Thesis Advisor:

- Madison Edenfield, Senior Thesis Advisor, Honors College, University of South Carolina (2019-20)
- Marilyn Wende, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2019)
- Shirelle Hallum, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2019)
- Marilyn Wende, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2018)
- Madison Edenfield, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2018)

- Sarah Shepard, Senior Thesis Advisor, Honors College, University of South Carolina (2017-18)
- Sarah King, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Ellen Stowe, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Hope Woolf, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Elizabeth LaValley, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Shea McCarthy, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Elizabeth LaValley, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2016)
- Shea McCarthy, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2016)
- Lauren Boeckerman, Senior Thesis Advisor, Honors College, University of South Carolina (2016-17)
- Lauren Boeckerman, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2016)
- Shea McCarthy, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015)
- David Gallerani, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015)
- Heather Henderson, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015)
- Morgan Hughey, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015)
- Nicole King, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015)
- Lori Peterson, EXSC 481 Practicum Supervisor, Department of Exercise Science, University of South Carolina (2015)
- Mara Steedley, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2014)
- Melissa Fair, HPEB 796 Health Education Project, Department of Health Promotion, Education, and Behavior, University of South Carolina (2014)
- Brittany Root, EXSC 481 Practicum Supervisor, Department of Exercise Science, University of South Carolina (2014)
- Makenzie Cook, HPEB 399 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2014)
- Natalie Kerns, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2013)
- Stephanie Child, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2013)
- Gina Besenyi, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2013)
- Allison Lenkerd, HPEB 790 Independent Study, Department of Health Promotion, Education, and Behavior, University of South Carolina (2012)
- Tracy Engstrom, KIN 599 Independent Study, Department of Kinesiology, Kansas State University (2011)

- Chasady Arsiaga, KIN 521 Practicum, Department of Kinesiology, Kansas State University (2011)
- Katherine Vaughan, KIN 799 Independent Study, Department of Kinesiology, Kansas State University (2011)
- Gina Besenyi, KIN 799 Independent Study, Department of Kinesiology, Kansas State University (2010)
- Robert Fields, KIN 599 Independent Study, Department of Kinesiology, Kansas State University (2010)
- Kelsey Lackey, KIN 599 Independent Study, Department of Kinesiology, Kansas State University (2008)
- Melissa Decloe, REC 475 Independent Study, Department of Recreation and Leisure Studies, University of Waterloo (2007)

### **Awards to Students/Advisees**

- Sarah King, 1<sup>st</sup> place Graduate Student Poster Session 1, University of South Carolina Discover USC Day (2018)
- Sarah Shepard, 1<sup>st</sup> place poster award in Health Sciences undergraduate category, University of South Carolina Discover USC Day (2018)
- Lauren Hunt, Ann Cassady Endowed Fellowship, Department of Health Promotion, Education, and Behavior, University of South Carolina (2018)
- Ellen Stowe, American Public Health Association Physical Activity Section Best Student Poster Award (2017)
- Sarah King, Ann Cassady Endowed Fellowship, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Stephanie Child, Betty J. Cleckley Minority Research Award (honorable mention monetary award), American Public Health Association Aging & Public Health Section (2017)
- Morgan Hughey, Doctoral Achievement Award, Arnold School of Public Health, University of South Carolina (2017)
- Morgan Hughey, Outstanding Doctoral Student Award, Department of Health Promotion, Education, and Behavior, University of South Carolina (2017)
- Marilyn Wende, Cecil Scott Trustee Recruitment Fellowship, University of South Carolina (2017)
- Lauren Boeckerman, 1<sup>st</sup> place poster award in Social Sciences undergraduate category, University of South Carolina Discover USC Day (2017)
- Morgan Hughey, Breakthrough Graduate Scholar, University of South Carolina Office of the Vice President for Research (2017)
- Morgan Hughey, Norman and Gerry Sue Arnold Emerging Scholar in Childhood Obesity Graduate Student Research Award, University of South Carolina (2016)
- Ellen Stowe, University of South Carolina Doctoral Presidential Fellowship (2016-2020)
- Melissa Fair, Best Poster Award, Active Living Research Annual Conference (2016)
- Gina Besenyi, Outstanding Doctoral Student Award, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015)
- Nicole King, 1<sup>st</sup> place (tie) poster award in Public Health category, University of South Carolina Discovery Day (2015)
- Morgan Hughey, Support to Promote Advancement of Research and Creativity (SPARC) Fellowship (2015-2016)
- Gina Besenyi, American Public Health Association Physical Activity Section Best Student Presentation Award (2014)
- Morgan Hughey, American Public Health Association Physical Activity Section Best Student Poster Award (2014)
- Gina Besenyi, George M. Reeves Trustee Graduate Fellowship, University of South Carolina (2014)

- Stephanie Child, Society for Psychological Study of Social Issues (SPSSI) Applied Social Issues Fellowship (2013)
- Gina Besenyi, Support to Promote Advancement of Research and Creativity (SPARC) Fellowship (2013-2014)
- Gina Besenyi, South Carolina Public Health Association, Malcolm U. Dantzler Scholarship (2013)
- Gina Besenyi, South Carolina Public Health Association, Public Health Scholarship (2013)
- Gina Besenyi, Outstanding Graduate Student, Master of Public Health program, Kansas State University (2011)
- Gina Besenyi, Outstanding Graduate Student, Department of Kinesiology, Kansas State University (2011)
- Gina Besenyi, Best Student Research Poster Award, Kansas Public Health Association Conference (2010)

### **Invited Lectures, Presentations, and Workshops**

#### Invited Presentations

- Kittelson & Associates, “Advancing contributions of parks and green space to environmental justice and public health”, August 17, 2017, Orlando, Florida.
- City University of New York (joint with Dr. Aaron Hipp), “Emerging technologies in built environment and physical activity research and practice”, May 9, 2017, Harlem, NY.
- International Symposium on Healthy Built Environments in Japan keynote presentation, Waseda University – “How do parks and open spaces contribute to population health? Lessons from Western countries”, April 20, 2017, Tokyo, Japan.
- Active Living Research 101 invited seminar (joint with Dr. Jim Sallis), “Contributions of parks and recreation to active living research”, February 27, 2017, Clearwater Beach, FL.
- Clemson University, Department of Parks, Recreation, and Tourism Management – “Advancing contributions of parks to physical activity and public health”, October 2, 2015.
- South Carolina Safe Routes to School Statewide Forum keynote presentation – “Safe routes to school: For kids, for communities, for health!”, June 18, 2015.
- American Academy of Health Behavior 15<sup>th</sup> Annual Scientific Meeting invited plenary presentation – “Using mobile technology for community-based physical activity research and engagement”, March 16, 2015.
- University of South Carolina, Department of Exercise Science Seminar Series – “Environmental justice perspectives on the built environment, parks, and active living”, December 6, 2013.
- Ninth Brazilian Congress on Physical Activity and Health opening keynote address – “Contributions of parks and public open spaces to physical activity and public health”, November 13, 2013.
- Indiana University, Eppley Institute for Parks and Public Lands, keynote address for the Symposium on Parks, Public Lands, and Public Health – “Equal access for all? Environmental justice perspectives on parks, active living, and community health”, September 25, 2013.
- North Carolina State University, Department of Parks, Recreation, and Tourism Management, Raleigh, NC – “Equal access for all? Environmental justice perspectives on the built environment, parks, and active living”, February 1, 2013.
- University of South Carolina, Center for Nutrition and Health Disparities Seminar Series, “Equal access for all? Environmental justice perspectives on the built environment and active living”, November 30, 2012.
- Deakin University, School of Exercise and Nutrition Sciences, Melbourne, AU – “Environmental justice perspectives on parks and active living”, October 26, 2012.

- Invited participant, “Built environment and active living research workshop: Identifying policy-relevant research questions and future directions”, McCaughey VicHealth Centre for Community Wellbeing, University of Melbourne, October 25, 2012.
- Weighing In Childhood Obesity Collaborative, Kansas City, Missouri – “How to use the Community Park Audit Tool to enhance local physical activity opportunities”, July 19, 2012.
- City of Kansas City, Missouri Board of Parks and Recreation Commissioners – “Kansas City Parks and Physical Activity Project”, December 6, 2011.
- Texas A&M University, Department of Landscape Architecture and Urban Planning – “Developing and using the Community Park Audit Tool”, January 26, 2011.
- University of Texas-El Paso, Department of Public Health Sciences – “A walk in the park: Exploring neighborhood and park influences on physical activity and health”, September 21, 2010.
- Pan American Health Organization/University of Texas-El Paso – “Auditing physical activity related elements of parks”, September 20, 2010.
- University of Missouri, School of Medicine Colwill Lecture Series (in conjunction with the Departments of Geography and Parks, Recreation, and Tourism) – “A walk in the park: Exploring neighborhood and park influences on physical activity and health”, March 10, 2010.
- United Methodist Health Ministry Fund – “Both gains and gaps: Understanding the role of the built environment in the physical activity and healthy eating of young children”, February 3, 2010.
- University of Kansas, Energy Balance Laboratory – “Built environment influences on physical activity”, November 12, 2009.
- Kansas State University, Kinesiology Student Association – “Is it who you are or where you live?: Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, November 11, 2009.
- Derby Recreation Commission training workshop, Derby, KS – “Repositioning: Improving public perceptions of the benefits of Derby Rec”, May 1, 2009.
- Kansas State University, Kinesiology Student Association – “Is it who you are or where you live?: Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, April 15, 2009.
- Academy of Park and Recreation Administration 2005 Annual Meeting – “Repositioning public park and recreation services”, October 20, 2005.
- Academy of Park and Recreation Administration 2002 Annual Meeting – “The importance of fostering quality service and mutually beneficial relationships in park and recreation services”. October 15, 2002, Tampa, FL.

#### Guest Lectures

- University of South Carolina, HPEB 824 – “Environmental and policy interventions for active living”, April 3, 2018.
- University of South Carolina, EXSC 754 – “Environmental interventions for promoting physical activity: Park evaluation and advocacy using the Community Park Audit Tool”, November 27, 2017.
- University of South Carolina, EXSC 555 – “Is it who you are or where you live? Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, March 14, 2017.
- Augusta University, MPH 7220 – “Advancing contributions of parks to physical activity and public health”, April 20, 2016.
- University of South Carolina, EXSC 700/882 – “Is it who you are or where you live? Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, April 7, 2016.

- University of South Carolina, HPEB 824 – “Environmental and policy interventions for active living”, February 23, 2016.
- University of South Carolina, EXSC 555 – “Opportunities and challenges for randomized controlled trials in environmental and policy physical activity research”, November 19, 2015.
- University of South Carolina, HPEB 824 – “Environmental and policy interventions for active living”, March 31, 2015.
- University of South Carolina, EXSC 700/882 – “Is it who you are or where you live? Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, March 3, 2015.
- University of South Carolina, HPEB 824 – “Environmental and policy interventions for active living”, April 7, 2014.
- University of South Carolina, EXSC 700/882 – “Is it who you are or where you live? Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, March 25, 2014.
- University of South Carolina, EXSC 700/882 – “Is it who you are or where you live? Advances and issues in understanding the role of neighborhood and community design in promoting physical activity”, April 9, 2013.
- University of South Carolina, HPEB 824 – “Environmental and policy interventions for active living”, March 25, 2013.
- Kansas State University, KIN 345 – “Is it who you are or where you live? Understanding the role of neighborhood and community design in promoting physical activity”, September 27, 2011.
- Kansas State University, KIN 830 – “Measuring physical activity”, February 8, 2011
- Kansas State University, KIN 600 – “Social marketing of physical activity”, October 27, 2009
- Kansas State University, KIN 345 – “Contributions of parks to physical activity and public health”, September 30, 2009.
- Kansas State University, KIN 600 – “Social marketing of physical activity”, October 23, 2008.
- University of Waterloo, REC 101 – “Researching and referencing in university”, September 21, 2007.
- University of Waterloo, REC 442 – “Spatial perspectives on parks and recreation and physical activity”. November 2, 2006.
- University of Waterloo, REC 101 – “Researching and referencing in university”, September 22, 2006.
- University of Waterloo, REC 405 – “Social ecological perspectives on physical activity and well-being”, June 19, 2006.
- Brock University, RECL 2P10 – “Marketing philosophy and activities in recreation and leisure services”, March 13, 2006.
- University of Waterloo, REC 101 – “Researching and referencing in university”, September 23, 2005.
- University of Waterloo, REC 316 – “For love or money: Repositioning to increase attitudinal and fiscal support for public parks and recreation”, October 20, 2004.
- Brock University, RECL 4P10 – “For love or money: Repositioning to increase attitudinal and fiscal support for public parks and recreation”, September 27, 2004.
- University of Waterloo, REC 316 – “Show me the money! The relevance and implementation of repositioning in public parks and recreation”, February 2, 2004.
- University of Waterloo, REC 101 – “Repositioning public parks and recreation: Nine economic contributions to your community”, October 29, 2003.
- Texas A&M University, RPTS 403 – “Delivering quality services in parks and recreation organizations”, November 20, 2002.
- Texas A&M University, RPTS 603 – “Psychological considerations in pricing public park and recreation services”. March 20, 2002.

- Texas A&M University, RPTS 602 – “Applying social judgment and adaptation level theories to pricing decisions in park and recreation services”. February 15, 2002.
- University of Waterloo, REC 101 – “Applying recreation marketing and management principles in the not-for-profit sector setting of a YMCA”. October 2, 2000.

### ***Relevant Professional Experience***

#### **Planner, dmA Planning and Management Services, Mississauga (January-August 2003)**

- Consultant to various public and private sector clients on recreation and cultural planning projects
- Supervised and conducted numerous public consultation and needs assessment activities
- Co-authored several feasibility study, master plan, and background demographic and trend reports

#### **Membership Team Leader, YMCA of Greater Toronto, North York YMCA (June 2000-July 2001)**

- Responsible for all aspects of membership sales while effectively managing a \$4.3 million budget
- Initiated multiple improvements to various systems in order to ultimately enhance service to members
- Coached and developed a highly-effective team of 15-20 part-time staff

### ***Professional Affiliations (2000-present)***

- Member, International Society for Physical Activity and Health (ISPAH; 2011-present)
- Member, American Public Health Association (APHA; 2010-present)
- Member, International Society for Behavioral Nutrition and Physical Activity (ISBNPA; 2010-present)
- Member, Society of Behavioral Medicine (SBM; 2009-2010)
- Member, Canadian Association for Leisure Studies (CALS; 2005-2011)
- Member, National Recreation and Park Association (NRPA; 2002-present)
- Member, American Association for Health, Physical Education, Recreation and Dance (AAHPERD; 2004-2006)
- Member, Parks and Recreation Ontario (PRO; 1999-2000, 2003-2005)

### ***Service Activities***

#### ***Peer-Review Service Activities***

- National Institutes of Health R01 Time-Sensitive Obesity Policy and Program Evaluation Review Panel (2017-present)
- Associate Editor, *Leisure Sciences* (2007-present)
  - Review coordinator for approximately 3-4 manuscripts per year
- Associate Editor, *Journal of Park and Recreation Administration* (2008-2011)
  - Review coordinator for approximately 3-4 manuscripts per year
- Ad-hoc manuscript reviewer
  - *American Journal of Public Health* (2)
  - *American Journal of Preventive Medicine* (8)
  - *Preventive Medicine* (8)
  - *Journal of Epidemiology and Community Health*

- *Annals of Leisure Research*
- Peer-review panel member, University of South Carolina Office of the Vice President for Research ASPIRE-II research grant competition (2013, 2014, 2015, 2016)
- Peer-review panel member, University of South Carolina Office of the Vice President for Research ASPIRE-I research grant competition (2018)
- Peer-review panel member, University of South Carolina Office of the Vice President for Research SPARC Graduate Fellowship research grant competition (2015-2016, 2016-2017)
- Grant reviewer, Alberta Centre for Child, Family and Community Research (2013)
- Peer-review panel member, Heart and Stroke Foundation of Canada research grant competition on the Built Environment and Population Health Intervention Research (2010)

- Peer-review panel member, Heart and Stroke Foundation of Canada research grant competition on the Built Environment, Obesity and Health (2007)
- Abstract reviewer, *American Public Health Association Annual Meeting and Exposition* (2011-2018)
- Abstract reviewer, *National Recreation and Park Association Leisure Research Symposium* (2012)
- Abstract reviewer, *Active Living Research Annual Conference* (2010, 2015-2018)
- Abstract reviewer, *Society of Behavioral Medicine 35<sup>th</sup> Annual Meeting* (2013)
- Abstract reviewer, *South Carolina Public Health Association Annual Meeting* student research poster competition (2013)
- Abstract reviewer, *International Healthy Parks, Healthy People Congress* (2010)
- Abstract reviewer, *Twelfth Canadian Congress on Leisure Research* (2008)

#### *National Community Service Activities*

- Member, National Physical Activity Plan Community Recreation, Fitness, and Parks Sector Committee (2017-present)
- Co-Chair, 2019 Active Living Conference (2018-2019)
- Executive program committee member, Active Living Research Annual Conference (2016-2018)
- Executive committee member, American Public Health Association Physical Activity Section (2012-present – Communications Committee Chair 2012-2013, Program Committee Chair 2014-2015, Chair-Elect 2015-2016, Chair 2016-2017, Immediate Past Chair 2017-2019)
- External tenure and promotion reviewer, University of California-Los Angeles, Center for Health Policy Research, Fielding School of Public Health (2012)
- Invited committee member, National Park Service *Healthy Parks, Health People* Science Strategic Planning Committee (2012)
- Program committee member, Active Living Research Eighth Annual Conference Grantee Meeting (2011)

#### *State and Local Community Service Activities*

- Lead Evaluator for LiveWell Greenville's 'At Play' Workgroup (2013-present)
- Member, SScale Down (South Carolina State Obesity Action Plan) Evaluation Team (2017-present)
- Member, SScale Down (South Carolina State Obesity Action Plan) Community Workgroup (2015-present)
- Member, South Carolina Medical Association Childhood Obesity Taskforce (2012-2017)
- Member, Eat Smart Move More SC Youth Engagement Committee (2015-present)
- Invited panelist, South Carolina Public Health Association National Public Health Week Town Hall Event (2015)
- Invited participant, *Conquering Tri-County's Obesity Epidemic: Challenges, Changes, Choices*, hosted by the Medical University of South Carolina and the South Carolina Clinical and Translational Research Institute, December 6, 2012, North Charleston, SC.
- Advisory committee member, Kansas Health Foundation initiatives on Healthy Community Design and Access to Healthy Foods (2011)
- Committee member, Kansas Coalition on Children in Nature – Outdoor Experiences and Recreation Workgroup (2009-2011)
- Planning committee member, Kansas Department of Health and Environment Built Environment and the Outdoors Summit (2010, 2011)
- Member, City of Waterloo Recreation and Leisure Services Advisory Committee (2005-07)

*University Service Activities*

- Dean Review Committee, University of South Carolina Arnold School of Public Health (2018-2019)
- Research Panel Member, Grant Basics for Graduate Students, University of South Carolina Office of the Vice President for Research, September 29, 2016.
- Arnold Childhood Obesity Initiative steering committee member, Arnold School of Public Health (2016-present)
- Community Engagement/Outreach Strategic Planning Committee, Arnold School of Public Health, University of South Carolina (2015-2016)
- Website Redevelopment Stakeholders Committee, Arnold School of Public Health, University of South Carolina (2015-2016)
- Doctoral committee, Department of Health Promotion, Education, and Behavior, University of South Carolina (2012, 2014-present)
- Chair, assistant/associate professor search committee, Department of Health Promotion, Education, and Behavior, University of South Carolina (2016-)
- Member, assistant/associate professor search committee, Department of Health Promotion, Education, and Behavior, University of South Carolina (2015, 2015-2016)
- Undergraduate curriculum committee, Department of Health Promotion, Education, and Behavior, University of South Carolina (2013-2014)
- Awards committee, Arnold School of Public Health, University of South Carolina (2013, 2014)
- Master of Public Health in Physical Activity program advisory committee, Arnold School of Public Health, University of South Carolina (2015-)
- Undergraduate curriculum committee, Department of Kinesiology, Kansas State University (2011)
- Marketing committee, Department of Kinesiology, Kansas State University (2008-10)
- Family leave committee, Department of Kinesiology, Kansas State University (2009-2011)
- Member, University of Waterloo Applied Health Sciences Strategic Planning Committee (2006)
- President, University of Waterloo Graduate Association for Recreation and Leisure Studies (2004-05)
