Ongoing Career Objectives

- 1) To maintain continued excellence in higher education in areas of academic administration, instruction, program oversight and clinical education, serving as Director of Distance Education and Clinical Assistant Professor.
- 2) To serve with excellence as a faculty member, contributor and collaborator on an enthusiastic, university team, affiliated with a progressive graduate training program in communication sciences and disorders; and
- 3) To continue a legacy of service to the profession, professional organizations, the community and service to others.

Summary of Qualifications

- *ASHA Certificate of Clinical Competence in Speech-Language Pathology (CCC-SLP)*
1981 to present
- *South Carolina License in Speech-Language Pathology, License # 425*
1981 to present
- *South Carolina BabyNet Credential, 2008 to 2012*
- *South Carolina Department of Education Certificate in Speech Correction (K-12), Certificate # 136817*
Masters + 30 Credential, 1983 to 2008 (no longer maintained as university faculty)

Specifically, I have extensive experience as a practicing speech-language pathologist in various settings including public schools, community clinics, rehabilitation and residential facilities and university clinics. Additionally, I have significant experience in higher education involving clinical education, academic instruction, program advisement, oversight and administration. I have also served in various leadership positions of service in professional and community organizations.

These combined experiences qualify my continued faculty appointment in higher education as Director of Distance Education / Clinical Assistant Professor with the Department of Communication Sciences and Disorders at the University of South Carolina. Additionally, these qualifications support my continued involvement with professional organizations at the state and national level.
