Graduate Assistants (GAs), research (RA) and teaching (TA), must be registered for at least 6 hours to maintain full-time status in Fall and Spring. Summer GAs must be enrolled for a minimum *three* credit hours for the duration of their assistantship. Students not enrolled in courses must be hired as hourly employees. For the form below, RA denotes a student funded from research funds, and the department will assign TA requests. For RAs, please provide the number of hours to be covered, the fund number and the stipend amount. For TAs please give the name, check the box for requesting a TA assignment, and supply the number of hours being requested. For TA requests fund numbers and tuition / stipend amounts are not needed. Please use additional pages if needed.
