

Congratulations! Many of you are experiencing excitement and/or anxiety for graduation! It is very common to have mixed emotions with this next chapter in your life. I just want to thank all of you for being such wonderful students. I had the pleasure getting to know many of you, some since your freshman year, others while traveling abroad, and most of you during advisement. I am so proud of all your accomplishments. I am sad that I will not see your smiling faces on campus anymore, but I am happy knowing you are embarking on a new adventure. If you need anything at all, please do not hesitate to [contact me](#).

I wish you the very best of luck!
