Services

**Web and Database Development** (fee-for-service):
- Website design and hosting
- Custom web app development
- Data capture, survey management and design
- Provider of USC REDCap service: [https://redcap.asph.sc.edu/](https://redcap.asph.sc.edu/)
- Data security
- Audio/Video production
- Logo/graphic design

We also provide technology consulting for grant applications. Clients include many Arnold School departments, centers, and offices, as well as collaborators external to the school.

**Arnold School Website**: Maintain the School website: [http://sph.sc.edu](http://sph.sc.edu).

**Communications**: Facilitate internal news (e.g., web articles, events calendar, social media), submit news items to USC publications as well as trade/professional publications, such as the Friday Letter, and coordinate with USC public relations on external press coverage.

**Sample Projects**

**Website design and hosting**
- Center for the Study of Aphasia Recovery: [http://cstar.sc.edu](http://cstar.sc.edu)
- SC SmartState Center for Healthcare Quality: [http://chq.sc.edu](http://chq.sc.edu)
