The **Society for Nutrition Education and Behavior** Annual Conference is being held **July 29-31, 2022**, in Atlanta, Georgia. Attendees have the opportunity to interface with influential nutritionists from extension, public health, government, academia, industry, and community settings. Throughout the conference, attendees will be able to experience education sessions featuring the latest information on dietary guidelines, educational strategies, nutrition policy, technology advances, and wellness initiatives with a focus on putting research into practice.

We will provide more information and send notification of dates and times of affiliate presentations as they become available for these upcoming events. Please let us know if you are presenting at any of the upcoming conferences or if there are any other nutrition-related conferences we should be promoting.

*Current Nutrition Leadership Positions*

As we continue to update our website, we would like to
include information on our faculty affiliate leadership positions as they relate to nutrition. If you have a current leadership role in a nutrition-related society or organization, please email emkenney@email.sc.edu.
