**Organization:** Dickerson Children’s Advocacy Center

**Job Title:** Director of Clinical and Volunteer Services

**Location:** Lexington, South Carolina

The primary purpose of this position is to provide planning, directing, creating and evaluating optimal clinical care and treatment for DCAC. This position oversees and develops the clinical staff and clinical interns, their professional development, and all aspects of service delivery. As the chief clinician, this individual ensures that the team actively participates and maintains a presence in local, regional, and national conferences and educational activities. This position will oversee outreach efforts to ensure underserved communities and underserved populations. This position will also carry a caseload and provide back-up for group facilitation.

**Minimum Qualifications:**

- A Master’s degree in Social Work, Psychology, Clinical Counseling or a related field;
- State licensure as an LMSW or – LISW-CP preferred.
- Five years clinical experience providing mental health services to children and families; forensic interview experience preferred.
- Experience serving in a management capacity and supervising two or more direct reports.
- Experience using and training evidence-based trauma-focused treatment interventions.
- Other combinations of experience and education that meet the minimum requirements may be substituted.

Dickerson Children’s Advocacy Center is prepared to offer a competitive compensation and benefits package commensurate with experience
